Minecraft Kids Smart Watch Instruction Manual

Brand: Accutime

1. INTRODUCTION

Welcome to the world of the Minecraft Kids Smart Watch! This interactive timepiece is designed to provide fun and educational experiences for young fans of Minecraft. Featuring a vibrant touchscreen display and a range of engaging functions, this watch is a perfect companion for daily adventures. This manual will guide you through setting up, operating, and maintaining your new smart watch to ensure optimal performance and enjoyment.

2. SAFETY INFORMATION

Please read all safety information before using the watch. This device is intended for children and does not require Bluetooth or external connectivity, ensuring a controlled and safe experience. Avoid exposing the watch to extreme temperatures, direct sunlight for prolonged periods, or water beyond splash resistance. Do not attempt to disassemble or repair the watch yourself. For detailed safety guidelines, please refer to the official Safety Information PDF provided by the manufacturer.

You can find the official Safety Information PDF [here](#).

3. SETUP

3.1 Charging the Watch

Before first use, fully charge the watch. The watch comes with a built-in Lithium Polymer battery. To charge:

1. Locate the USB charging port on the side of the watch.

2. Connect the provided USB charging cable to the watch's port.
3. Plug the other end of the USB cable into a standard USB power adapter (not included) or a computer's USB port.
4. The screen will indicate that it is charging. A full charge typically takes approximately 2-3 hours.
5. Once fully charged, disconnect the charging cable.

3.2 Powering On/Off

- **To Power On:** Press and hold the power button (usually located on the side of the watch) for a few seconds until the screen lights up.
- **To Power Off:** Press and hold the power button until a power-off option appears on the screen, then confirm. Alternatively, navigate to the 'Settings' menu and select 'Power Off'.

3.3 Initial Setup (Time & Date)

Upon first power-on or after a factory reset, you may need to set the correct time and date. Navigate to the 'Settings' menu on the watch's touchscreen and select 'Time' or 'Date' to adjust. Follow the on-screen prompts to set the

current time zone, hour, minute, year, month, and day.

4. OPERATING THE WATCH

4.1 Touchscreen Navigation

The Minecraft Kids Smart Watch features a responsive touchscreen display. Use your finger to tap, swipe, and scroll through menus and applications. Tap an icon to open an application, swipe left or right to navigate between screens, and swipe down from the top to access quick settings or notifications.

4.2 Watch Faces

Personalize your watch with 10 unique and customizable Minecraft-themed watch faces. To change the watch face:

1. From the home screen, tap and hold the current watch face.
2. Swipe left or right to browse through the available watch face options.
3. Tap on the desired watch face to select and apply it.

4.3 Games

The watch comes pre-loaded with 6 engaging games designed to entertain and stimulate young minds. To access the games, locate the 'Games' icon on the main menu and tap to open. Select the game you wish to play from the list.

4.4 Camera & Video Recorder

Capture fun moments with the built-in selfie camera and video recorder. This feature encourages creativity and allows children to document their daily adventures.

- **Camera:** Tap the 'Camera' icon to open. Tap the shutter button on the screen to take a photo.
- **Video Recorder:** Tap the 'Video' icon to open. Tap the record button to start and stop recording.
- Photos and videos are saved directly on the watch's internal memory.

4.5 Alarm, Timer, Step Counter & Calculator

The watch includes several practical tools:

- **Alarm:** Set multiple alarms for reminders, wake-up calls, or daily routines.
- **Timer:** Use the timer for various activities, from playtime limits to cooking.
- **Step Counter (Pedometer):** Track daily steps to encourage physical activity.
- **Calculator:** A basic calculator for simple math operations.

4.6 Connectivity

This smart watch is designed for standalone use and does not require Bluetooth or external connectivity to a smartphone or Wi-Fi. This ensures a safe and controlled screen-time experience for children.

5. MAINTENANCE

5.1 Cleaning

To keep your watch clean, gently wipe the screen and strap with a soft, dry, lint-free cloth. For stubborn smudges, slightly dampen the cloth with water. Avoid using harsh chemicals or abrasive cleaners, as these can damage the watch's finish or screen.

5.2 Battery Care

- Charge the watch regularly, but avoid leaving it plugged in for extended periods after it's fully charged.
- If storing the watch for a long time, charge it to about 50% before storage and recharge it every few months to prevent deep discharge.
- Do not expose the watch to extreme temperatures, as this can affect battery life and performance.

5.3 Storage

Store the watch in a cool, dry place away from direct sunlight and moisture when not in use. Keep it in its original packaging or a protective case to prevent scratches and damage.

6. TROUBLESHOOTING

If you encounter any issues with your Minecraft Kids Smart Watch, please refer to the following common

troubleshooting steps:

- **Watch not turning on:** Ensure the watch is fully charged. Connect it to the charger and wait a few minutes before attempting to power it on again.
- **Screen unresponsive:** Try restarting the watch by holding down the power button until it powers off, then power it back on. Ensure the screen is clean and dry.
- **Battery not holding charge:** Ensure you are using the original charging cable. Try a different USB power source. If the issue persists, the battery may need service.
- **Functions not working correctly:** Navigate to the 'Settings' menu and try a factory reset. Note that a factory reset will erase all data and settings on the watch.
- **Images/Videos not saving:** Check if the watch's internal memory is full. Delete unnecessary files to free up space.

If these steps do not resolve the issue, please contact customer support for further assistance.

7. SPECIFICATIONS

Feature	Detail
Product Dimensions	22 x 2 x 1 inches; 7.83 ounces
