SETUP AND ASSEMBLY

The HSH L Shaped Desk is designed for flexible assembly, offering six different configurations to best fit your space. All necessary tools and hardware are included. For optimal assembly, two people are recommended.

Assembly Steps Overview:

1. **Unpack and Identify Parts:** Carefully unpack all components and verify against the parts list in the included instruction booklet. Each part is clearly numbered for easy identification.
2. **Assemble Drawer Components:** Follow the step-by-step diagrams to construct the three drawers. Ensure drawer slides are correctly installed and facing inwards as indicated.
3. **Construct Desk Sections:** Assemble the main desk panels and the storage cabinet sections according to your desired configuration (L-shape, extended, or overlapped).
4. **Secure Connections:** Use the provided screws, dowels, and cam locks to securely fasten all panels. The metal brackets provide additional stability.

5. **Final Placement:** Once assembled, carefully position the desk in your desired location.

Configuration Options:

The desk offers six distinct installation methods. Refer to the detailed diagrams in your physical instruction manual to choose the best layout for your needs, whether you prefer the drawers on the left or right, or an extended desktop for more surface area.

MAINTENANCE

To ensure the longevity and appearance of your HSH L Shaped Desk, follow these simple maintenance guidelines:

- **Cleaning:** Wipe the desk surfaces with a dry, soft cloth. Avoid abrasive cleaners or harsh chemicals that could damage the finish.
- **Spills:** Immediately wipe up any spills to prevent staining or damage to the wood finish.
- **Weight Distribution:** Distribute weight evenly across the desktop and shelves. Do not exceed the maximum weight recommendation of 350 pounds.
- **Avoid Direct Sunlight:** Prolonged exposure to direct sunlight can cause fading or discoloration.
- **Regular Checks:** Periodically check all screws and connections to ensure they remain tight. Tighten if

necessary.

TROUBLESHOOTING

If you encounter any issues with your HSH L Shaped Desk, please refer to the following common solutions:

- **Wobbly Desk:** Ensure all cam locks and screws are fully tightened. Verify that the metal brackets are securely installed. Uneven flooring can also cause wobbling; consider using furniture pads or shims.
- **Drawers Not Sliding Smoothly:** Check that the drawer slides are correctly aligned and free from obstructions. Ensure all screws securing the slides are tight.
- **Missing Parts:** If any parts are missing upon unboxing, please contact customer support immediately with your product model number and a description of the missing components.
- **Assembly Difficulty:** Review the instruction manual carefully, paying close attention to diagrams. If possible, enlist the help of a second person.
