1. PRODUCT OVERVIEW

The Lumineux 2-in-1 Whitening Pen is designed to provide effective teeth whitening and stain protection without causing sensitivity. It utilizes a unique Stain Targeting Technology to address common stains from coffee, tea, red wine, and smoking, while supporting healthy enamel. This pen offers a convenient, on-the-go solution for maintaining a bright smile.

2. SAFETY INFORMATION

- For external use only.
- Avoid contact with eyes.
- If irritation occurs, discontinue use and consult a dentist.
- Keep out of reach of children.
- Do not use if pregnant or nursing without consulting a healthcare professional.
- Do not swallow the gel.
- Temporary white spots may appear after use but should disappear within 24 to 48 hours.
- Not intended for children under 12.
- Not intended for use over 60 minutes.

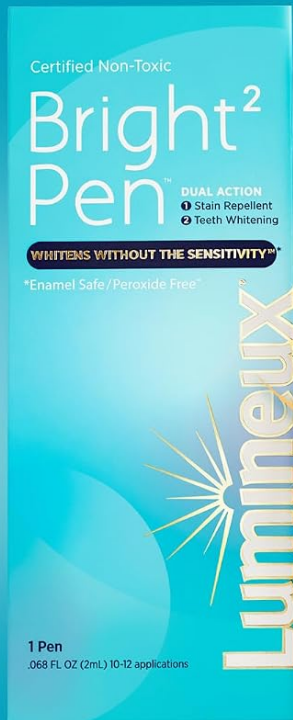

3. SETUP

1. Remove the cap from the whitening pen.
2. Twist the bottom of the pen clockwise until a small amount of gel appears on the brush tip. For first-time use, it may

require several twists.

4. OPERATING INSTRUCTIONS

4.1. As a Whitening Pen

1. Smile wide, keeping your lips away from your teeth.
2. Apply two thin coats of the whitening gel to your teeth using the brush tip.
3. Wait for 30 minutes before eating or drinking to allow the gel to work effectively.
4. For best results, use daily for 14 days in a row.

4.2. As a Stain Repellent

1. Apply two thin coats of the whitening gel to your teeth.
2. Wait 60 seconds.

3. You can now feel free to enjoy your favorite staining food or beverage, as the pen helps protect against new stains.

6. MAINTENANCE

- Store the pen in a cool, dry place to maintain product efficacy.
- Ensure the cap is securely replaced after each use to prevent the gel from drying out.

7. TROUBLESHOOTING

7.1. No Gel Dispensing

If no gel appears after twisting the bottom, continue twisting several times. For first-time use, it may take more twists to prime the pen and allow the gel to flow to the brush tip.

7.2. Tooth Sensitivity

The Lumineux 2-in-1 Whitening Pen is formulated to whiten without sensitivity. If you experience any gum or oral tissue irritation or sensitivity, discontinue use and consult a dentist.
