4. SETUP

4.1 Initial Charging

Before first use, fully charge the earbuds and the charging case. Place the earbuds into the charging case and connect the USB-C cable to a power source. The LED indicator on the case will show charging status.

4.2 Bluetooth Pairing

Follow these steps to connect your MuveAcoustics Hype earbuds:

1. **Turn On:** Open the charging case and remove both earbuds. They will automatically power on and enter pairing mode.
2. **Enable Bluetooth:** On your device (smartphone, PC, etc.), enable Bluetooth.
3. **Select Device:** In your device's Bluetooth settings, search for "MUVEACOUSTICS:HYPE" and select it to connect.
4. **Confirmation:** A voice prompt will confirm successful pairing.

The earbuds support single earbud use. You can use either the left or right earbud independently after initial pairing.

6. MAINTENANCE

6.1 Water Resistance

The MuveAcoustics Hype earbuds are rated IPX5 water resistant, meaning they are protected against low-pressure water jets from any direction. This makes them suitable for use during workouts or in light rain. They are not designed for submersion in water.

- Do not submerge the earbuds or charging case in water.
- Ensure earbuds are dry before placing them back into the charging case to prevent damage.

NO WORRY ON **WEATHER AND SWEAT**

*It is water and sweatproof in IPX5,
which you can bring along in any weathers.*

6.2 Cleaning

Regularly clean your earbuds and charging case to maintain optimal performance and hygiene.

- Use a soft, dry, lint-free cloth to wipe the earbuds and charging case.
- Remove ear tips and clean them with mild soap and water, then dry thoroughly before reattaching.
- Gently clean the charging contacts on both the earbuds and the case with a dry cotton swab.

7. TROUBLESHOOTING

- **Earbuds not pairing with each other or device:**

Ensure both earbuds are removed from the case. Turn off Bluetooth on your device, then turn it back on. Forget "MUVEACOUSTICS:HYPE" from your device's Bluetooth list and attempt to pair again. If issues persist, try resetting the earbuds (refer to manufacturer's website for specific reset instructions if not in manual).

- **No sound or low volume:**

Check the volume levels on both your device and the earbuds. Ensure earbuds are properly seated in your ears. Try cleaning the earbud mesh for any debris. Re-pair the earbuds with your device.

- **Charging issues:**

Ensure the charging cable is securely connected to both the case and the power source. Verify the charging contacts on the earbuds and case are clean and free of obstruction. Try a different USB-C cable or power adapter.

- **Microphone not working:**

Ensure the earbuds are properly connected and selected as the audio input device on your phone/PC. Check for any obstructions on the microphone ports. Re-pair the earbuds.
