HOMCOM 4-Panel Folding Room Divider (Model 830-627V00WT) - Instruction Manual

PRODUCT OVERVIEW

This HOMCOM 4-panel room divider provides instant privacy and flexible space division. Its woodgrain whitewashed design adds a rustic aesthetic, suitable for various indoor settings like living rooms, bedrooms, or home offices. The freestanding design allows for easy placement and repositioning.

Key Features

- **Room Division & Privacy:** This four-panel room partition adds instant privacy wherever needed, ideal for dividing large rooms or creating smaller, private spaces.
- **Natural Aesthetic:** Features a wood-grain whitewashed surface, bringing a rustic charm to your living room, bedroom, or home office.
- **Durable Construction:** Constructed of MDF with nine connecting metal hinges for stability and longevity.
- **Space-Saving Design:** Easy folding design allows for compact storage in a corner when not in use.
- **Pre-assembled:** Overall Dimensions: 63.25" W x 67" H x 0.75" D. No assembly required.

SETUP & OPERATION

The HOMCOM 4-Panel Room Divider arrives fully assembled. To set up, simply unfold the panels to create your desired privacy barrier or room separation. Ensure the divider is placed on a flat, stable surface to prevent tipping. To adjust or store, gently fold the panels along the hinges. The design allows for compact storage and easy repositioning.

TROUBLESHOOTING

- **Unstable Divider:** If the room divider appears unstable, ensure all panels are fully extended and positioned on a level surface.
- **Stiff Hinges:** If panels become stiff when folding or unfolding, gently work the hinges to loosen them. Avoid forcing the panels.
- **Surface Damage:** For minor scuffs or marks on the whitewashed surface, a dry cloth may be used. For deeper damage, consult a professional or contact customer support.
