5. STORAGE INSTRUCTIONS

To maintain the freshness and crispness of your Britannia 50 50 crackers, follow these storage guidelines:

- Store in a cool, dry place away from direct sunlight and strong odors.
- Once opened, transfer the crackers to an airtight container to prevent them from becoming stale.
- Ensure the packaging is sealed properly if not transferring to another container.

6. IMPORTANT INFORMATION

Statements regarding dietary supplements have not been evaluated by the FDA and are not intended to diagnose, treat, cure, or prevent any disease or health condition.

This product is 100% Vegetarian. All products are carefully packaged under hygienic conditions according to international quality standards.

7. TROUBLESHOOTING

As a food product, troubleshooting is generally limited. However, common concerns may include:

- **Broken Crackers:** Due to the delicate nature of crackers and transit, some breakage may occur. This does not affect the quality or taste of the product.
- **Stale Crackers:** If crackers become stale, it is usually due to improper storage. Ensure they are kept in an airtight container in a cool, dry place after opening.
- **Flavor Variation:** Slight variations in flavor or texture can occur between batches, which is normal for food products.

If you experience significant issues with product quality, please refer to the contact information provided on the packaging for customer support.
