WENKO Rivalta Closed Stand Set

INSTRUCTION MANUAL

Product Overview

The WENKO Rivalta Closed Stand Set is a versatile bathroom accessory designed to provide a comprehensive solution for toilet paper storage, toilet brush access, and spare roll organization. This 3-in-1 unit combines a toilet brush holder, a toilet roll holder, and a spare roll holder into a single, freestanding ensemble.

Constructed from lacquered steel with heavy safety glass elements for the base plate and separating divider, the Rivalta set offers both stability and a sleek aesthetic. Its compact design allows for flexible placement in various bathroom layouts, including corners or as a standalone piece.

Figure 1: The WENKO Rivalta Closed Stand Set, showcasing its integrated toilet paper holder, toilet brush, and spare roll storage.

Key features include:

- **Integrated Design:** Combines toilet paper holder, toilet brush holder, and spare roll storage.
- **Durable Construction:** Made from lacquered steel with heavy safety glass base and divider.

- **Hygienic Toilet Brush:** Features a silicone brush head for effective cleaning, housed in a closed container for discretion. The brush head is replaceable.
- **Spare Roll Capacity:** Designed to store multiple spare toilet rolls behind a black divider glass.
- **Freestanding and Stable:** Heavy base ensures secure placement without the need for wall mounting.

Setup and Assembly

The WENKO Rivalta Closed Stand Set requires minimal assembly. Please ensure all components are present before beginning. A rubber mallet may be useful for securing connections.

Figure 2: Components of the Rivalta Stand Set, illustrating the main parts for assembly.

1. **Unpack Components:** Carefully remove all parts from the packaging. Verify that you have the main vertical frame, the base plate, the glass divider, the toilet brush holder, and the spare roll holder rod.
2. **Attach Base Plate:** Securely attach the main vertical frame to the heavy base plate. Ensure the connection is firm. A rubber mallet can be used to gently tap components into place if needed, but avoid excessive force to prevent damage to the finish.

3. **Insert Glass Divider:** Slide the black safety glass divider into its designated slots within the main vertical frame. Ensure it sits securely and is properly aligned.
4. **Position Toilet Brush Holder:** Place the closed toilet brush holder into its designated position on the base plate, next to the main frame.
5. **Insert Spare Roll Holder:** Insert the spare roll holder rod into its slot on the base plate, behind the glass divider.
6. **Final Check:** Once assembled, gently test the stability of the unit. Ensure all connections are tight and the stand does not wobble.

Operating Instructions

Using the WENKO Rivalta Closed Stand Set is straightforward, providing convenient access to your bathroom essentials.

- **Toilet Paper Dispenser:** Place a standard toilet paper roll onto the horizontal bar located at the top of the main frame. The paper can be easily unrolled for use.
- **Toilet Brush:** The toilet brush is stored in the closed container on the base. To use, simply lift the brush by its handle. After use, return the brush to its container to maintain hygiene and conceal it from view. The silicone brush head ensures effective cleaning.
- **Spare Roll Storage:** The spare roll holder rod is positioned behind the black glass divider. To store spare rolls, slide them onto this rod. The divider helps to discreetly store up to three spare rolls, ensuring you always have replenishment readily available.

Maintenance and Care

To ensure the longevity and appearance of your WENKO Rivalta Closed Stand Set, follow these maintenance guidelines:

- **Cleaning the Frame and Base:** Wipe the lacquered steel frame and base plate with a soft, damp cloth. For stubborn marks, a mild, non-abrasive cleaner can be used. Dry thoroughly immediately after cleaning to prevent water spots.
- **Cleaning the Glass Elements:** The safety glass divider and base plate can be cleaned with a standard glass cleaner and a lint-free cloth. Avoid abrasive sponges or cleaners that could scratch the glass surface.
- **Toilet Brush Care:** Regularly clean the toilet brush and its container. The silicone brush head can be rinsed with water and disinfectant. Ensure the container is clean and dry before returning the brush to prevent odor or bacterial buildup.
- **Brush Head Replacement:** The toilet brush features a replaceable silicone brush head (7.5 cm diameter). To replace, unscrew the old brush head from the handle and screw on a new compatible replacement.
- **Avoid Harsh Chemicals:** Do not use strong chemical cleaners, abrasive pads, or solvents, as these can damage the finish of the steel and polypropylene components.

Troubleshooting

If you encounter any issues with your WENKO Rivalta Closed Stand Set, please refer to the following common solutions:

| Problem | Possible Cause | Solution |
|--|--|---|
| Unit wobbles or is unstable. | Components not fully seated or tightened during assembly. Uneven floor surface. | Ensure the main vertical frame is securely attached to the base plate. Gently tap connections with a rubber mallet if necessary to ensure they are fully seated. Check that the glass divider is firmly in its slots. Place the unit on a flat, even surface. If the floor is uneven, consider using small furniture pads under the base to level it. |
| Scratches or damage to the finish during assembly. | Excessive force or improper tools used during assembly. | Always use a rubber mallet for gentle tapping. Avoid metal hammers or sharp objects. Handle components carefully during unpacking and assembly. |

| Problem | Possible Cause | Solution |
|---|--|--|
| Toilet paper roll does not spin freely. | Roll is too wide or improperly placed. | Ensure the toilet paper roll is centered on the holder. Verify that the roll's width is compatible with the holder's design. |

Specifications

Detailed specifications for the WENKO Rivalta Closed Stand Set:

| Attribute | Detail |
