## KEY FEATURES

---

- **5-in-1 Versatility:** Includes shaver, hair trimmer, nose trimmer, facial cleaning brush, and silicone massage brush.
- **7-Head Rotary Shaving:** Provides a smooth and efficient shave.
- **Waterproof Design:** Allows for convenient wet and dry use, including in the shower.
- **Smart LED Display:** Shows battery percentage and charging status.
- **Rechargeable Battery:** Offers approximately 50 minutes of cordless operation on a full charge.
- **Automatic Sharpening Blades:** Ensures long-lasting sharpness and performance.

## SETUP

---

### Charging the Device

1. Ensure the device is turned off before charging.
2. Connect the USB charging cable to the charging base.
3. Plug the other end of the USB cable into a suitable USB power adapter (not included) or a USB port.
4. Place the shaver body onto the charging base. The LED display will indicate the charging status and battery percentage.
5. A full charge typically takes approximately 2 hours and provides about 50 minutes of operating time.
6. Do not charge the device in wet conditions or near water. Ensure the charging port is dry before connecting the cable.

## OPERATION

---

### Attaching and Detaching Heads

To change attachments, hold the main body firmly and gently twist the current head counter-clockwise to unlock and remove it. Align the desired attachment with the main body and twist clockwise until it clicks into place securely.

## Using the Attachments

- **Rotary Shaver Head:** For a close shave on the face and head. Move the shaver in small, circular motions against the direction of hair growth. Can be used wet or dry.
- **Hair Trimmer Head:** For trimming longer hair, shaping beards, or detailing. Attach the desired limiting comb (3mm, 6mm, 9mm, or 12mm) for specific hair lengths. Move the trimmer against the direction of hair growth.
- **Nose Trimmer Head:** For safely trimming nose and ear hair. Insert the trimmer tip gently into the nostril or ear canal and move it slowly.
- **Facial Cleaning Brush:** For deep cleansing of the face. Apply your preferred facial cleanser to your face or the brush head, then gently move the brush in circular motions across your face.
- **Silicone Massage Brush:** For gentle facial massage and exfoliation. Use with or without cleanser, moving in circular motions to stimulate skin.

## MAINTENANCE AND CLEANING

---

Regular cleaning ensures optimal performance and extends the lifespan of your grooming kit.

### General Cleaning

1. After each use, turn off the device.
2. Detach the used head from the main body.
3. Rinse the head under running water to remove hair and debris. For the shaver head, you may need to open it for thorough cleaning.
4. Use the small cleaning brush to remove stubborn hair from the blades or internal components.
5. Ensure no water enters the charging port on the main body.
6. Allow all parts to air dry completely before reattaching or storing.

### Shaver Head Opening Steps

For a more thorough cleaning of the rotary shaver head:

1. Gently pry open each of the seven individual rotary blade covers.
2. Once all covers are open, the entire top section of the shaver head can be removed by twisting it off the main body.
3. Rinse the individual blades and the shaver head under running water.
4. Allow all parts to dry completely before reassembling.

## Remove the head

Image: A step-by-step visual guide demonstrating how to open the rotary shaver head for detailed cleaning and how to remove the entire head from the main unit.

## TROUBLESHOOTING

- **Device not turning on:** Ensure the battery is charged. Connect to the charger and check the LED display.
- **Reduced performance:** Clean the shaver head and blades thoroughly. Ensure no hair or debris is obstructing the moving parts.

- **Charging issues:** Verify the USB cable and charging base are correctly connected. Ensure the power adapter is functional.
- **Irritation after shaving:** Ensure blades are clean and sharp. Shave on clean skin. Consider using a pre-shave oil or post-shave balm.

## SPECIFICATIONS

---

<b>Brand</b>	VGR
<b>Model Name</b>	V-315
<b>Power Source</b>	Battery Powered
