SETUP

1. Initial Charging

Before first use, fully charge the earbuds and the charging case. Connect the USB charging cable to the charging case and a power source. The LED digital display on the case will show the battery percentage.

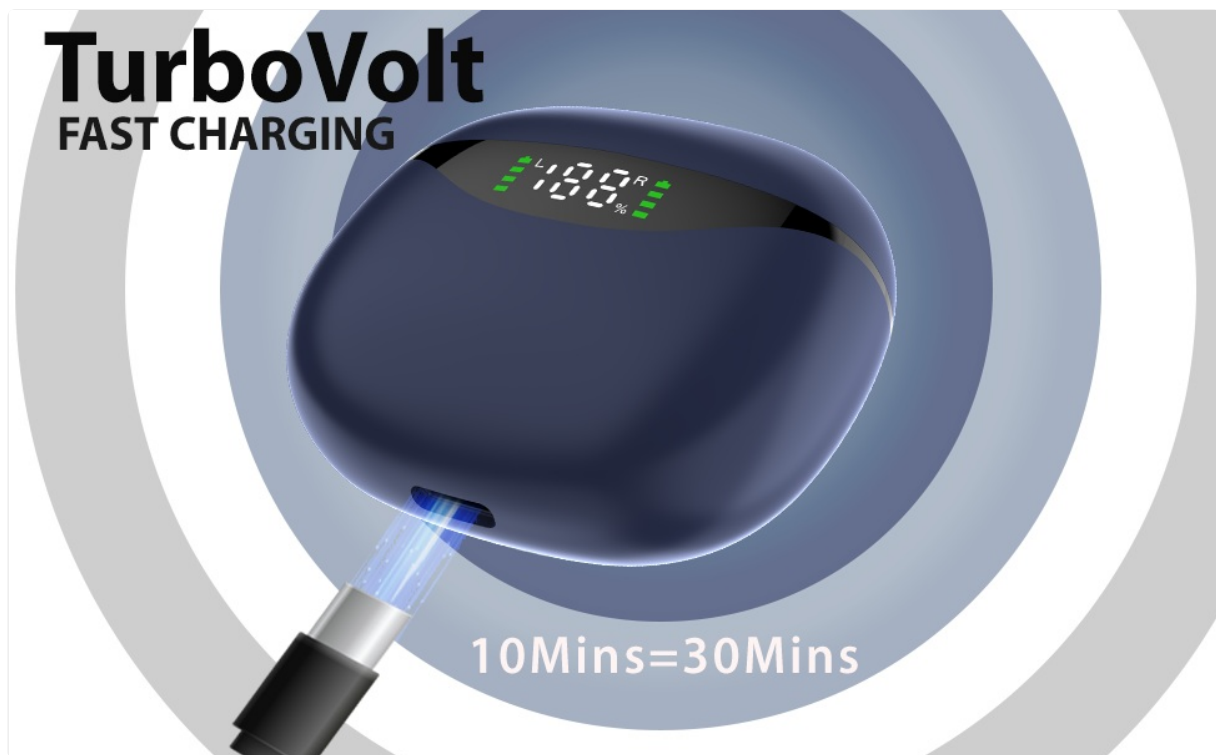

Image: Blaupunkt BTW20 Charging Case connected for TurboVolt Fast Charging. The image highlights the USB-C port and the LED display showing charging status.

- The charging case features a TurboVolt fast charging design.
- A full charge provides up to 30 hours of playtime with the charging case (at 50% volume).
- The LED digital display on the charging case indicates the battery level for both the case and individual earbuds.

2. Bluetooth Pairing

1. Open the charging case. The earbuds will automatically enter pairing mode.
2. On your device (smartphone, tablet, etc.), enable Bluetooth.

3. Search for available devices and select "Blaupunkt BTW20" from the list.
4. Once connected, you will hear a confirmation tone, and the earbuds will be ready for use.

3. Wearing the Earbuds

The BTW20 earbuds are designed for an ergonomic and comfortable fit. Choose the ear cushions that best fit your ears for optimal sound quality and secure placement.

- Gently insert each earbud into your ear canal.
- Rotate slightly to find a snug and comfortable position.
- Ensure the left (L) and right (R) earbuds are placed in the correct ears.

OPERATING INSTRUCTIONS

The BTW20 earbuds feature smart touch controls for easy management of music, calls, and voice assistant functions.

Touch Controls

Function	Action
Play/Pause Music	Single tap on either earbud
Next Track	Double tap on the Right earbud
Previous Track	Double tap on the Left earbud
Answer/End Call	Single tap on either earbud
Reject Call	Long press on either earbud
Activate Voice Assistant	Triple tap on either earbud

Note: The touch sensors are highly sensitive. Avoid accidental touches when adjusting the earbuds.

MAINTENANCE

Cleaning

- Regularly clean the earbuds and charging case with a soft, dry, lint-free cloth.
- Do not use abrasive cleaners, solvents, or aerosol sprays.
- Ensure charging contacts on both earbuds and case are clean and dry.

Storage

- When not in use, store the earbuds in their charging case to protect them and keep them charged.
- Store in a cool, dry place away from extreme temperatures and direct sunlight.

Water Resistance

The BTW20 earbuds are IPX5 sweat resistant, making them suitable for workouts and light rain. However, they are not waterproof. Do not submerge them in water or expose them to heavy rain.

TROUBLESHOOTING

If you encounter any issues with your Blaupunkt BTW20 earbuds, please refer to the following common solutions:

Earbuds Not Charging

- Ensure the charging case is charged. Check the LED display for battery level.
- Verify that the earbuds are correctly seated in the charging case and the charging contacts are clean.
- Try cleaning the charging contacts on both the earbuds and the case with a dry cotton swab.
- Ensure the charging cable is securely connected to both the case and the power source.

Earbuds Not Pairing/Connecting

- Make sure Bluetooth is enabled on your device.
- Ensure the earbuds are out of the charging case and in pairing mode (indicator lights flashing).
- Forget "Blaupunkt BTW20" from your device's Bluetooth settings and try pairing again.
- Restart your device and the earbuds (by placing them back in the case and taking them out).
- Ensure the earbuds are sufficiently charged.

Low Sound Quality or No Sound

- Check the volume level on both your device and the earbuds.
- Ensure the earbuds are properly seated in your ears and you are using the correct size ear cushions.
- Clean any debris from the earbud speaker grilles.
- Move closer to your connected device to avoid interference.
