# PANLOS 553 PCS Ice Cream Truck Building Blocks Instruction Manual

Model: 633047

## 1. INTRODUCTION

This manual provides detailed instructions for assembling and enjoying your PANLOS 553 PCS Ice Cream Truck Building Blocks set. This set allows for the construction of a primary ice cream truck model and can be reconfigured into 25 different models, promoting creativity and STEM learning. Please read all instructions carefully before beginning assembly.

## 2. SAFETY INFORMATION

- **Small Parts Warning:** This product contains small parts and is not suitable for children under 3 years of age due to choking hazards.
- **Adult Supervision:** Adult supervision is recommended during assembly and play, especially for younger children.
- **Material Safety:** The building blocks are made from child-friendly ABS material, which is odorless, BPA-free, and features smooth edges.
- **Proper Use:** Do not throw or misuse the building blocks. Ensure all parts are securely connected to prevent accidental detachment.

## 3. PACKAGE CONTENTS

Before starting, please verify that all components are present in your package:

- 553 Building Blocks (various shapes and colors)
- Instruction Manual (this document)
- Sticker Sheet for decoration
- Brick Separator Tool

## 4. SETUP AND ASSEMBLY

Follow the step-by-step instructions provided in the separate printed instruction booklet included in your package to assemble the main Ice Cream Truck model or any of the 25 alternative models.

### General Assembly Tips:

1. **Organize Parts:** Sort the building blocks by color and shape before starting to make the assembly process smoother.
2. **Follow Instructions:** Refer to the detailed diagrams in the instruction booklet for each step.
3. **Secure Connections:** Ensure each block is firmly pressed into place to create a stable structure.
4. **Use Brick Separator:** If you need to disassemble parts, use the included brick separator tool to avoid damaging the blocks or your fingers.
5. **Apply Stickers:** Use the provided stickers to add decorative details to your models as indicated in the instructions or as desired.

## 5. OPERATING AND PLAY

Once assembled, the PANLOS Ice Cream Truck and its alternative models offer various play opportunities:

- **Ice Cream Truck Features:** The main ice cream truck model includes a serving hatch, and the large ice cream decoration on top can move up and down, enhancing imaginative role-play.
- **Role Play:** Use the truck to simulate serving ice cream cones, popsicles, and drinks.
- **25-in-1 Versatility:** The set can be reconfigured into 12 different small models, each with two distinct forms, totaling 25 unique building possibilities. Examples include a roadster, jet ski, cake coffee maker, and various themed rooms.
- **STEM Learning:** Engage in building and rebuilding to develop motor skills, enhance imagination, and improve hand-eye coordination and logical thinking.

## 6. MAINTENANCE

- **Cleaning:** To clean the building blocks, wipe them with a damp cloth and mild soap if necessary. Rinse thoroughly and air dry. Do not use harsh chemicals or abrasive cleaners.
- **Storage:** Store the blocks in a clean, dry place away from direct sunlight and extreme temperatures to prevent warping or discoloration. Keep them in their original packaging or a dedicated storage container.
- **Inspection:** Periodically inspect all blocks for any signs of wear or damage. Discard any broken or severely damaged pieces to ensure continued safety.

## 7. TROUBLESHOOTING

- **Missing Pieces:** If you find any missing pieces, please contact customer support with details of the missing part and your purchase information.
- **Difficulty Assembling:** If you encounter difficulty assembling a specific section, double-check the instruction booklet for that step. Ensure you are using the correct blocks and applying sufficient pressure. The brick separator can help if blocks are too tight.
- **Loose Connections:** If parts feel loose, ensure they are fully pressed together. Sometimes, a slight twist can help secure the connection.

## 8. SPECIFICATIONS

Feature	Detail
Product Dimensions	15.24 x 10.16 x 10.16 cm
Weight	381 g
Recommended Age	6 - 18 years
Number of Pieces	553
Material Type	Plastic (ABS)
Color	Pink
Educational Objective	STEM
Special Features	Non-Toxic, 25-in-1 Building Options

## 9. WARRANTY AND SUPPORT
