Tolxh 089041034702

Tolxh Replacement Roller Assembly Instruction Manual

For Ridgid R4092 Tile Saw (Part #089041034702)

1. PRODUCT OVERVIEW

This document provides essential information for the Tolxh Replacement Roller Assembly, part number 089041034702. This component is designed as a compatible spare part for the Ridgid R4092 Tile Saw. It is manufactured to meet original equipment manufacturing (OEM) requirements, ensuring functional equivalence to the original part.

Figure 1: Five Tolxh replacement roller assemblies. Each assembly consists of a black roller wheel attached to a threaded metal shaft, designed for smooth operation in a tile saw.

2. COMPATIBILITY

This replacement roller assembly (Part #089041034702) is specifically designed for use with the **Ridgid R4092 Tile Saw**. Before installation, verify that your equipment model matches the specified compatibility to ensure proper fit and function.

3. INSTALLATION

The Tolxh Replacement Roller Assembly is designed for straightforward installation. While specific steps may vary based on your Ridgid R4092 Tile Saw model, the general procedure involves:

1. **Safety First:** Always disconnect the tile saw from its power source before attempting any maintenance or part replacement.
2. **Access the Roller Assembly:** Locate the existing roller assembly on your tile saw. This may require removing

covers or other components.

- 3. **Remove Old Part:** Carefully remove the worn or damaged roller assembly. Note the orientation and any fasteners used.
- 4. **Install New Part:** Position the new Tolxh replacement roller assembly (Part #089041034702) in the same manner as the old part. Secure it using the appropriate fasteners.
- 5. **Reassemble and Test:** Reattach any covers or components removed. Before resuming full operation, perform a manual check to ensure the new roller moves freely and is properly seated.

If you encounter difficulties during installation, refer to your Ridgid R4092 Tile Saw's original service manual or consult a qualified technician.

4. MAINTENANCE

To ensure the longevity and optimal performance of your Tolxh Replacement Roller Assembly, consider the following maintenance guidelines:

- **Regular Inspection:** Periodically inspect the roller assembly for signs of wear, damage, or accumulation of debris.
- **Cleaning:** Keep the roller and its surrounding area clean from tile dust, slurry, and other contaminants. Use a brush or compressed air for effective cleaning.
- **Lubrication:** If applicable to your tile saw model, ensure proper lubrication of moving parts as recommended by the original equipment manufacturer.

5. SPECIFICATIONS

Specification	Detail
Manufacturer	Tolxh
Part Number	089041034702
Item Weight	9.6 ounces
Package Dimensions	5 x 5 x 3 inches
Compatibility	Ridgid R4092 Tile Saw

6. TROUBLESHOOTING

If you encounter issues after installing the Tolxh Replacement Roller Assembly, consider the following:

- **Incorrect Fit:** Double-check that the part number 089041034702 matches the required part for your Ridgid R4092 Tile Saw. Ensure it is seated correctly and all fasteners are tightened.
- **Performance Issues:** If the roller does not operate smoothly, inspect for any obstructions or improper installation. Ensure no debris is interfering with its movement.
- **Damage During Installation:** If the product was damaged during installation, contact customer support for assistance.

For further assistance, refer to the Warranty and Support section.

7. WARRANTY AND SUPPORT

Tolxh provides the following support for this product:

- **Warranty:** A 1-year warranty is provided for this replacement part.
- **Money-Back Guarantee:** A 1-month money-back guarantee is offered from the date of purchase.
- **Customer Support:** For any questions, concerns, or issues regarding compatibility, installation, or product performance, please contact Tolxh customer service. We are committed to providing satisfactory solutions and assistance.
