## 4. ASSEMBLY INSTRUCTIONS

---

Follow these steps carefully to assemble your end table. It is recommended to have a second person assist with certain steps.

1. **Unpack and Identify Parts:** Lay out all components on a clean, soft surface. Compare them with the parts list in the included Assembly Guide.
2. **Attach Side Frames:** Secure the metal side frames to the tabletop using the provided hardware. Ensure all screws are finger-tightened initially.
3. **Install Shelves:** Attach the middle and bottom shelves to the metal side frames. Ensure the shelves are oriented correctly before fully tightening screws.
4. **Secure Power Strip:** Mount the power strip into its designated slot on the side frame. Ensure it is firmly in place.
5. **Attach Fabric Bags:** Hook or attach the fabric storage bags to the side of the table as shown in the product images.
6. **Install Adjustable Feet:** Screw the four adjustable feet into the bottom of the table legs. Adjust them to ensure the table is stable and level on uneven floors.
7. **Final Tightening:** Once all parts are in place, carefully tighten all screws with the installation tool. Do not overtighten.

## 6. MAINTENANCE

---

- **Cleaning:** Wipe the table surfaces with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners that may damage the finish.
- **Dusting:** Regularly dust the table to prevent buildup.
- **Electrical Components:** Ensure the power cord and charging station are free from dust and debris. Do not attempt to disassemble the electrical components.
- **Stability Check:** Periodically check all screws and connections to ensure they remain tight. Adjust the feet as needed to maintain stability.

## 7. TROUBLESHOOTING

---

- **No Power to Charging Station:**

- Check if the power cord is securely plugged into both the table's power strip and the wall outlet.
- Verify that the wall outlet is functional by plugging in another device.

- **Table is Unstable/Wobbly:**

- Ensure all assembly screws are fully tightened.
- Adjust the leveling feet at the bottom of each leg to compensate for uneven floor surfaces.

- **Difficulty Opening/Closing Flip-Top:**

- Ensure no items are obstructing the hinge mechanism or the lid's path.
