2. Setup Instructions

Unboxing and Foam Expansion

Upon receiving your Lunix LX15 Play Couch, follow these steps for initial setup:

1. Carefully remove all 14 foam pieces from their packaging. The foam is compressed for shipping and will need time to expand.
2. Lay out all foam pieces in a well-ventilated area. Allow 24 to 48 hours for the foam to fully expand to its intended size and shape. Gentle manipulation or fluffing can help accelerate this process.
3. An initial slight odor from the foam is normal and will dissipate within a few days in a well-ventilated space.
