VGR V-962

VGR V-962 Professional Hair Clipper and Beard Trimmer User Manual

Model: V-962 | Brand: VGR

INTRODUCTION

This manual provides comprehensive instructions for the safe and effective use of your VGR V-962 Professional Hair Clipper and Beard Trimmer. Designed for precision grooming, this device features durable stainless steel blades, a digital display, and versatile cutting lengths to meet various styling needs.

Please read this manual thoroughly before first use and retain it for future reference.

SAFETY INFORMATION

- Always unplug the trimmer when not in use, during cleaning, or before performing any maintenance.
- Keep the trimmer away from water sources. Do not use it near bathtubs, showers, basins, or other vessels containing water.
- Do not use the trimmer on infants or children.
- Always use the trimmer with caution and keep it away from the face and eyes to prevent injury.
- Always follow the recommended cleaning and maintenance procedures to prevent skin irritation or injury.
- This product is intended for daily use as needed.

PACKAGE CONTENTS AND COMPONENTS OVERVIEW

Your VGR V-962 Hair Clipper and Beard Trimmer package includes the following items:

Image: VGR V-962 Hair Clipper and its complete set of accessories.

Key Components:

- **Hair Clipper Body:** The main unit with an ergonomic design and decorative finish.
- **Precision Blades:** Stainless steel, self-sharpening blades for efficient cutting.
- **ON/OFF Button:** Located on the front for easy operation.
- **LED Digital Display:** Shows battery charge percentage and charging status.
- **USB Charging Port:** Located at the bottom for convenient charging.
- **Guide Combs:** Four attachment combs (1mm, 3mm, 5mm, 7mm) for various cutting lengths.
- **USB Charging Cable:** For recharging the device.
- **Cleaning Brush:** For removing hair debris from the blades.
- **Lubricating Oil:** For maintaining blade performance.

SETUP INSTRUCTIONS

Initial Charging:

1. Before first use, ensure the clipper is fully charged. Connect the USB charging cable to the charging port at the bottom of the clipper and plug the other end into a compatible USB power source (e.g., computer, wall adapter).
2. The LED digital display will show the charging progress. A full charge typically takes approximately 1.5 hours and provides up to 200 minutes of cordless operation.
3. Once fully charged, disconnect the charging cable.

Attaching Guide Combs:

1. Ensure the clipper is turned off before attaching or detaching any guide combs.
2. Select the desired guide comb (1mm, 3mm, 5mm, or 7mm) based on your preferred cutting length.
3. Align the comb with the clipper blade and gently push it down until it clicks securely into place.
4. To remove a comb, gently pull it upwards from the blade.

OPERATING INSTRUCTIONS

Turning On/Off:

- To turn on the clipper, press the ON/OFF button located on the front of the device.
- To turn off the clipper, press the ON/OFF button again.

Using the Clipper:

1. Ensure your hair or beard is clean and dry before trimming.
2. Attach the desired guide comb for your preferred cutting length (1mm, 3mm, 5mm, or 7mm). For a 0mm close trim, use the clipper without a comb.
3. Turn on the clipper.
4. Hold the clipper with the blades pointing downwards and move it against the direction of hair growth.
5. Use smooth, even strokes for consistent results.
6. Regularly check the trimmed area to ensure desired length and evenness.

Corded/Cordless Operation:

- The VGR V-962 can be used cordless for maximum flexibility, providing up to 200 minutes of runtime on a full charge.
- If the battery is low or you prefer continuous power, you can use the clipper while it is plugged in and charging.

MAINTENANCE

Cleaning the Blades:

1. After each use, turn off and unplug the clipper.
2. Remove any attached guide comb.

- Use the provided cleaning brush to gently brush away loose hairs from the blades and the clipper head.
- For thorough cleaning, the precision T-blade can be detached. Refer to the product diagram for detachment points.

Lubricating the Blades:

- Regularly apply a few drops of the provided lubricating oil to the blades. This helps maintain their sharpness and ensures smooth operation.
- Turn on the clipper for a few seconds after oiling to distribute the oil evenly.

Storage:

- Store the clipper and its accessories in a dry place, away from direct sunlight and moisture.
- Keep out of reach of children.

TROUBLESHOOTING

If you encounter any issues with your VGR V-962 Hair Clipper, please refer to the following common solutions:

- Clipper not turning on:** Ensure the battery is charged. Connect the clipper to the USB charging cable and allow it to charge for at least 1.5 hours.
- Reduced cutting performance:** Clean the blades thoroughly to remove any trapped hair. Apply lubricating oil to the blades. If the issue persists, ensure the blades are correctly aligned.
- Clipper making unusual noise:** This may indicate a need for cleaning and lubrication. If the noise continues after cleaning and oiling, contact customer support.
- Battery not holding charge:** Ensure the charging cable is securely connected to both the clipper and the power source. If the problem persists, the battery may need servicing.

For issues not covered here, please contact VGR customer support.
