## 1. INTRODUCTION

The LEGO Creator 3-in-1 Cozy House (31139) set offers builders aged 8 and up the opportunity to construct three distinct house models from a single set of bricks. This versatile building toy encourages creativity and imaginative play, allowing for multiple building and storytelling experiences. The set includes 808 pieces and three LEGO minifigures.

## 2. SETUP AND ASSEMBLY

Before beginning assembly, ensure all LEGO elements are present. Sort pieces by color and size to facilitate the building process. Detailed step-by-step instructions are provided in the included building guides for each of the three models. For an enhanced building experience, the LEGO Builder app offers 3D digital instructions, allowing users to zoom, rotate, and track their progress.

### 2.1 Building the Family House

The primary model is a family house featuring four rooms: a kitchen, living room, master bedroom, and a child's bedroom. It also includes a garden terrace. This model is designed to open in the middle, providing access to the interior for play.

## 2.2 Utilizing the LEGO Builder App

The LEGO Builder app is a digital tool that complements the physical building experience. It provides interactive 3D instructions, allowing you to view models from all angles, zoom in on specific steps, and save your progress. This can be particularly helpful for complex sections or when switching between different model builds.

## 3. OPERATING AND PLAY FEATURES

The LEGO Creator 3-in-1 Cozy House set offers dynamic play possibilities with its three distinct building options and included minifigures. Each model provides unique settings for imaginative storytelling.

### 3.1 The Family House

The family house model features a detailed interior with a kitchen, living room, master bedroom, and a child's bedroom. The house can be opened in the middle to allow easy access to all rooms. The exterior includes a garden terrace, perfect for outdoor play scenarios with the three minifigures (two adults and one child).

### 3.2 The Canal House

Rebuild the set into a three-story canal house. This model includes an attic office, an art gallery, and a café. The top floor can be removed and reattached to the back, offering flexible play configurations. This house also features a dog minifigure and two toy boats for canal-side adventures.

### 3.3 The Lake House

Alternatively, construct a holiday lake house on the water. This model includes a fire pit and a boat, ideal for lakeside relaxation and outdoor activities. Like the family house, the lake house can be opened in the middle for interior access.

## All 3 models are packed with cool accessories

## 4. MAINTENANCE

To ensure the longevity and cleanliness of your LEGO Creator 3-in-1 Cozy House set, follow these simple maintenance guidelines:

- **Cleaning:** Use a soft brush or a damp cloth with mild soap and water to clean LEGO bricks. Avoid harsh chemicals or abrasive materials.
- **Drying:** Allow cleaned bricks to air dry completely before reassembling or storing them.
- **Storage:** Store LEGO bricks in a clean, dry place away from direct sunlight and extreme temperatures to prevent discoloration or damage.
- **Handling:** Handle minifigures and delicate accessories with care to prevent breakage.

## 5. TROUBLESHOOTING

If you encounter any issues during the building process or with the set, consider the following common solutions:

- **Missing Pieces:** Double-check all packaging and sorting trays. If a piece is genuinely missing, contact LEGO Customer Service for replacement parts.
- **Difficulty with Assembly:** Refer to the step-by-step instructions carefully. Utilize the 3D digital instructions in the LEGO Builder app for alternative views and guidance. Ensure all pieces are correctly oriented and firmly pressed together.
- **Loose Connections:** Some connections may require a firm press to ensure stability. If pieces repeatedly come apart, verify that the correct pieces are being used as per the instructions.
