Naomi Home 21002W

Naomi Home Amy 5-Drawer Cabinet with Shelf and Lockable Wheels - Instruction Manual

Model: 21002W

1. INTRODUCTION

Thank you for choosing the Naomi Home Amy 5-Drawer Cabinet with Shelf. This versatile storage solution is designed to enhance your workspace or living area with its functional design and mobile capabilities. Featuring five smooth-gliding drawers and a cabinet with an adjustable shelf, it provides ample space for organizing various items. The integrated lockable wheels ensure easy repositioning and secure placement.

Key features include:

- **Mobile & Flexible Storage:** Lockable 360° swivel casters allow easy movement and secure placement.
- **Customizable Organization:** Five drawers and an adjustable shelf provide tailored storage.
- **Sturdy & Sleek Design:** Crafted from engineered wood with a modern gray finish for durability and aesthetic appeal.
- **Smooth & Ergonomic Operation:** Recessed handles and smooth drawer slides offer effortless access.
- **Compact Versatility:** Space-saving design (15.7"D x 30.7"W x 26.38"H) ideal for various rooms.

2. SAFETY INFORMATION

WARNING: Failure to follow these instructions may result in injury or property damage.

- Read all instructions carefully before assembly and use.
- Keep all small parts and packaging materials away from children and pets to prevent choking hazards.
- Assemble the unit on a soft, clean surface to prevent scratches.
- Ensure all screws and fasteners are securely tightened before use. Periodically check and retighten as necessary.
- Do not overload drawers or shelves. Distribute weight evenly.
- Always lock the wheels when the cabinet is in a stationary position to prevent unintended movement.
- Do not stand or climb on the cabinet.
- If any parts are missing or damaged, do not attempt to assemble the product. Contact customer support immediately.

3. PACKAGE CONTENTS

Please verify that all components are present before beginning assembly. If any parts are missing or damaged, please contact customer support.

Item	Quantity	Description
Cabinet Frame Panels	Various	Top, bottom, side, and back panels for the main cabinet structure.
Drawers	5	Complete drawer units with recessed handles.
Cabinet Door	1	Door for the shelved compartment.
Adjustable Shelf	1	Internal shelf for the cabinet compartment.
Lockable Swivel Casters	4	Wheels for mobility, with locking mechanism.
Hardware Pack	1	Screws, dowels, drawer slides, hinges, shelf pins, etc.

KEY ELEMENT

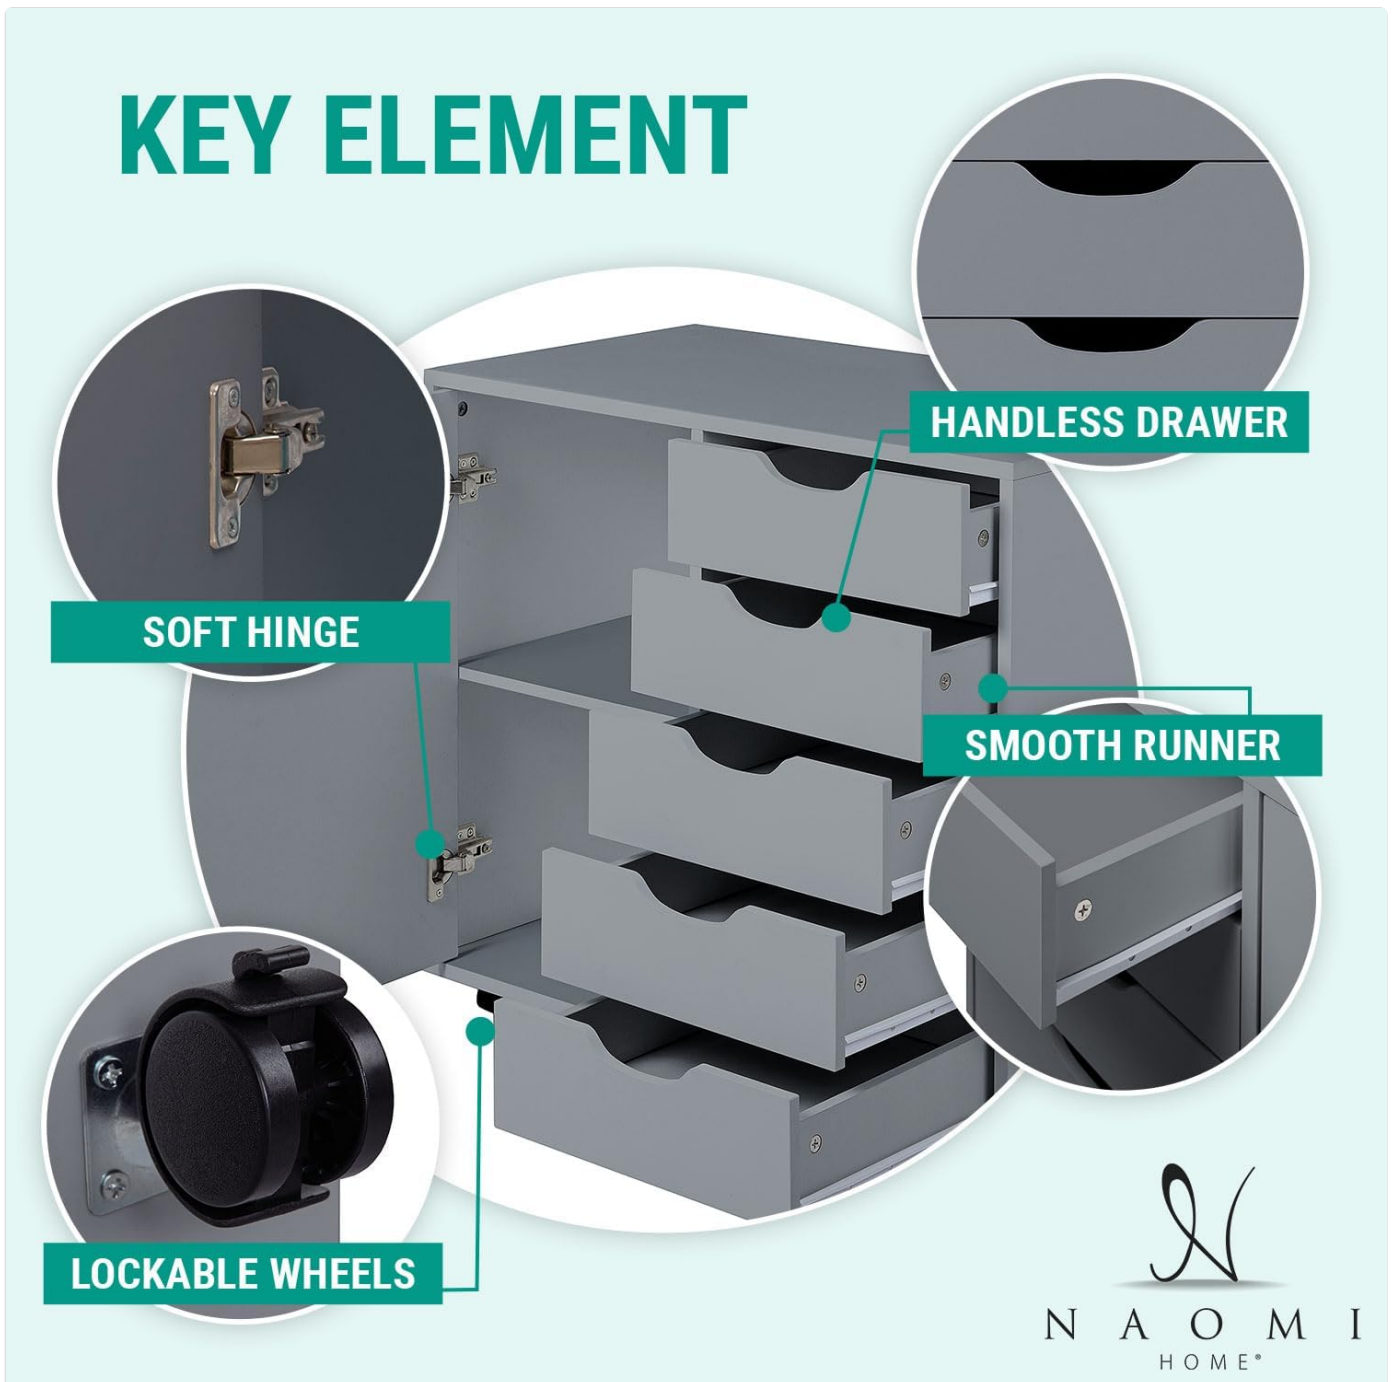

Image: Key elements of the cabinet, including soft hinges, handless drawers, smooth runners, and lockable wheels.

4. SETUP AND ASSEMBLY INSTRUCTIONS

Assembly is required. Please follow these steps carefully. It is recommended to have two people for assembly.

1. **Prepare Workspace:** Clear a spacious area and lay out all components on a soft, clean surface to prevent damage.
2. **Attach Casters:** Secure the four lockable swivel casters to the bottom panel of the cabinet using the provided screws. Ensure they are firmly attached.
3. **Assemble Cabinet Frame:** Connect the side panels to the bottom panel, then attach the back panel and top panel using the appropriate hardware (dowels, screws, cam locks). Ensure all connections are tight and the frame is square.
4. **Install Drawer Slides:** Attach the drawer slides to the interior side panels of the cabinet and to the sides of each drawer, following the pre-drilled holes. Ensure they are aligned correctly for smooth operation.
5. **Assemble Drawers:** Construct the five drawers by connecting the front, back, and side panels, then slide the

bottom panel into place. Secure with screws.

6. **Insert Drawers:** Carefully slide each assembled drawer onto its respective slides within the cabinet frame.
7. **Install Cabinet Shelf:** Insert the shelf pins into the desired height holes within the cabinet compartment. Place the adjustable shelf onto the pins.
8. **Attach Cabinet Door:** Secure the hinges to the cabinet door and the side panel of the cabinet compartment. Attach the door, ensuring it opens and closes smoothly. Adjust hinges if necessary for proper alignment.

5. OPERATING INSTRUCTIONS

- **Using Drawers:** The five drawers feature recessed handles for a sleek look. To open, simply pull the top edge of the drawer front. To close, push gently until fully seated. The smooth runners ensure effortless operation.
- **Using Cabinet with Shelf:** The cabinet door opens to reveal an adjustable shelf. To open, pull the top edge of the door. The shelf can be repositioned by removing the shelf pins and reinserting them into different pre-drilled holes.
- **Moving the Cabinet:** To move the cabinet, unlock all four casters by flipping their locking levers upwards. Gently push the cabinet to its desired location.
- **Securing the Cabinet:** Once the cabinet is in its desired position, lock all four casters by flipping their locking levers downwards. This will prevent unintended movement and ensure stability.

SMOOTH OPENING

6. MAINTENANCE AND CARE

- **Cleaning:** Wipe the cabinet surfaces with a soft, damp cloth. Avoid using harsh chemicals, abrasive cleaners, or polishes that may damage the finish.
- **Spills:** Immediately wipe up any spills to prevent staining or damage to the engineered wood.
- **Hardware Check:** Periodically check all screws, bolts, and fasteners to ensure they remain tight. Retighten as needed to maintain stability and safety.
- **Drawer Slides:** If drawer slides become stiff, a small amount of silicone-based lubricant can be applied to the runners.
- **Casters:** Keep casters free of debris (hair, dust) to ensure smooth rolling.

7. TROUBLESHOOTING

Problem	Possible Cause	Solution
Drawers do not slide smoothly or get stuck.	Misaligned drawer slides, loose screws, debris in runners, overloaded drawer.	Check alignment of drawer slides and tighten all screws. Clean runners of any debris. Reduce weight in the drawer.
Cabinet is wobbly or unstable.	Loose assembly screws, uneven floor, casters not locked.	Ensure all assembly screws are tightened. Move to a level surface. Lock all casters.
Castors do not roll or lock properly.	Debris in caster mechanism, faulty caster, locking lever not fully engaged/disengaged.	Clean casters of any obstructions. Ensure locking levers are fully engaged or disengaged. If faulty, contact support for replacement.
Cabinet door does not close flush.	Misaligned hinges, loose hinge screws.	Adjust the hinges using a screwdriver until the door is properly aligned and closes flush. Tighten hinge screws.

8. SPECIFICATIONS

Brand: Naomi Home

Model: 21002W

Product Dimensions: 15.7"D x 30.7"W x 26.38"H

Color: Grey
