YoRiBo gaminghero

YoRiBo Gaming Desk Instruction Manual

Model: gaminghero

Introduction

This manual provides essential information for the assembly, operation, maintenance, and troubleshooting of your YoRiBo Gaming Desk. Please read these instructions carefully before beginning assembly or use to ensure proper function and safety.

Safety Information

Important Safety Precautions:

- Always assemble the desk according to the provided instructions.
- Ensure the desk is properly anchored to the floor to prevent tipping, especially when heavy equipment is placed on it.
- Do not exceed the desk's weight limit to maintain stability and safety.
- Keep all electrical components, including LED lights and power cables, away from liquids.
- Do not attempt to modify the desk's structure or electrical components, as this may void the warranty and pose a safety risk.

Setup and Assembly

The YoRiBo Gaming Desk is designed for straightforward assembly. Follow the detailed instructions included in the packaging for a smooth setup process.

1. Unpack all components and verify against the parts list provided in the assembly guide.
2. Assemble the Z-shaped frame components first, ensuring all screws are securely tightened.
3. Attach the carbon fiber surface tabletop to the assembled frame.
4. Connect the LED light components as per the wiring diagram. Ensure all connections are firm before plugging into a power source.
5. Place the desk in its desired location, ensuring it is on a stable, level surface.

Operating Instructions

LED Lighting System

The YoRiBo Gaming Desk features integrated RGB LED lighting to enhance your gaming or work environment. The lighting system is controlled via a dedicated controller (if included) or buttons on the desk.

- **Power On/Off:** Locate the power button for the LED lights, typically on the underside or side of the desk.
- **Mode Selection:** Cycle through various lighting modes, including solid colors, pulsating effects, and rainbow modes, using the mode selection button.
- **Brightness Adjustment:** Adjust the brightness levels to your preference using the designated controls.

Refer to the specific LED controller manual for detailed instructions on advanced customization options, if applicable.

Maintenance

Regular maintenance will help preserve the appearance and functionality of your YoRiBo Gaming Desk.

- **Cleaning the Surface:** Use a soft, damp cloth to wipe down the carbon fiber surface. Avoid abrasive cleaners or solvents that could damage the finish.
- **Frame Care:** The steel frame can be cleaned with a mild soap and water solution. Dry thoroughly to prevent rust.
- **LED Lights:** Ensure the LED strips are free from dust and debris. Do not attempt to clean the electrical components with liquids.
- **Hardware Check:** Periodically check all screws and fasteners to ensure they remain tight. Retighten as necessary to maintain desk stability.

Troubleshooting

If you encounter issues with your YoRiBo Gaming Desk, refer to the following common troubleshooting steps:

Problem	Possible Cause	Solution
LED lights not working.	Power cable disconnected, faulty connection, or power outlet issue.	Check if the power cable is securely plugged into the desk and a working power outlet. Verify all LED strip connections.
Desk feels wobbly.	Loose screws or uneven floor surface.	Retighten all assembly screws. Adjust leveling feet (if present) or place shims under legs on uneven floors.
Difficulty assembling parts.	Incorrect orientation of parts or misaligned holes.	Refer to the assembly manual diagrams carefully. Ensure parts are oriented correctly before attempting to fasten. Do not force components.

If the problem persists after attempting these solutions, please contact customer support.

Specifications

Brand: YoRiBo

Model Number: gaminghero

Product Dimensions (D x W x H): 19.68"D x 43.3"W x 29.5"H

Color: Black

Top Material Type: Carbon Fiber

Base Material: Alloy Steel

Included Components: LED lights

Assembly Required: Yes

Item Weight: 1 Pounds

UPC: 768564219114, 768472536327
