Fjords Rome Large Power

Fjords Rome Large Power 3-Motor Relaxer Recliner Chair User Manual

Model: Rome Large Power

INTRODUCTION

Thank you for choosing the Fjords Rome Large Power 3-Motor Relaxer Recliner Chair. This manual provides essential information for the safe and effective use of your new recliner. Please read it thoroughly before assembly and operation, and retain it for future reference.

SAFETY INFORMATION

For safe use, please ensure the chair is placed on a stable, level surface. Be cautious when sitting or standing, as the leather material may become slippery. Keep children and pets away from moving parts. Do not allow anyone to sit on the footrest when extended. Always ensure the power cord is not pinched or damaged.

PACKAGE CONTENTS

Before beginning assembly, verify that all components are present:

- Recliner Base
- Recliner Backrest
- Power Adapter and Cord
- Assembly Hardware (if applicable)
- User Manual (this document)

If any parts are missing or damaged, please contact Fjords customer support.

ASSEMBLY INSTRUCTIONS

The Fjords Rome Large Power Recliner Chair requires assembly. Follow these general steps:

1. **Unpack Components:** Carefully remove all parts from the packaging. Place them on a soft, clean surface to prevent scratches.
2. **Attach Backrest:** Align the backrest with the base. Slide the backrest into the receiving brackets on the chair base until it clicks securely into place. Ensure both sides are fully engaged.
3. **Connect Power:** Connect the power cord to the chair's power input, typically located at the rear or underside of the base. Plug the power adapter into a standard electrical outlet.
4. **Test Functions:** Once assembled, test all power functions (recline, headrest, lumbar) to ensure proper operation.

For detailed visual instructions, refer to any included diagrams or contact customer support if you encounter difficulties.

OPERATING INSTRUCTIONS

The Fjords Rome Recliner features a 3-motor power system for personalized comfort. The control panel is located on the side of the chair.

The Fjords Rome swing relaxer, features a 3 motor system. One for the motorized reclining and footrest control, a second for the motorized lumbar and a third for the headrest support which changes the support angle of the headrest. The overall seating experience gives your body correct ergonomic support. The design is available in two sizes, small and large. Black base is standard on Rome.

Image: A detailed diagram illustrating the various features and control points of the Fjords Rome Recliner, including motorized headrest support, power lumbar support, control panel with USB port, motorized recline and footrest, 270° swivel base, rocking motion, and manual height adjustable headrest.

- **Power Recline:** Use the designated buttons on the control panel to smoothly recline the backrest and extend the footrest. Hold the button for continuous adjustment.
- **Power Head/Neck Angle Support:** Adjust the angle of the headrest using the specific control button to find optimal neck support.
- **Power Lumbar Support:** Activate and adjust the lumbar support to provide customized comfort for your lower back.
- **Manual Headrest Height Adjustment:** The headrest height can be manually adjusted by lifting or lowering it to your desired position.

- **USB Charge Port:** A USB port is integrated into the control panel for convenient charging of your electronic devices.
- **Swivel and Rocking Motion:** The chair features a 270-degree swivel base and a gentle rocking motion for added relaxation.

FEATURES OVERVIEW

- **3-Motor Power System:** Independent control for recline, headrest angle, and lumbar support.
- **Ergonomic Design:** Provides optimal support for the lower back and neck.
- **Premium Leather Upholstery:** Crafted with high-quality Astro Line Premium Leather.
- **Integrated USB Port:** Convenient charging for mobile devices.
- **270-Degree Swivel Base:** Allows for easy rotation.
- **Rocking Motion:** Enhances relaxation.
- **Adjustable Headrest:** Manual height adjustment for personalized comfort.

MAINTENANCE AND CARE

To ensure the longevity and appearance of your Fjords Rome Recliner, follow these care guidelines:

- **Leather Care:** Regularly wipe the leather with a soft, dry cloth. For spills, blot immediately with a clean, damp cloth. Avoid harsh chemicals or abrasive cleaners. Use a specialized leather cleaner and conditioner periodically as recommended by leather care professionals.
- **Mechanism Care:** Avoid spilling liquids into the power mechanisms. Periodically check all connections and fasteners to ensure they are secure.
- **Cleaning:** Dust the chair regularly. For deeper cleaning, consult a professional upholstery cleaner.
- **Placement:** Avoid direct sunlight and heat sources, which can cause leather to fade or dry out.

TROUBLESHOOTING

If you experience issues with your recliner, refer to the following common solutions:

Problem	Possible Cause	Solution
Chair does not recline/operate.	Power cord disconnected or no power to outlet.	Ensure power cord is securely plugged into the chair and a working electrical outlet. Check circuit breaker.
Motor makes unusual noise.	Obstruction in mechanism or loose component.	Inspect for any obstructions. If noise persists, discontinue use and contact customer support.
USB port not charging.	Device cable issue or power supply problem.	Try a different USB cable or device. Ensure the chair is powered on.

If the problem persists after attempting these solutions, please contact Fjords customer support for further assistance.
