6. Maintenance

Proper care will extend the life and appearance of your sofa.

- **Cleaning Stains:** Wipe stains immediately with a clean, dry cloth using mild soap and water. Avoid harsh chemicals.
- **Cushion Care:** Distribute material by inverting, rotating, and/or loosening cushions and pillows regularly to maintain their shape and firmness.
- **Regular Cleaning:** Vacuum the sofa regularly using a soft brush attachment to remove dust and debris.
- **Removable Covers:** The seat and back cushion covers are removable for easier cleaning.

7. Troubleshooting

If you encounter any issues with your sofa, please refer to the following common solutions:

- **Loose Connections:** If any part of the sofa feels unstable, recheck all bolts and connections to ensure they are tightened securely.
- **Cushion Firmness:** New cushions may feel firm initially. They will soften with regular use. Fluffing and rotating cushions can help accelerate this process.
- **Color Variation:** Please note that color may appear different due to varying monitor displays. This is not a product defect.
