

Atomic Mass Games SWL100EN

Atomic Mass Games Star Wars: Legion Crashed X-Wing Battlefield Expansion Instruction Manual

Model: SWL100EN

1. PRODUCT OVERVIEW

The Star Wars: Legion Crashed X-Wing Battlefield Expansion enhances your Star Wars: Legion tabletop miniatures game experience by introducing thematic terrain and a unique scenario. This expansion features miniatures depicting the scattered rubble of a crashed X-wing starfighter and a Rebel pilot miniature, allowing for new strategic gameplay opportunities.

Key Features:

- **Immersive Battlefield:** Four realistic miniatures of a crashed X-wing starfighter add thematic depth to ground battles.
- **Realistic Terrain:** Utilize the X-wing wreckage as cover for troops, enhancing visual appeal and tactical options.
- **Daring Rescue Mission:** Includes a Rebel pilot miniature, central to a tense rescue or capture scenario.
- **Scenario Versatility:** An included upgrade card allows the Rebel pilot to fulfill different roles within the scenario, offering diverse gameplay.

2. SETUP AND ASSEMBLY

This expansion contains unpainted hard plastic miniatures that require assembly. Basic hobby tools such as plastic cement, hobby knife, and paints (not included) are recommended for assembly and customization.

2.1. Contents

Verify that all components are present in the box:

- 5 plastic miniatures (4 X-wing wreckage pieces, 1 Rebel pilot)

- 1 Upgrade Card
- 3 Oversized Scenario Cards
- 1 Insert Sheet

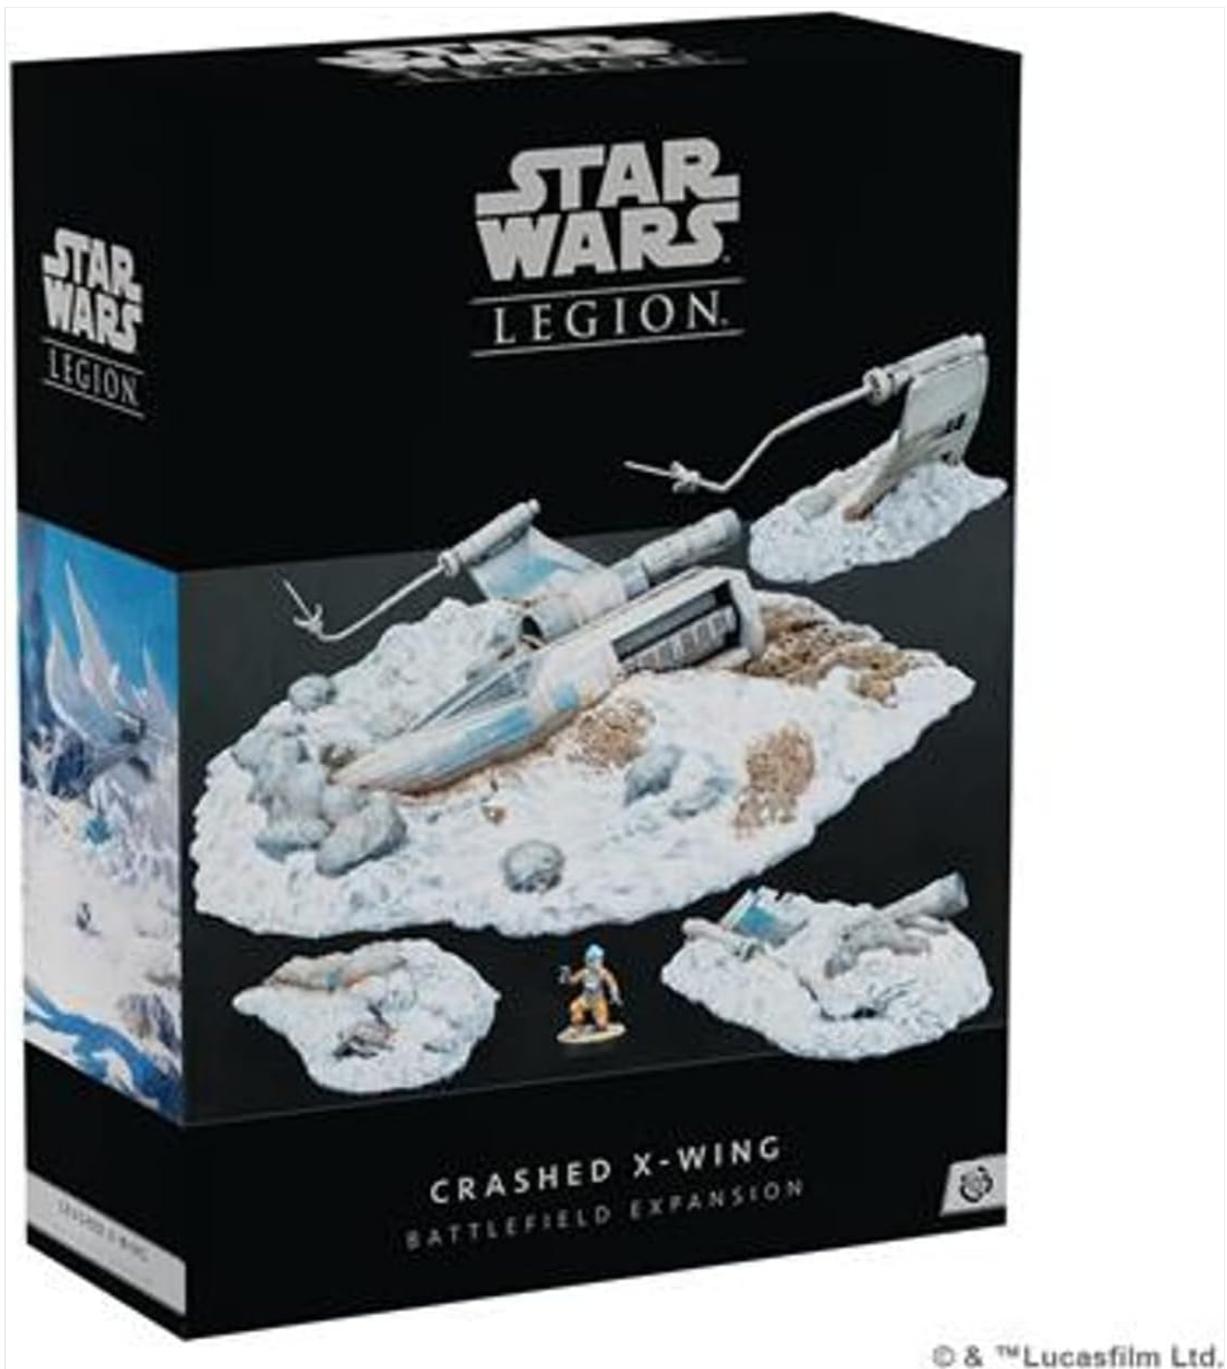

Figure 2.2: Unassembled components of the Crashed X-Wing and Rebel Pilot miniatures.

2.2. Assembly Instructions

1. Carefully remove all plastic miniature components from their sprues using a hobby knife or clippers.
2. Clean any mold lines or excess plastic from the components using a hobby knife or fine-grit sandpaper.
3. Refer to the included insert sheet for detailed assembly diagrams for each miniature.
4. Use plastic cement to bond the components together. Allow sufficient drying time for each piece before proceeding.
5. Once assembled, the miniatures are ready for painting (optional) and integration into your game.

MINIATURES ARE SUPPLIED UNASSEMBLED AND UNPAINTED

3. GAME INTEGRATION AND SCENARIOS

This expansion is designed to be integrated into the Star Wars: Legion core game. The included scenario cards provide specific rules and objectives for playing with the Crashed X-Wing terrain and Rebel pilot miniature.

3.1. Terrain Placement

The four X-wing wreckage pieces can be placed on the battlefield according to the scenario rules or as general line-of-sight blocking or cover-providing terrain in standard games. Their irregular shapes offer dynamic tactical opportunities.

3.2. Rebel Pilot Scenario

The expansion includes a unique scenario focused on the Rebel pilot. Players will engage in a mission to either salvage the wreckage and rescue the pilot or capture them. The included upgrade card for the Rebel pilot allows for varied roles and abilities within this scenario.

4. CARE AND MAINTENANCE

Proper care of your miniatures will ensure their longevity and appearance.

- **Cleaning:** Dust miniatures regularly with a soft brush. For stubborn dirt, use a slightly damp cloth, avoiding harsh chemicals.
- **Storage:** Store miniatures in a cool, dry place away from direct sunlight to prevent warping or paint fading. Consider using foam-lined cases for transport and protection.
- **Painting (Optional):** If you choose to paint your miniatures, use acrylic hobby paints. Apply a primer coat first for best results. Seal painted miniatures with a matte or gloss varnish to protect the paintwork.

5. TROUBLESHOOTING

This section addresses common issues that may arise with the product.

- **Missing Components:** If any components are missing from your new expansion, please contact Atomic Mass Games customer support with proof of purchase.
- **Assembly Difficulties:** Refer to the assembly diagrams on the insert sheet. Ensure you are using appropriate plastic cement and allowing adequate drying time. For complex issues, online hobby communities or instructional videos may provide additional guidance.
- **Rules Clarification:** For questions regarding specific rules interactions or scenario interpretations, consult the official Star Wars: Legion rulebook or the Atomic Mass Games website for FAQs and errata.

6. PRODUCT SPECIFICATIONS

Product Name	Star Wars: Legion Crashed X-Wing Battlefield Expansion
Brand	Atomic Mass Games
Model Number	SWL100EN
ASIN	B0BLY8MX87
Product Dimensions	4.3 x 13.6 x 10.3 inches
Item Weight	1.28 pounds
Manufacturer Recommended Age	14 years and up
Language	English
Release Date	December 16, 2022

7. WARRANTY AND SUPPORT

For information regarding product warranty, missing parts, or technical support, please contact the manufacturer directly.

- **Manufacturer:** Asmodee (for Atomic Mass Games)
