HOMCOM Wardrobe with 2 Doors, 4 Compartments, 2 Drawers, and Hanging Rail (Model: IT831-331V00ND0631)

Brand: HOMCOM

Safety Information	Product Overview	Components List	Assembly Instructions	Operation
Care and Maintenance	Troubleshooting	Product Specifications	Warranty and Support	

1. SAFETY INFORMATION

Attention: This product requires assembly. Please follow the provided assembly instructions carefully to ensure a safe installation.

This wardrobe includes an anti-tip device. It is crucial to install this device to prevent accidental tipping, especially in households with children or pets. Secure the wardrobe to a wall according to the assembly instructions.

DISPOSITIVO ANTIRIBALTAMENTO

Garantisce stabilità e un uso in sicurezza

2. PRODUCT OVERVIEW

The HOMCOM 2-door wardrobe offers a practical and elegant storage solution for your bedroom. It features a modern design with a wood grain surface and white doors, complemented by pine wood legs. This unit is designed to help organize your clothing and accessories efficiently.

- **Elegant Design:** Modern style suitable for various bedroom decors.
- **Ample Storage:** Two large compartments with a 41cm hanging rail and two smaller compartments for items like pillows and blankets.
- **Two Drawers:** Two convenient drawers (internal dimensions: 37.9L x 33.7W x 13.1H cm) for storing sweaters, t-shirts, socks, and other accessories.
- **Durable Construction:** Made from particle board with a wood grain surface, resistant to water, and easy to clean. Raised design with pine wood legs helps protect contents from floor dust and humidity.

3. COMPONENTS LIST

Before assembly, carefully unpack all components and verify that each part is present and undamaged. Refer to the included assembly manual for a detailed list of components and hardware. Below is a general list of main parts:

- Wardrobe panels (side, top, bottom, back)
- 2 Doors
- 2 Drawers
- Hanging rail
- Pine wood legs
- Metal handles
- Metal hinges

- Anti-tip device
- Assembly hardware (screws, dowels, cam locks, etc.)

4. ASSEMBLY INSTRUCTIONS

Assembly of this wardrobe requires careful attention to the provided instructions. It is recommended to have two people for assembly due to the weight and size of the components. Lay out all parts on a clean, soft surface to prevent scratches.

General Assembly Steps:

1. **Unpack and Identify:** Carefully unpack all components and lay them out. Identify each part using the labels and the assembly diagram provided in the separate manual.
2. **Assemble the Frame:** Begin by assembling the main frame of the wardrobe, connecting the side panels to the top and bottom panels using the specified hardware.
3. **Install Internal Structures:** Insert the shelves and the hanging rail according to the diagram. Ensure they are securely fastened.
4. **Assemble Drawers:** Construct the two drawers, attaching the slides to the drawer boxes and the wardrobe frame.
5. **Attach Doors:** Mount the doors using the metal hinges. Adjust the hinges as needed to ensure proper alignment and smooth opening/closing.
6. **Install Legs and Handles:** Attach the pine wood legs to the base of the wardrobe and secure the metal handles to the doors and drawers.
7. **Secure Anti-Tip Device:** This is a critical safety step. Attach the anti-tip device to the top rear of the wardrobe and secure it firmly to a wall stud or appropriate wall anchor.

For detailed, step-by-step visual instructions, please refer to the separate assembly manual included with your product.

5. OPERATION

The HOMCOM wardrobe is designed for organized storage of clothing and accessories. Its various compartments and features allow for versatile use.

Using the Hanging Rail

Utilize the internal hanging rail for garments that require hanging, such as shirts, jackets, and dresses. The rail is 41cm long and has a weight capacity of 5kg.

Utilizing Compartments

The upper and lower compartments are ideal for folded clothes, linens, or storage boxes. The two smaller upper compartments are suitable for items like pillows or blankets. Each compartment has a weight capacity of 5kg.

Using the Drawers

The two bottom drawers provide enclosed storage for smaller items, undergarments, socks, or accessories. Each drawer has an internal dimension of 37.9L x 33.7W x 13.1H cm and a weight capacity of 5kg.

Image 5.3: The interior of a drawer, showing how it can be used with organizers for smaller items like belts and socks.

6. CARE AND MAINTENANCE

To ensure the longevity and appearance of your HOMCOM wardrobe, follow these care guidelines:

- **Cleaning:** Wipe surfaces with a soft, damp cloth. Avoid abrasive cleaners or harsh chemicals, which can damage the finish.
- **Spills:** Immediately wipe up any spills to prevent moisture damage.
- **Dusting:** Regularly dust with a dry, soft cloth.
- **Stability Check:** Periodically check all screws and fasteners to ensure they remain tight. Re-tighten if necessary.
- **Avoid Overloading:** Do not exceed the maximum weight capacities for the hanging rail (5kg), compartments (5kg each), or drawers (5kg each) to prevent damage. The total weight capacity is 50kg.
- **Sunlight Exposure:** Avoid prolonged exposure to direct sunlight to prevent fading or discoloration of the wood grain finish.

7. TROUBLESHOOTING

This section addresses common issues you might encounter with your wardrobe.

Doors or Drawers Do Not Close Properly

- Check if the wardrobe is level. Adjust the legs if necessary to ensure it sits evenly on the floor.
- Inspect hinges and drawer slides for obstructions or loose screws. Tighten or clear as needed.
- Ensure the wardrobe is not overloaded or unevenly loaded, which can cause warping or misalignment.

Wardrobe Feels Unstable

- Verify that all assembly hardware is securely tightened.
- Confirm the anti-tip device is correctly installed and anchored to the wall. This is crucial for stability.
- Ensure the wardrobe is placed on a flat, stable surface.

Scratches or Minor Damage

- For minor scratches, a furniture repair pen or wax stick matching the wood tone may be used.
