# Sawaruita Wildflowers Bouquet Building Block Set Instruction Manual

Model: blue-rose

## PRODUCT OVERVIEW

---

The Sawaruita Wildflowers Bouquet Building Block Set offers a creative and engaging experience for assembling a beautiful, everlasting floral display. This set includes an elegant vase and nine distinct types of colorful building block flowers: sunflowers, tulips, lover's fruit, crabapple flowers, wind chime grass, larkspur, Freesia, peonies, and juice balcony roses. Designed for both adults and children aged 6 and up, this botanical collection provides a unique decorative element for any living space, offering the beauty of flowers without the need for maintenance.

## SAFETY INFORMATION

**CHOKING HAZARD:** This toy contains small bricks. It is not suitable for children under 6 years of age. Adult supervision is required during assembly and play to ensure safety.

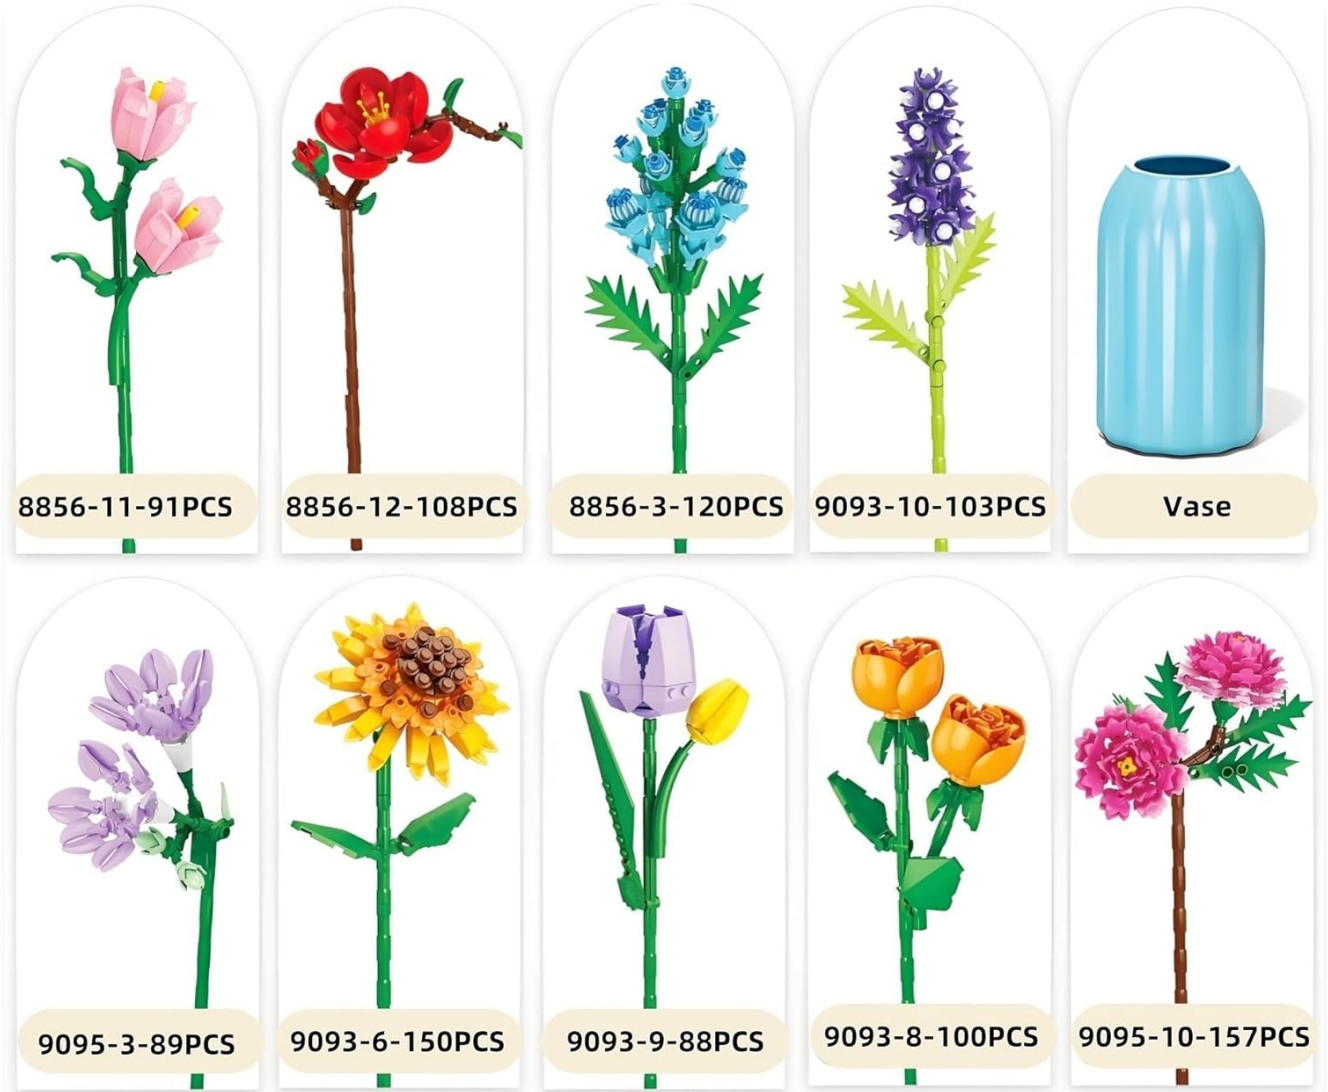

## SETUP AND ASSEMBLY

The Wildflowers Bouquet Building Block Set is designed for straightforward assembly. Each set comes with detailed, step-by-step instructions to guide you through the construction process. It is recommended to sort the pieces by color and type before beginning to facilitate easier assembly.

- **Unpack Components:** Carefully open the packaging and lay out all building blocks and the instruction manual.
- **Identify Parts:** Refer to the parts list in the manual to identify the different types of flower components and the vase pieces.
- **Follow Instructions:** Assemble each flower and the vase according to the numbered steps provided in the instruction

manual. Pay close attention to the orientation of pieces.

- **Adjustable Design:** The stems and petals of the flowers are designed to be adjustable, allowing you to customize the angle and arrangement of your bouquet. Gently bend or rotate components as desired to achieve your preferred look.

## Adjustable flower shape and branches

*Image: Demonstrates the adjustable nature of the flower shapes and branches, allowing for personalized arrangements.*

### OPERATING AND DISPLAY

Once assembled, your Sawaruita Wildflowers Bouquet is ready for display. This botanical collection is designed to enhance any indoor environment, providing a vibrant and lasting decorative accent.

- **Placement:** Position the assembled bouquet in the included vase on any flat, stable surface such as a table, shelf, or desk.
- **Arrangement:** Utilize the adjustable stems and petals to fine-tune the bouquet's appearance, creating a unique and aesthetically pleasing arrangement that suits your space.
- **Versatile Decor:** The bouquet is suitable for various settings, including living rooms, bedrooms, studies, or offices, adding a touch of natural beauty without the concerns of real plants.

Suitable for decoration in various occasions

Let the block flowers become a bridge for emotional communication between you

Image: An adult and child enjoying the assembled bouquet, highlighting its appeal for shared activities and display.

## MAINTENANCE

One of the primary advantages of the Sawaruita Wildflowers Bouquet is its minimal maintenance requirements. Unlike real flowers, this building block set requires no watering, sunlight, or special care.

- **No Watering:** The flowers are artificial and do not require water.
- **No Wilting:** They will maintain their vibrant appearance indefinitely, never wilting or fading.
- **Allergy-Friendly:** As they are not real plants, they produce no pollen, making them an ideal decorative choice for individuals with pollen allergies.
- **Cleaning:** To remove dust, gently wipe the blocks with a dry or slightly damp cloth. Avoid harsh chemicals or abrasive materials.

Image: Highlights the allergy-friendly nature of the building block flowers, suitable for those sensitive to pollen.

## TROUBLESHOOTING

While the Sawaruita Wildflowers Bouquet is designed for ease of assembly, some common issues may arise. Here are solutions to potential problems:

- **Missing Pieces:** If you find any pieces are missing from your set, please contact Sawaruita customer support with your purchase details. Do not attempt to force incompatible pieces together.
- **Difficulty Assembling:**
  - Ensure you are following the instruction manual step-by-step.
  - Verify that you are using the correct pieces for each step; some pieces may appear similar.
  - Check the orientation of the pieces. Blocks often have specific ways they connect.
- **Pieces Not Staying Together:**
  - Apply firm, even pressure when connecting blocks.
  - Ensure there are no foreign objects or debris preventing a secure connection.
  - If a piece seems damaged or warped, it may not connect properly. Contact support for replacements if necessary.
