XIAOMI BHR6032GL

Xiaomi Mi USB-A to Type-C Cable 6A 1m Instruction Manual

Model: BHR6032GL

INTRODUCTION

This manual provides essential instructions for the safe and efficient use of your Xiaomi Mi USB-A to Type-C Cable (Model BHR6032GL). This durable cable is designed for high-speed charging and data transfer between compatible devices. Please read this manual thoroughly before use.

PRODUCT OVERVIEW

Figure 1: Xiaomi Mi USB-A to Type-C Cable (Model BHR6032GL). This image displays the cable's white color and its two distinct connectors: a standard USB-A plug and a reversible USB Type-C plug.

The Xiaomi Mi USB-A to Type-C Cable is a versatile accessory for your electronic devices. It features a USB-A connector for power sources or host devices and a USB Type-C connector for modern smartphones, tablets, laptops, and other compatible devices. The cable supports up to 6 Amps of current, enabling fast charging capabilities.

SETUP AND CONNECTION

1. **Identify Connectors:** Locate the USB-A connector (rectangular) and the USB Type-C connector (oval, reversible) on your cable.
2. **Connect to Power Source/Host:** Insert the USB-A connector into a compatible power adapter (e.g., wall charger, power bank) or a computer's USB-A port.
3. **Connect to Device:** Insert the USB Type-C connector into the charging/data port of your smartphone, tablet, laptop, or other Type-C enabled device.
4. **Verify Connection:** Ensure both ends are securely inserted. For charging, your device should indicate that it is receiving

power. For data transfer, your computer should recognize the connected device.

OPERATING INSTRUCTIONS

Charging

- This cable supports fast charging with compatible power adapters and devices, delivering up to 6 Amps of current and 30 Watts of power at 5 Volts.
- For optimal fast charging, use a Xiaomi-compatible fast charger.
- The charging speed may vary depending on the power adapter, device, and environmental conditions.

Data Transfer

- Connect your Type-C device to a computer using this cable.
- Once connected, your device should appear as a removable drive or media device on your computer.
- Follow your device's instructions for transferring files (e.g., photos, videos, documents).

MAINTENANCE AND CARE

- **Cleaning:** Wipe the cable and connectors with a soft, dry cloth. Avoid using harsh chemicals or abrasive materials.
- **Storage:** Store the cable in a cool, dry place away from direct sunlight and extreme temperatures. The cable features a tangle-free design for easy storage.
- **Handling:** Avoid bending the cable sharply or pulling it by the cord. Always grasp the connector when plugging or unplugging.
- **Durability:** This cable is designed to be durable and hard-wearing for everyday use.

TROUBLESHOOTING

Problem	Possible Solution
Device not charging.	• Ensure both ends of the cable are securely connected. • Verify that the power adapter is functioning correctly and plugged into a live outlet. • Check if your device's charging port is clean and free of debris. • Try a different power adapter or device to isolate the issue.
Slow charging speed.	• Ensure you are using a fast-charging compatible power adapter. • Close unnecessary applications on your device. • Avoid using the device heavily while charging.
Data transfer not working.	• Ensure the cable is connected to a computer's USB port. • Check your device's settings to ensure it is set to "File Transfer" or "MTP" mode when connected to a computer. • Try a different USB port on your computer.

SPECIFICATIONS

- **Model Name:** Mi USB-A to Type-C Cable
- **Model Number:** BHR6032GL
- **Brand:** XIAOMI
- **Connector Type (Source):** USB-A

- **Connector Type (Device):** USB Type-C
- **Cable Length:** 1 Meter
- **Maximum Current:** 6 Amps
- **Maximum Voltage:** 5 Volts
- **Wattage:** 30 Watts
- **Special Feature:** Tangle Free
- **Color:** White
- **Material:** Plastic
- **Recommended Uses:** Electronic device charging, data transfer
- **Compatible Devices:** Smartphone, Tablet, Laptop, Charging adapter, Personal computer, Printer, Projector, Speaker, SSD, Power bank
