

LtYioe LtYioe-R9

LtYioe Fabric Shaver USB Rechargeable Sweater Shaver Instruction Manual

Model: LtYioe-R9

1. INTRODUCTION

Thank you for choosing the LtYioe Fabric Shaver. This device is designed to effectively remove lint, fuzz, and pills from various fabrics, helping to restore your garments and textiles to a fresh, new appearance. Please read this manual thoroughly before first use to ensure safe operation and optimal performance.

2. SAFETY INSTRUCTIONS

- Keep the device out of reach of children.
- Do not use the device on clothing while it is being worn.
- Ensure the safety cover is securely in place before operation. The device features a safety switch that automatically stops operation if the cover is loose or removed.
- Do not press the shaver head too hard against the fabric, as this may cause damage to the fabric or the device.
- Avoid using the device on delicate fabrics without first testing on an inconspicuous area.
- Do not immerse the device in water or any other liquid. Clean with a dry or slightly damp cloth.
- Unplug the device before cleaning or when not in use.
- Use only the provided USB charging cable.

3. PACKAGE CONTENTS

Please check the package for the following items:

- LtYioe Fabric Shaver (Model: LtYioe-R9)
- USB Charging Cable
- Cleaning Brush

- **Shaving Head:** Features an upgraded bionic honeycomb mesh with 3 differently sized holes to effectively remove fuzz without damaging fabric.
- **Blades:** Equipped with 6-leaf sharp stainless steel blades and elastic blades for efficient and safe lint removal.

- **Motor:** Powerful motor operating at nearly 9000 RPM for quick and effective results.
- **Lint Catcher:** A 95ML large capacity lint catcher with powerful suction to collect removed fuzz.
- **Magnetic Adsorption Cover:** Allows for easy removal and replacement of the shaving head for cleaning.
- **Safety Lock:** Automatically stops the device if the shaving head cover is loose or removed.
- **Power Button:** To turn the device on and off.
- **USB Charging Port:** For recharging the internal battery.

5. SETUP

The LtYioe Fabric Shaver comes ready for use after charging.

1. **Unpack:** Carefully remove all components from the packaging.
2. **Inspect:** Check the device for any visible damage. If damaged, do not use and contact customer support.
3. **Charge:** Before first use, fully charge the device as described in the 'Charging the Device' section.

6. CHARGING THE DEVICE

The fabric shaver is equipped with a rechargeable battery for cordless operation.

Cordless & Available in a Rechargeable Version

Runs up to **150 minutes**, which should be long enough to complete whatever task is at hand.

Working Time
150mins

Charging Time
3Hrs

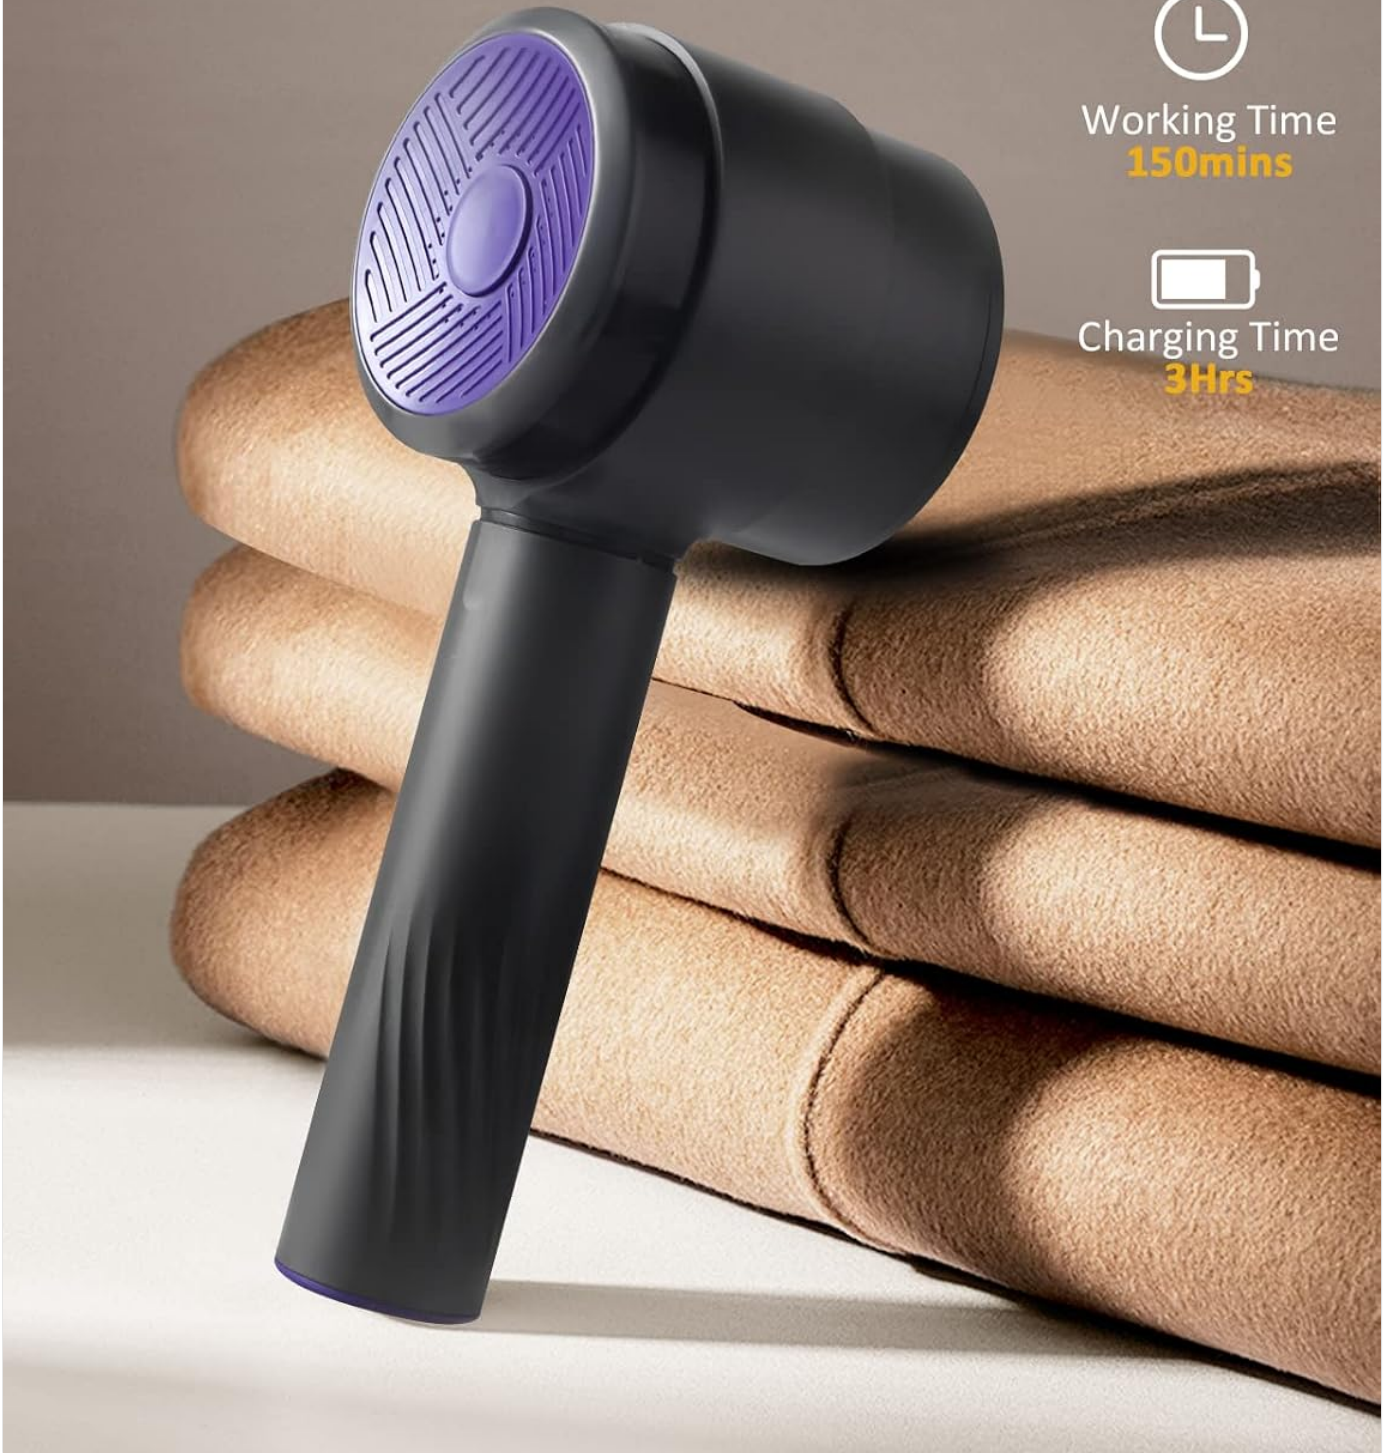

Image: The LtYioe Fabric Shaver highlighting its USB charging capability and indicating a working time of up to 150 minutes and a charging time of 3 hours.

1. Locate the USB charging port on the device.
2. Connect the provided USB charging cable to the device's port.
3. Plug the other end of the USB cable into a compatible USB power source (e.g., computer, wall adapter, power bank).

4. The charging indicator light will illuminate (if present) to show that the device is charging.
5. A full charge typically takes approximately 3 hours and provides up to 120 minutes of continuous use.
6. The device can be used while plugged in, offering dual-use functionality.

7. OPERATING INSTRUCTIONS

Follow these steps to effectively remove lint and fuzz from your fabrics.

Eliminates Fuzz Bubbles Effortlessly

Making it efficient to take on all the unwanted particles clinging to your fabric.

Strong Direct Airflow &
Power Suction

9000Rpm
High Speed

6-leaf Sharp
Stainless Steel Blades

Image: A hand holding the LtYioe Fabric Shaver, demonstrating its use on a fabric surface, with text indicating strong direct airflow, power suction, 9000 RPM high speed, and 6-leaf sharp stainless steel blades.

1. **Prepare the Fabric:** Lay the garment or fabric flat on a hard, smooth surface. Stretch the fabric taut to ensure a smooth surface for shaving.
2. **Turn On:** Press the power button to turn on the fabric shaver.

3. **Begin Shaving:** Gently glide the shaving head over the pilled or fuzzy areas of the fabric. Use light, circular motions or short, even strokes. Do not apply excessive pressure.
4. **Monitor Lint Catcher:** The powerful suction will draw the removed lint and fuzz into the lint catcher. Periodically check the lint catcher and empty it when it becomes full to maintain optimal performance.
5. **Turn Off:** Once you have finished, press the power button again to turn off the device.

Suitable Fabrics:

Image: A visual guide showing various items and fabrics that can be safely treated with the LtYioe Fabric Shaver, such as sweaters, scarves, plush toys, sofas, carpets, bedding sheets, wool coats, and pants.

The LtYioe Fabric Shaver is suitable for a wide range of fabrics, including but not limited to:

- Sweaters (wool, cashmere, acrylic blends)
- Scarves
- Wool Coats
- Blankets and Bedding Sheets
- Upholstery (sofas, chairs)
- Carpets and Rugs
- Plush Toys
- Pants and other garments

8. MAINTENANCE AND CLEANING

Regular cleaning ensures the longevity and optimal performance of your fabric shaver.

Advanced Magnetic Adsorption Technology

Magnetic for easy cleaning, besides, its magnetic cover can be removed and replaced in seconds.

Image: The LtYioe Fabric Shaver demonstrating its advanced magnetic adsorption technology, allowing the shaving head to be easily removed for cleaning.

1. **Turn Off and Unplug:** Always ensure the device is turned off and unplugged before cleaning.
2. **Remove Shaving Head:** The shaving head is attached by magnetic adsorption. Gently pull the shaving head cover upwards to remove it.

- 3. **Empty Lint Catcher:** Detach the lint catcher and empty all collected lint and fuzz into a waste bin. The 95ML capacity allows for extended use between emptying.
- 4. **Clean Blades and Mesh:** Use the provided cleaning brush to carefully remove any remaining lint or debris from the blades and the inner side of the honeycomb mesh. Be cautious around the sharp blades.
- 5. **Reassemble:** Once clean, securely reattach the lint catcher and then place the shaving head cover back onto the device. Ensure it clicks into place to activate the safety lock.
- 6. **Exterior Cleaning:** Wipe the exterior of the device with a soft, dry cloth. Do not use abrasive cleaners or solvents.

9. TROUBLESHOOTING

If you encounter any issues with your fabric shaver, refer to the following common problems and solutions:

Problem	Possible Cause	Solution
Device does not turn on.	Battery is low or depleted. Shaving head cover is not securely attached.	Charge the device fully. Ensure the shaving head cover is properly aligned and secured.
Poor lint removal performance.	Lint catcher is full. Blades are dull or obstructed. Fabric is not laid flat or taut.	Empty the lint catcher. Clean the blades and mesh with the brush. If blades are dull after extended use, contact support for replacement options. Ensure the fabric is smooth and taut on a flat surface.
Device stops during operation.	Safety switch activated (cover loose). Battery is low.	Check and re-secure the shaving head cover. Recharge the device.
Fabric damage.	Excessive pressure applied. Used on unsuitable delicate fabric.	Use gentle pressure. Test on an inconspicuous area first, especially for delicate materials.

If the problem persists after trying these solutions, please contact customer support.

10. SPECIFICATIONS

Brand	LtYioe
Model Number	LtYioe-R9
Material	Acrylonitrile Butadiene Styrene (ABS), Alloy Steel
Operation Mode	Automatic

Power Source	USB Rechargeable (1 AA battery included)
Charging Time	Approx. 3 hours
Operating Time	Up to 120 minutes (cordless)
Lint Catcher Capacity	95 ML
Product Dimensions	3.46 x 2.91 x 7.87 inches
Item Weight	8.3 ounces
UPC	704090612302
