

TUTOTAK TB01BG039

TUTOTAK TB01BG039 Stackable End Tables User Manual

Model: TB01BG039

INTRODUCTION

This manual provides comprehensive instructions for the assembly, operation, and maintenance of your TUTOTAK TB01BG039 Stackable End Tables. Please read this manual thoroughly before assembly and use to ensure proper function and longevity of your product. This set includes two versatile end tables designed for various uses in your home.

SAFETY INFORMATION

Please observe the following safety guidelines to prevent injury or damage to the product:

- Always ensure all screws and fasteners are securely tightened during and after assembly to prevent shaking or instability.
- When stacking the tables, ensure they are placed on a stable, level surface to avoid tipping.
- Do not exceed the maximum weight recommendation of 50 pounds per table.
- Keep small parts and assembly tools away from children during assembly.

- Avoid placing hot items directly on the table surface without protective coasters.

PACKAGE CONTENTS

Before beginning assembly, verify that all components listed below are present and undamaged. If any parts are missing or damaged, please contact customer service.

Components for One Table (Two sets included)

- Top Shelf (1)
- Bottom Shelf (1)
- Side Panels (2)
- Metal Legs (2)
- Assembly Hardware (Screws, Allen Wrench)

ASSEMBLY INSTRUCTIONS

Assembly typically takes approximately 15 minutes per table. No additional special tools are required beyond what is provided.

1. Step 1: Prepare Components

Unpack all parts and lay them out on a clean, soft surface to prevent scratches. Identify the Top Shelf, Bottom Shelf, Side Panels, and Metal Legs.

2. Step 2: Attach Metal Legs to Bottom Shelf

Align the Metal Legs with the pre-drilled holes on the underside of the Bottom Shelf. Secure them using the provided screws and Allen wrench. Do not fully tighten yet.

3. Step 3: Attach Side Panels

Connect the Side Panels to the Bottom Shelf and the Metal Legs. Ensure the orientation is correct, with the open storage area facing forward. Secure with screws, leaving them slightly loose.

4. Step 4: Attach Top Shelf

Place the Top Shelf onto the assembled structure, aligning it with the Side Panels. Secure with screws.

5. Step 5: Final Tightening

Once all parts are in place, systematically tighten all screws using the Allen wrench until they are firm. Avoid over-tightening. Repeat these steps for the second table.

OPERATING INSTRUCTIONS

Your TUTOTAK TB01BG039 tables offer flexible usage options:

- **Individual Use:** Each table can function independently as a nightstand, side table, or accent table in various rooms such as bedrooms, living rooms, or reception areas.
- **Stackable Design:** The tables are designed to be stacked, creating a 2-tier storage unit. This maximizes vertical storage space without occupying additional floor area. To stack, simply place one table securely on top of the other. Ensure the bottom table is stable before stacking.

MAINTENANCE

To maintain the appearance and integrity of your tables:

- Wipe surfaces with a soft, damp cloth. Avoid abrasive cleaners or harsh chemicals.
- Periodically check and re-tighten all screws to ensure stability.
- Protect the surface from direct sunlight and extreme temperature changes.

TROUBLESHOOTING

If you encounter any issues, refer to the following common problems and solutions:

Problem	Possible Cause	Solution
Table is wobbly/unstable	Screws are loose; uneven floor surface.	Tighten all assembly screws. Move the table to a level surface or use furniture pads to stabilize.
Parts do not align during assembly	Incorrect orientation of parts; screws too tight.	Review assembly steps and diagrams. Loosen screws slightly to adjust alignment, then re-tighten.
Missing hardware/parts	Packaging error.	Contact TUTOTAK customer service for replacement parts.

SPECIFICATIONS

Feature	Detail
Brand	TUTOTAK
Model Name	TB01BG039
Product Dimensions (each)	11.4"D x 16"W x 17.7"H
