

KELUOLY LW1006

KELUOLY Modern Gold Chandelier Lighting (D23.6 Inch, Model LW1006) User Manual

Model: LW1006

1. SAFETY INFORMATION

Please read these instructions carefully before installation and retain them for future reference. Improper installation or use can lead to electrical shock, fire, or personal injury.

- **Electrical Safety:** Always turn off the main power supply at the circuit breaker before beginning any electrical work. Ensure the wiring is performed by a qualified electrician if you are unsure.
- **Voltage:** This fixture is designed for a 110V input voltage. Ensure your electrical system matches this requirement.
- **Bulb Type:** Use only E12 base bulbs with a maximum wattage of 40W per bulb. Do not exceed the recommended wattage.
- **Handling:** The glass components are fragile. Handle them with care to prevent breakage and injury.
- **Mounting:** Ensure the mounting surface can support the weight of the fixture.

2. PRODUCT OVERVIEW

The KELUOLY Modern Gold Chandelier Lighting (Model LW1006) is a 3-tier, 9-light fixture featuring a gold metal frame and hand-made cloud glass shades. It is designed to provide elegant illumination for various indoor spaces.

Image 2.1: KELUOLY Modern Gold Chandelier Lighting, showcasing its overall design.

2.1 Dimensions and Specifications

The chandelier has a diameter of 23.6 inches and a height of 14.5 inches. It includes an extension bar and five freely combinable suspension rods for adjustable height.

Image 2.2: Detailed diagram showing the chandelier's dimensions and bulb specifications (E12 base, Max 40W, 110-250V).

2.2 Key Features

- **Modern Design:** Gold metal frame with 3-tier cloud glass shades.
- **Adjustable Height:** Includes 5 combinable suspension rods (two 7.87-inch, three 11.8-inch) for customizable hanging height.
- **Bulb Compatibility:** Requires 9 x E12 base bulbs, max 40W each (bulbs not included). Compatible with LED, CFL, and incandescent bulbs.
- **Dimmable:** Can be made dimmable with compatible E12 dimmable bulbs and a dimmer switch (not included).
- **Versatile Application:** Suitable for living rooms, bedrooms, dining rooms, kitchens, corridors, entrances, and lobbies.

3. COMPONENTS INCLUDED

Verify that all components are present and undamaged before beginning installation.

- Chandelier Frame (Gold Metal)

- Cloud Glass Shades (Multiple pieces for 3 tiers)
- Mounting Plate
- Suspension Rods (2 x 7.87-inch, 3 x 11.8-inch)
- E12 Lamp Holders (9 units)
- Mounting Hardware (Screws, wire nuts, etc.)
- Instruction Manual

4. SETUP AND INSTALLATION

Professional installation is recommended. Ensure power is OFF at the circuit breaker before installation.

4.1 Installation Steps

1. **Prepare the Fixture:** Assemble the chandelier frame and attach the desired length of suspension rods to achieve the preferred hanging height.

2. **Mounting Plate Installation:** Secure the mounting plate to the ceiling junction box using the provided hardware. Ensure it is firmly attached.
3. **Wiring:** Connect the chandelier's wires to the household electrical wires according to local electrical codes. Typically, connect live to live, neutral to neutral, and ground to ground. Use wire nuts to secure connections.
4. **Attach Fixture to Mounting Plate:** Carefully lift the chandelier and attach it to the mounting plate, securing it with screws.
5. **Install Bulbs:** Screw E12 base bulbs (not included) into each of the 9 lamp holders. Do not exceed 40W per bulb.
6. **Hang Glass Shades:** Carefully hang each cloud glass shade onto the designated hooks on the chandelier frame.
7. **Restore Power:** Once all components are securely in place and connections are checked, restore power at the circuit breaker.

4.2 Height Customization

The chandelier offers flexible height adjustment to suit different ceiling heights and room aesthetics. You can choose between a flush mount (ceiling light installation) or a pendant style (chandelier installation) by adjusting the included

suspension rods.

4.3 Installation Video Guide

For a visual guide on the installation process, please refer to the official installation video below.

Video 4.1: Official installation video for the KELUOLY Cloud Glass Crystal Chandelier. This video demonstrates the assembly and mounting process.

5. OPERATING INSTRUCTIONS

The KELUOLY Chandelier operates like a standard light fixture.

- **Power On/Off:** Use your existing wall switch to turn the chandelier on or off.
- **Dimming Functionality:** If you have installed dimmable E12 bulbs and a compatible dimmer switch, you can adjust the light intensity using the dimmer switch.
- **Light Color:** The light color will depend on the type of E12 bulbs you install. For warm white light, use bulbs specified as such.

6. MAINTENANCE

Regular maintenance ensures the longevity and appearance of your chandelier.

- **Cleaning:** Turn off the power before cleaning. Use a soft, dry cloth to wipe the metal frame. For the glass shades, use a soft, damp cloth with a mild glass cleaner if necessary, then dry immediately. Avoid abrasive cleaners or harsh chemicals.
- **Bulb Replacement:** Ensure power is off before replacing bulbs. Allow old bulbs to cool completely before removal. Screw in new E12 bulbs, ensuring they do not exceed 40W.
- **Inspection:** Periodically check all connections and mounting hardware to ensure they remain secure.

7. TROUBLESHOOTING

If you encounter issues with your chandelier, refer to the following common problems and solutions:

Problem	Possible Cause	Solution
Light does not turn on	No power supply; Loose wiring; Faulty bulb; Faulty switch	Check circuit breaker; Verify wire connections; Replace bulb; Test switch functionality
Lights flicker	Loose bulb; Incorrect bulb type for dimmer; Loose wiring	Tighten bulbs; Ensure dimmable bulbs are used with dimmer; Check wire connections
Humming noise	Incompatible dimmer switch or bulbs	Replace dimmer with a compatible LED dimmer; Use high-quality bulbs
Glass shades fall off	Improperly hung shades	Ensure each glass piece is securely seated on its hook

If problems persist after attempting these solutions, please contact customer support.
