

HomJoones 1

HomJoones Metal Twin Over Twin Bunk Bed Instruction Manual

Model: 1

1. IMPORTANT SAFETY WARNINGS

Please read and understand all instructions before assembling and using this bunk bed. Failure to follow these warnings can result in serious injury.

- **Weight Capacity:** Do not exceed the maximum weight capacity. The top bunk supports up to 250 pounds. The bottom bunk supports up to 350 pounds.
- **Age Restriction:** The top bunk is not suitable for children under 6 years of age.
- **Guard Rails:** Always use the provided full-length guard rails on the top bunk to prevent falls. Ensure they are securely installed.
- **Ladder Safety:** Use the ladder for entering and exiting the top bunk. Ensure the ladder is properly attached and stable before use.
- **Assembly:** Assemble the bed strictly according to the instructions. Ensure all parts are correctly aligned and all fasteners are tightened. Periodically check and re-tighten all fasteners.
- **Mattress Requirements:** Use only mattresses that comply with the recommended dimensions and thickness to ensure proper guard rail height.
- **Ventilation:** Ensure adequate ventilation around the bed.
- **No Horseplay:** Prohibit horseplay on or under the bed.
- **Wall Anchoring:** Secure the bunk bed to a wall using the provided anti-tip hardware to prevent accidental tipping.

2. PRODUCT OVERVIEW

The HomJoones Metal Twin Over Twin Bunk Bed is designed for durability and space-saving functionality. It

features a sturdy metal frame and can be configured as a bunk bed or two separate twin beds. The bed includes two integrated side ladders for easy access to the top bunk and full-length safety rails.

Key Features:

- **Modern Design:** Sleek metal frame with a white finish that complements various room decors.
- **Heavy-Duty Construction:** Constructed from thickened carbon steel for stability and long-term use.
- **Space-Saving:** Ideal for small rooms, apartments, or shared bedrooms.
- **Convertible Design:** Can be assembled as a twin-over-twin bunk bed or two independent twin beds.
- **Integrated Ladders:** Two built-in side ladders for safe and convenient access to the upper bunk.
- **Safety Rails:** Full-length safety rails on the top bunk for enhanced security.
- **No Box Spring Needed:** Metal slats provide ample support for mattresses without the need for a box spring.
- **Anti-Side Tilting:** Hardware included to secure the bed against a wall, preventing side tipping.

Product Dimensions:

- **Overall:** 75.98"L x 40.55"W x 61.73"H
- **Ground to Item Distance:** 10.83 Inches
- **Item Weight:** 70.4 pounds

Materials:

- **Frame:** Metal (Carbon Steel)
- **Finish:** White

3. SETUP AND ASSEMBLY

This bunk bed is designed for easy assembly. All necessary hardware and tools are included. Follow the detailed instructions provided in the packaging. For visual guidance, please refer to the assembly videos below.

Assembly Options:

The HomJoones Metal Bunk Bed offers two assembly configurations:

1. **Twin Over Twin Bunk Bed:** Assemble both beds vertically to create a space-saving bunk bed.
2. **Two Separate Twin Beds:** The bunk bed can be split into two individual twin beds for greater flexibility in room layout.

Video 3: Overview of the Twin Over Twin Metal Bunk Bed

assembly, highlighting key steps and features.

Assembly Tips:

- Lay out all parts and hardware before beginning assembly.
- Do not fully tighten screws until all parts are loosely assembled.
- Ensure the bed is placed on a level surface during assembly.
- For the anti-side tilting feature, ensure the bed is positioned against a sturdy wall.

4. OPERATING INSTRUCTIONS

Once assembled, the HomJoones Metal Bunk Bed is ready for use. Follow these guidelines for optimal performance and safety:

- **Mattress Placement:** Place twin-sized mattresses directly onto the metal slats. No box spring is required.
- **Ladder Use:** Always use the integrated side ladders to access the top bunk. Do not jump onto or off the top bunk.
- **Weight Distribution:** Distribute weight evenly on both bunks. Avoid concentrating heavy loads in one area.
- **Clearance:** Ensure there is adequate head clearance for the bottom bunk user and sufficient space around the bed for safe movement.

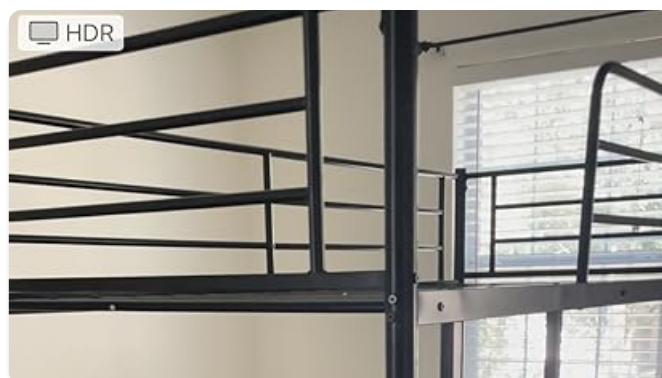

Image: The HomJoones bunk bed featuring a removable ladder. The ladder can be reattached to either side, allowing adjustment according to room design.

5. MAINTENANCE

Regular maintenance will help prolong the life and ensure the safety of your HomJoones Metal Bunk Bed.

- **Cleaning:** Wipe the metal frame with a soft, damp cloth. Avoid using harsh chemicals or abrasive cleaners that could damage the finish.
- **Fastener Check:** Periodically (e.g., monthly) inspect all bolts, screws, and connections. Re-tighten any loose fasteners to maintain stability.
- **Structural Integrity:** Check the metal slats and frame for any signs of damage, bends, or cracks. If any damage is found, discontinue use and contact customer support.
- **Rust Prevention:** The bed frame is designed to be waterproof and rust-resistant. However, avoid prolonged exposure to moisture to prevent potential corrosion.

6. TROUBLESHOOTING

If you encounter any issues with your HomJoones Metal Bunk Bed, refer to the following common troubleshooting tips:

- **Wobbling/Instability:** Ensure all bolts and screws are securely tightened. Verify that the bed is on a level surface. If using the anti-tip hardware, confirm it is properly installed and anchored to the wall.
- **Squeaking Noises:** Check all connection points and tighten any loose fasteners. Applying a small amount of lubricant (e.g., silicone spray) to metal-on-metal contact points can help reduce noise.
- **Difficulty Assembling:** Review the instruction manual and assembly videos carefully. Ensure all parts are correctly identified and oriented. Do not force parts together.
- **Missing Parts:** If any parts are missing or damaged upon arrival, contact HomJoones customer support immediately for assistance.

7. SPECIFICATIONS

Attribute	Detail
Brand	HomJoones
Model Number	1
Size	Twin Over Twin
Product Dimensions	75.98"L x 40.55"W x 61.73"H
