HABA 306793

HABA Teetering Towers Wooden Blocks Set Instruction Manual

Model: 306793

Introduction

The HABA Teetering Towers Wooden Blocks Set is designed to encourage fine motor skills, spatial reasoning, and creative construction. This manual provides instructions for setting up, operating, and maintaining your wooden block set.

Package Contents

Before beginning, please ensure all components are present:

- 19 Wooden Building Blocks
- 6 Flexible Silicone Wedges
- 10 Double-Sided Template Cards

Figure 1: All components included in the HABA Teetering Towers set.

Setup

The HABA Teetering Towers set requires no assembly. Simply unpack all components from the gift box. It is recommended to inspect all pieces for any damage before play. This product is suitable for children aged 4 years and up.

Operating Instructions

The Teetering Towers set offers various ways to play and build:

1. **Free Building:** Use the wooden blocks and silicone wedges to construct unique, gravity-defying structures. Experiment with different block shapes and sizes to create stable or wobbly towers, bridges, and abstract designs.
2. **Using Template Cards:** Select one of the 10 double-sided template cards. These cards provide design ideas and challenges for building specific structures. Attempt to replicate the designs shown on the cards, or use them as

inspiration for your own creations.

3. **Utilizing Silicone Wedges:** The flexible silicone wedges are key to creating dynamic and unstable structures. Place them between wooden blocks to introduce angles, curves, and points of balance, allowing for more complex and challenging builds.

Figure 2: An example of a completed structure using the blocks and wedges.

Figure 3: Detail of block construction, highlighting the use of silicone wedges for stability and angles.

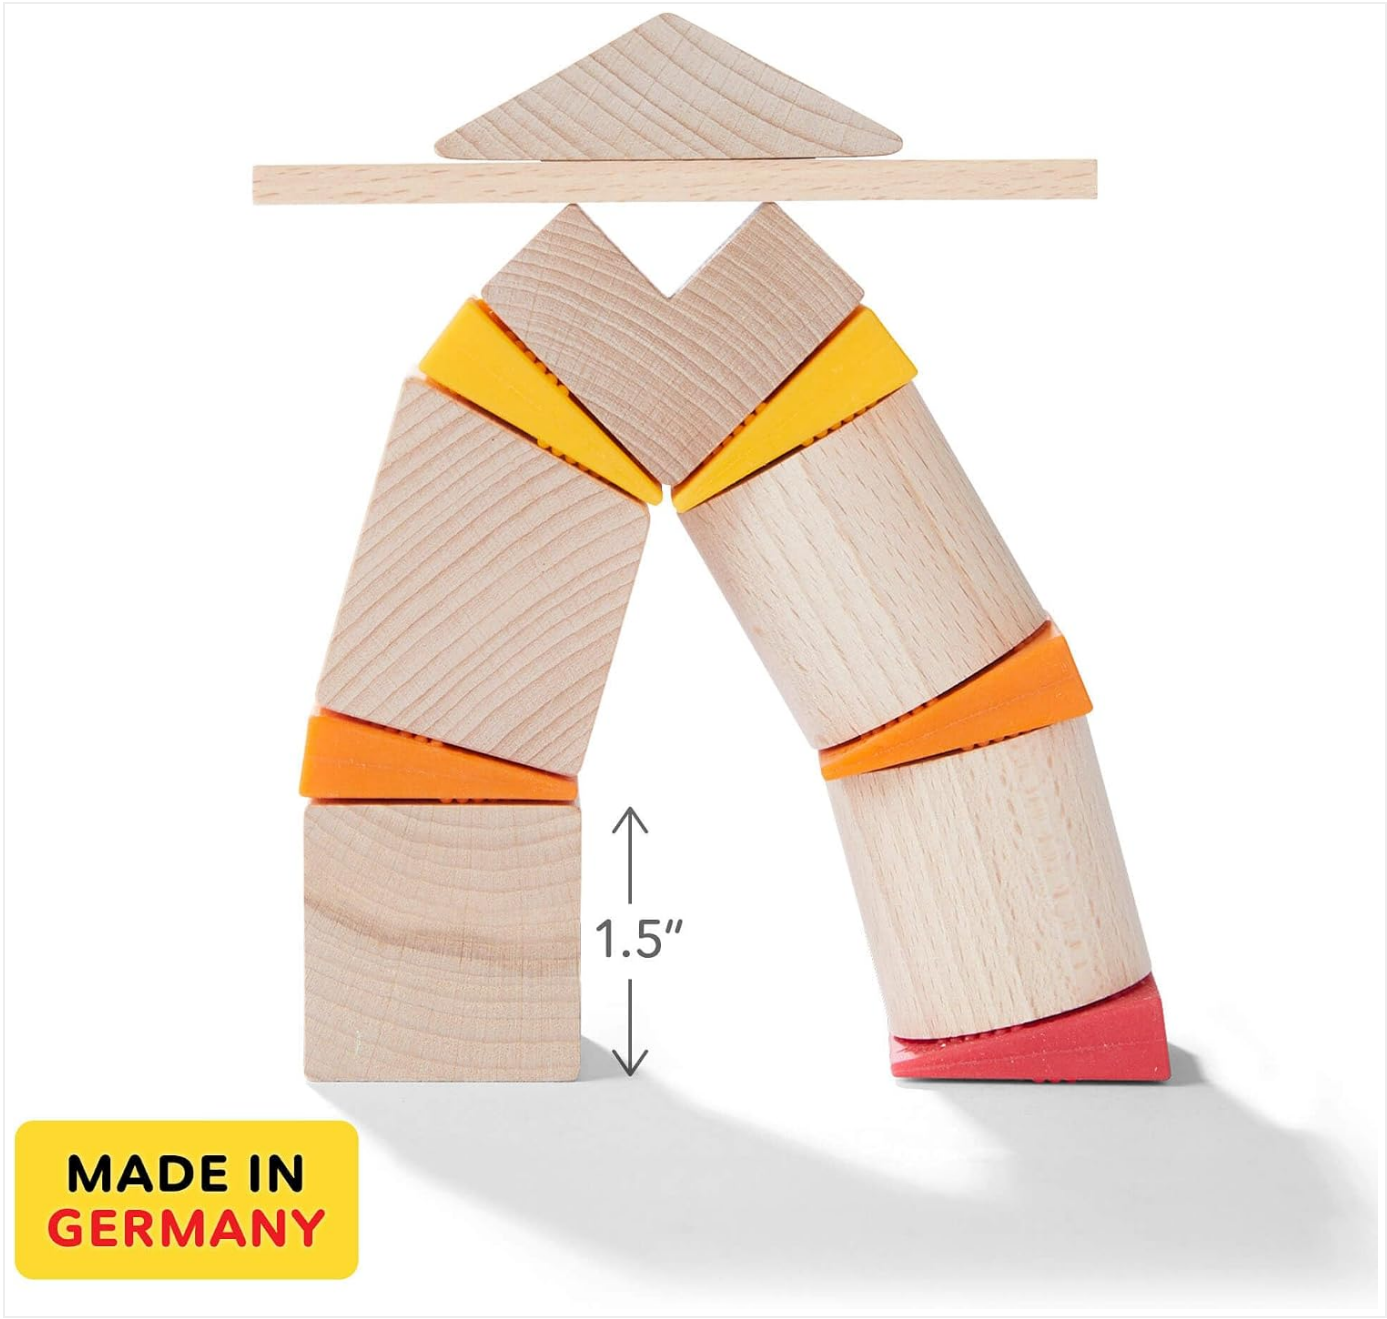

Figure 4: An example of a creative and balanced structure.

Figure 5: Another example of a creative structure built with the set.

Maintenance

To ensure the longevity of your HABA Teetering Towers set:

- **Cleaning:** Wipe wooden blocks with a damp cloth and mild soap if necessary. Dry thoroughly immediately after cleaning. Do not immerse wooden blocks in water. Silicone wedges can be washed with warm soapy water.
- **Storage:** Store all components in a dry place, away from direct sunlight and extreme temperatures, to prevent warping or damage to the wood. Keep all pieces together in the original packaging or a suitable container to avoid loss.

Troubleshooting

- **Structures are unstable:** Ensure silicone wedges are placed securely to provide grip and balance. Experiment with different wedge placements and block combinations. Some designs are intentionally wobbly.
- **Missing components:** If any components are missing upon opening the package, please contact HABA customer support.

Specifications

Brand	HABA
Model Name	Teetering Towers
Model Number	306793
Manufacturer Part Number	1306793001
Age Range	4 years and Up
Material Type	Wood, Silicone
Number of Pieces	19 Blocks, 6 Wedges, 10 Cards (Total 35 pieces)
Item Dimensions (L x W x H)	8.62 x 2.48 x 8.62 inches
Item Weight	1022 Grams
