## Oraimo OPN-40D-GM

# Oraimo Open Ear Headphones User Manual

Model: OPN-40D-GM

### Introduction

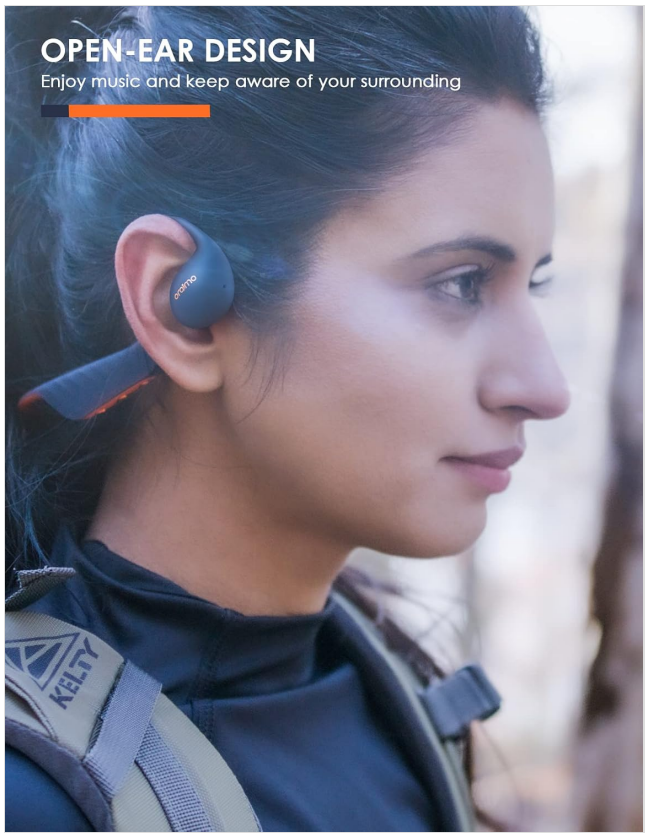

Welcome to the user manual for your Oraimo Open Ear Headphones. These wireless earbuds are designed to provide a unique listening experience, allowing you to enjoy your audio while remaining aware of your surroundings. Ideal for various activities, they offer comfort, stability, and high-quality sound.

### What's in the Box

- Oraimo Open Ear Headphones
- Type-C Charging Cable
- User Manual

### Product Features

#### Open-Ear Comfort, Safety, and Health

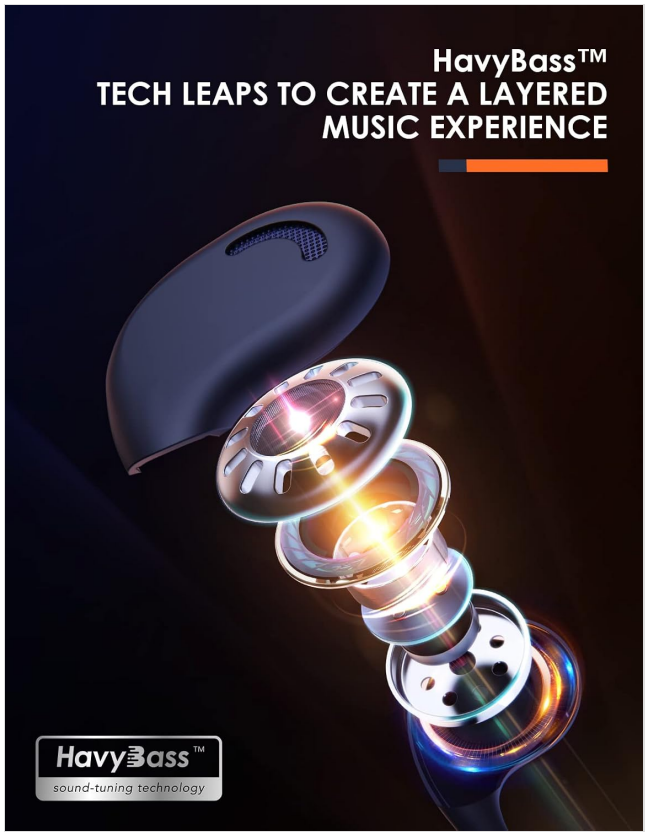

The unique open-ear design ensures comfort for extended wear by avoiding insertion into the ear canal. This design allows you to monitor ambient sounds, enhancing safety during outdoor activities like running or cycling. It also promotes healthier ear hygiene by preventing ear canal bacteria breeding.

### Super Stable & Ergonomic Design

Featuring a lightweight and ergonomic build, these headphones maintain exceptional stability even during high-intensity training. The wrap-around titanium memory wire adapts to various head and ear shapes, ensuring durability and a secure fit.

### Stereo Sound & HD Voice with HavyBass Technology

Equipped with Oraimo's HavyBass Technology and 16mm large dynamic drivers, the OpenCircle delivers an extraordinary stereo sound experience with powerful bass. This design provides clearer, more consistent audio without the vibrating sensation often associated with bone conduction. An exclusive directional algorithm minimizes sound leakage, maintaining your privacy.

### Long Battery Life and Fast Charging

Enjoy up to 16 hours of music playtime on a single charge. A quick 10-minute charge provides approximately 3.5 hours of

listening time, ensuring your music keeps going.

### Waterproof & Sweat Protection

The OpenCircle features a waterproof, dustproof, and nano-sweatproof coating, making it resistant to rain and sweat. This durability makes it perfect for all types of sports and active lifestyles.

## Setup

### Charging the Headphones

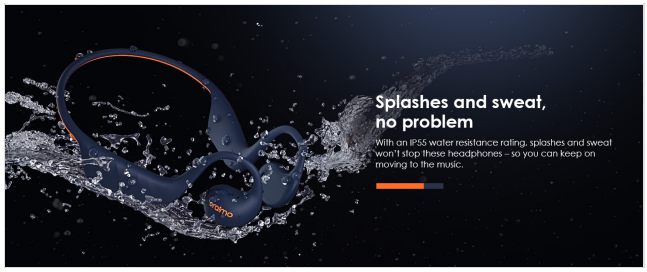

Before first use, fully charge your Oraimo Open Ear Headphones. Connect the provided Type-C charging cable to the charging port on the headphones and plug the other end into a compatible USB power source. The indicator light will show charging status.

### Pairing with Your Device

1. Ensure the headphones are charged and powered off.
2. Press and hold the Multi-Function Button (MFB) until the indicator light flashes, indicating pairing mode.
3. On your device (smartphone, tablet, etc.), enable Bluetooth and search for available devices.
4. Select "Oraimo OpenCirclet" from the list of found devices to connect.
5. Once connected, the indicator light will change, and you will hear an audio prompt.

## Operating Instructions

### Music Control

- **Pause/Play:** Press the MFB button.
- **Volume Decrease:** Press the "-" button.
- **Volume Increase:** Press the "+" button.
- **Previous Song:** Long Press the "-" button (1 second).
- **Next Song:** Long Press the "+" button (1 second).

### Telephone Control

- **Answer Phone:** Press the MFB once.
- **Reject Call:** Long Press the MFB (1 second).
- **Hang Up Call:** Press the MFB once.

### Special Modes

- **Low Latency Mode:** Hold down the MFB for about 1 second to switch.
- **Voice Assistant:** Double Press the MFB to activate.

## Maintenance

To ensure the longevity and optimal performance of your Oraimo Open Ear Headphones, follow these maintenance guidelines:

- After each use, especially after workouts, gently wipe the headphones with a soft, dry cloth to remove sweat and dirt.
- Avoid exposing the headphones to extreme temperatures (hot or cold) or direct sunlight for prolonged periods.
- Store the headphones in a cool, dry place when not in use.
- Do not use abrasive cleaners or solvents, as these can damage the surface and internal components.
- Ensure the charging port cover is securely closed when not charging to maintain water resistance.

## Troubleshooting

### Headphones not powering on

- Ensure the headphones are fully charged.
- Press and hold the power button for a few seconds to confirm it's not just in standby mode.

### Unable to pair with device

- Make sure the headphones are in pairing mode (flashing indicator light).
- Ensure Bluetooth is enabled on your device and it's within range.
- Forget previous pairings on your device's Bluetooth settings and try pairing again.
- Restart both the headphones and your device.

### No sound or low volume

- Check the volume levels on both the headphones and your connected device.
- Ensure the headphones are properly positioned over your ears.
- Reconnect the headphones to your device.
