vidaXL Modern 6-Panel Room Divider (Model 350193) Instruction Manual

This manual provides detailed instructions for the assembly, operation, and maintenance of your vidaXL Modern 6-Panel Room Divider. Please read carefully before use.

PRODUCT OVERVIEW

The vidaXL Modern 6-Panel Room Divider is designed to offer flexible space division and privacy. Constructed with durable polyester fabric and an iron frame, it is both functional and aesthetically pleasing. Its foldable design allows for easy storage when not in use.

PACKAGE CONTENTS

Before beginning assembly, please ensure all parts are present and undamaged. Refer to the included assembly manual for a complete list of components. Typically, the package includes:

- 6 Fabric Panels (Polyester)
- Iron Frame Components (Vertical and Horizontal Rods)
- Connectors and Fasteners
- Assembly Manual

SETUP AND ASSEMBLY

Assembly of the vidaXL Room Divider is designed to be straightforward. It is recommended to assemble the unit on a clean, flat surface. Please follow the step-by-step instructions provided in the physical assembly manual included in your package.

1. **Unpack Components:** Carefully remove all parts from the packaging and lay them out. Verify against the parts list in your assembly manual.
2. **Assemble Frame Sections:** Connect the iron frame components according to the diagrams in your manual. Ensure all connections are secure.
3. **Attach Fabric Panels:** Slide or attach the polyester fabric panels onto the assembled frame sections. Ensure they are taut and properly aligned.
4. **Connect Panels:** Join the individual panel sections using the provided connectors to form the complete 6-panel divider.
5. **Final Check:** Once assembled, gently stand the room divider upright and check for stability.

Image 3: A detailed view of an individual panel, highlighting the fabric and frame connection points, which is helpful during the assembly process.

OPERATING INSTRUCTIONS

The room divider is designed for versatile use and easy manipulation.

- **Positioning:** Place the room divider on a flat, stable surface. Adjust the panels to create the desired configuration, whether it's a straight line, an L-shape, or a zig-zag pattern for increased stability.
- **Privacy:** Use the divider to create private spaces within a larger room, such as a reading nook, a temporary office area, or to separate sleeping and living areas.

- **Sunlight Blocking:** Position the divider near a window to reduce direct sunlight, helping to create a more comfortable ambiance. Note that the fabric allows some light to filter through.
- **Background Wall:** The divider can also serve as a decorative background for video calls or as a simple backdrop in a room.
- **Folding for Storage:** To store the divider, simply fold the panels flat against each other. Its foldable design minimizes the space required for storage.

MAINTENANCE AND CARE

Proper care will ensure the longevity and appearance of your room divider.

- **Cleaning:** Wipe the fabric panels and iron frame with a dry cloth to remove dust and light dirt. Avoid using harsh chemicals or abrasive cleaners, which may damage the material.
- **Stain Removal:** For minor stains on the polyester fabric, gently dab with a damp cloth and mild soap, then wipe with a clean, dry cloth. Test on an inconspicuous area first.
- **Storage:** When not in use, fold the divider and store it in a dry, cool place away from direct sunlight to prevent fading or material degradation.
- **Inspection:** Periodically check all connections and frame components to ensure they remain secure. Tighten any loose fasteners if necessary.

TROUBLESHOOTING

Here are solutions to common issues you might encounter:

- **Divider is Unstable:**
 - Ensure the divider is placed on a flat, level surface.
 - Adjust the panels into a zig-zag or accordion shape for better stability, rather than a straight line.
 - Check all frame connections and tighten any loose screws or fasteners.
- **Panels are Loose or Sagging:**
 - Verify that the fabric panels are correctly inserted into the frame grooves or attached securely.
 - Inspect the frame for any bending or damage that might affect panel tension.
- **Difficulty Folding:**
 - Ensure there are no obstructions between the panels.
 - Check that the hinges or connecting mechanisms are clean and free from debris.

SPECIFICATIONS

Feature	Detail
Brand	vidaXL
Model Number	350193

Feature	Detail
Overall Dimensions (W x H)	118.1" x 78.7" (300 cm x 200 cm)
Each Panel Size (W x H)	18.3" x 70.1"
Number of Panels	6
Material	Fabric (100% Polyester), Iron Frame
Color	Black
