Yushinv Cherry Blossom Tree House Building Set Instruction Manual

Model: 16260 | Brand: Yushinv

INTRODUCTION

Thank you for choosing the Yushinv Cherry Blossom Tree House Building Set. This intricate model, featuring 3320 pieces, allows you to construct a beautiful Japanese-inspired scene with a cherry blossom tree, a traditional house, and a waterfall. This manual provides essential information for assembly, operation, maintenance, and troubleshooting to ensure an enjoyable building experience.

SAFETY INFORMATION

- **Small Parts Warning:** This set contains many small parts and is not suitable for children under 3 years due to choking hazards.
- **Recommended Age:** This building set is recommended for ages 6 to 60 years. Younger builders may require adult supervision due to the small size and complexity of the pieces.
- **Material:** All pieces are made from non-toxic plastic.

PACKAGE CONTENTS

Upon opening the package, you should find the following items:

- 3320 building block pieces, sorted into numbered bags.
- 1 x Instruction Manual.
- 1 x Brick Separator Tool (may be included).
- Electronic components for lights and music (if applicable to your specific model variant).

Please verify all contents against the parts list in the instruction manual before beginning assembly. Note that some extra pieces are intentionally included as spares.

SETUP AND ASSEMBLY

The assembly process requires patience and attention to detail. Follow the included instruction manual carefully.

1. **Preparation:** Find a clean, spacious, and well-lit work surface.
2. **Sorting Pieces:** Open the bags corresponding to the current assembly step (e.g., all bags labeled '1' for Part 1). It is highly recommended to sort the pieces by color and shape for easier identification.
3. **Understanding the Manual:** Refer to the legend in the instruction manual to understand the symbols and annotations used in the diagrams. Pay close attention to the quantity of bricks required for each step and the direction of placement.

Ensure pieces are firmly connected. If a brick separator tool is provided, use it to carefully detach incorrectly placed pieces to avoid damage.

OPERATING FEATURES (MUSIC AND LIGHTS)

This building set includes an exclusive scene music (Symphony type) and integrated lights to enhance the display.

- **Music Activation:** Locate the QR code on the product packaging. Scan this QR code to download the exclusive music track. You can then play this music while enjoying your completed model.
- **Light Activation:** The set features an LED line that runs under the river and through the waterfalls. Follow the specific instructions in your manual for connecting the power source and activating the lights. Ensure all connections are secure.

MAINTENANCE

- **Cleaning:** To clean the model, gently wipe with a dry, soft cloth. For stubborn dust, a slightly damp cloth can be used, followed by immediate drying. Avoid harsh chemicals or abrasive cleaners.
- **Storage:** Store the assembled model or unassembled pieces in a cool, dry place away from direct sunlight to prevent discoloration or warping.
- **Disassembly:** If disassembling, keep all pieces organized to facilitate future reassembly.

TROUBLESHOOTING

Problem	Possible Cause	Solution
---------	----------------	----------

Problem	Possible Cause	Solution
Missing pieces	Pieces may be overlooked or accidentally discarded.	Carefully re-check all packaging and your work area. The set includes extra pieces as spares. If critical pieces are still missing, contact customer support.
Difficulty following instructions	Intricate details or small piece sizes can make steps challenging.	Take breaks if feeling frustrated. Use a magnifying glass if needed to discern small details in the diagrams. Ensure you are using the correct pieces and orientation for each step.
Model instability	Pieces not fully pressed together, or incorrect assembly.	Ensure all bricks are firmly connected. Review previous steps to confirm correct placement. Handle the completed model with care, especially when moving it.
Lights or music not working	Loose connections, power source issues, or incorrect setup.	Check all electrical connections for the lights. Ensure the power source (if external) is functioning correctly. For music, verify the QR code scan and playback device.
