

JOYIN B0BKTP24DX

JOYIN 45-Pack Big Bubble Wand Set Instruction Manual

Model: B0BKTP24DX

1. INTRODUCTION

This manual provides instructions for the safe and effective use of your JOYIN 45-Pack Big Bubble Wand Set. This set is designed to create large bubbles for entertainment and recreational activities. Please read all instructions carefully before use and retain this manual for future reference.

2. SAFETY INFORMATION

- **Adult Supervision Required:** Always supervise children during use to prevent accidental ingestion of bubble solution or misuse of wands.
- **Non-Toxic Solution:** The included bubble solution is non-toxic. However, avoid contact with eyes. In case of eye contact, rinse thoroughly with water. If irritation persists, seek medical attention.
- **Not for Consumption:** The bubble solution is not intended for drinking. If swallowed, drink plenty of water and consult a physician if discomfort occurs.
- **Outdoor Use Recommended:** While suitable for indoor use, outdoor use is recommended to avoid slippery surfaces and potential stains from bubble solution.
- **Age Recommendation:** This product is recommended for ages 3 years and older. Small parts may pose a choking hazard for younger children.

3. PACKAGE CONTENTS

Your JOYIN 45-Pack Big Bubble Wand Set includes the following items:

- 45 x Big Bubble Wands (14.6 inches each, in 9 assorted colors)
- 45 x Concentrated Bubble Solution Refill Packs (each pack for one wand refill)

4. SETUP INSTRUCTIONS

To prepare your bubble wand for use, follow these steps:

1. **Open the Wand:** Carefully twist the top handle of a bubble wand counter-clockwise to open it.
2. **Add Concentrated Solution:** Pour one entire pack of concentrated bubble solution refill into the empty bubble wand tube.
3. **Add Water:** Fill the remainder of the bubble wand tube with approximately 3.65 oz (108 ml) of water. The ratio of concentrated solution to water should be 1:9.
4. **Close and Mix:** Twist the top handle clockwise to securely close the bubble wand. Gently shake or stir the wand to thoroughly mix the concentrated solution with the water.
5. **Ready for Use:** Your bubble solution is now prepared.

How to Refill

Figure 4.1: Visual guide for refilling the bubble wand, illustrating the addition of concentrated solution and water, followed by mixing.

5. OPERATING INSTRUCTIONS

Once the bubble solution is prepared, you can begin creating bubbles:

- **Dip the Wand:** Dip the bubble wand into the prepared solution, ensuring the bubble ring is fully submerged.
- **Create Bubbles:**
 - **Waving Method:** Gently wave the wand through the air to create a stream of bubbles.
 - **Blowing Method:** Slowly and steadily blow through the bubble ring to form large, individual bubbles.
- **Enjoy:** Continue dipping and creating bubbles as desired.

Endless Bubbles

CREATE LONG & GIANT BUBBLES

Figure 5.2: An image showing the ergonomic, easy-to-grip handle design of the bubble wands, used by a child to create bubbles.

6. MAINTENANCE

- **Cleaning:** After use, rinse the bubble wands with clean water to remove any residue.
- **Storage:** Store the wands and any remaining concentrated solution in a cool, dry place, away from direct sunlight. Ensure wands are securely closed to prevent leakage.
- **Disposal:** Dispose of empty solution packets and wands according to local waste disposal guidelines.

7. TROUBLESHOOTING

Problem	Possible Cause	Solution
---------	----------------	----------

Problem	Possible Cause	Solution
No bubbles or weak bubbles	◦ Insufficient solution on the wand. ◦ Solution not mixed properly. ◦ Too much wind (for waving method). ◦ Blowing too hard or too fast.	◦ Ensure the wand is fully dipped. ◦ Shake the wand thoroughly to mix the solution. ◦ Try blowing gently or move to a less windy area. ◦ Blow slowly and steadily.
Solution leaking from wand	◦ Wand not securely closed. ◦ Wand damaged.	◦ Ensure the handle is twisted tightly. ◦ Discontinue use if damaged and replace.
