Cloud b LoveLight Buddies Billy Bunny Sound Machine Instruction Manual

Model: CB7703-BB

INTRODUCTION

The Cloud b LoveLight Buddies Billy Bunny Sound Machine is designed to provide a comforting environment for children, aiding in relaxation and sleep. This device combines soothing sounds, gentle light, and a unique parent voice recording feature within a soft plush toy. Please read this manual carefully to ensure proper use and maintenance of your product.

PRODUCT FEATURES

- **Voice Recorder:** Allows parents to record a custom message or lullaby for their child.
- **8 Soothing Sounds & Melodies:** Includes heartbeat, rain, waves, whale song, and 4 calming lullabies.
- **Gentle Light:** Emits a warm, pulsing glow to provide reassurance.
- **Shake & Play Motion Sensor:** Restarts light, lullabies, and recorded messages with a simple shake.
- **30-Minute Auto-Off Timer:** Conserves battery power and creates a quiet environment for deep sleep.
- **Rechargeable:** Sound machine/nightlight unit recharges via USB-C (cable included).

SETUP

1. **Unpack the Product:** Carefully remove the Billy Bunny plush and the sound unit from the packaging.
2. **Charge the Sound Unit:** The sound unit contains a rechargeable Lithium Polymer battery. Connect the included USB-C cable to the unit and a suitable USB power source (e.g., computer, wall adapter).

The indicator light will show charging status. Ensure the unit is fully charged before first use.

3. **Insert Sound Unit into Plush:** Locate the opening on the back of the Billy Bunny plush. Gently insert the sound unit into the designated pouch inside the plush. Ensure the controls on the unit are accessible through the opening or can be easily manipulated from outside the plush.

OPERATING INSTRUCTIONS

Power On/Off

To power on the sound machine, locate the power button on the sound unit and press it. To power off, press the power button again. The unit will automatically turn off after 30 minutes of continuous play.

Sound Selection

The sound unit offers 8 different options: 4 white noises and 4 soothing melodies. Use the dedicated sound selection buttons on the unit to cycle through the available sounds:

- **White Noises:** Heartbeat, Rain, Soft Shush, Brook
- **Melodies:** Fairy Dance, Dolphin Dreams, Classical Lullaby, Bach Lullaby

4 white noises + 4 soothing melodies

Image: A visual representation of the sound unit, detailing its controls and the various sound options available.

Volume Adjustment

Adjust the volume using the volume control buttons on the sound unit. There are typically 'up' and 'down' buttons to increase or decrease the sound level.

Voice Recording Function

The sound unit includes a voice recorder. To record a message:

1. Press and hold the record button (often indicated by a microphone icon).
2. Speak clearly into the microphone on the unit.
3. Release the button to stop recording.
4. Press the play button (often indicated by a play icon) to listen to your recorded message.

Record A Message For Baby

In addition to the 4 melodies and 4 white noises, the LoveLight Buddies™ have a recording function so parents can leave a sweet message or sing their child's favorite lullaby.

Record a message for baby. An innovation for the well-being of little ones... and the whole family.

Image: A parent recording a personalized message into the sound unit, which is then placed inside the Billy Bunny plush for a baby in a crib.

Light Settings

The sound unit features a gentle light that can pulse. Use the light control button to activate or change the light settings. The light is designed to be reassuring and not overly stimulating.

Video: This video demonstrates the various light colors and sound options available on the Cloud b LoveLight Buddies sound unit. It shows the unit cycling through different light hues while playing soothing sounds.

Video: Demonstration of the sound unit's light and sound features.

Shake & Play Motion Sensor

The LoveLight Buddies feature a Shake & Play motion sensor. A gentle shake of the plush toy will reactivate the light, lullabies, or the last played recorded message, providing immediate comfort without needing to press buttons.

Reassuring Light

Toddlers have a strong need to be reassured and to feel the warm presence of their caretakers. The new LoveLight™ were inspired to help fulfill this need with calming lights and a warm glow that gently pulses.

**Eight Calming
Sounds**

**Shake
& Play**

**5 Gentle
Colors**

**Voice
Recorder**

MAINTENANCE

Cleaning the Plush Toy

The sound unit is removable, allowing the Billy Bunny plush to be cleaned separately. Hand wash the plush toy with mild soap and water, then air dry. Do not machine wash or tumble dry, as this may damage the fabric or internal components.

Battery Care

The sound unit's internal Lithium Polymer battery is rechargeable via USB-C. To prolong battery life, avoid fully discharging the unit frequently. Recharge as needed. If the unit will not be used for an extended period, ensure it is fully charged before storage and recharge periodically.

TROUBLESHOOTING

- **No Sound/Light:** Ensure the sound unit is charged. Press the power button firmly.
- **Poor Sound Quality:** Check the volume settings. Ensure the unit is properly seated within the plush.
- **Recording Issues:** Ensure you are pressing and holding the record button while speaking. Speak clearly and close to the microphone.
- **Shake & Play Not Responding:** Ensure the unit is powered on. A firm but gentle shake is usually sufficient to activate the sensor.
- **Charging Issues:** Verify the USB-C cable is securely connected to both the unit and the power source. Try a different USB-C cable or power source.

SPECIFICATIONS

Feature	Detail
Model Number	CB7703-BB
Product Dimensions	3.94 x 1.97 x 0.5 inches
Item Weight	1.23 pounds
Material Type	Polyester
