QCY QCY-AilypodsBK

QCY Aily Pods BK Wireless Earbuds User Manual

Model: QCY-AilypodsBK
Brand: QCY

Introduction

Thank you for choosing the QCY Aily Pods BK Wireless Earbuds. This manual provides detailed instructions on how to set up, operate, maintain, and troubleshoot your new earbuds. Please read this manual carefully before use to ensure optimal performance and longevity of your device.

Setup

Charging the Earbuds and Case

Before first use, fully charge the earbuds and the charging case. Connect the charging case to a USB power source using the provided cable. The LED indicator on the case will show the charging status.

- The case provides approximately 20 hours of total playback time when combined with the earbuds' 5.5 hours of continuous playback.
- The LED on the case indicates remaining battery level.

Pairing with a Device

1. Open the charging case. The earbuds will automatically enter pairing mode.
2. On your device (smartphone, tablet, PC), enable Bluetooth.

3. Search for "QCY Aily Pods BK" in the list of available Bluetooth devices.
4. Select the earbuds to connect. Once connected, a voice prompt will confirm successful pairing.

Operating Instructions

Wearing the Earbuds

The Aily Pods BK feature a comfortable inner-ear design with a 2.6cm short stick type, weighing approximately 3.8g per earbud. This design ensures a natural and comfortable fit without pressure, making them ideal for extended listening sessions.

Touch Controls

The earbuds feature touch-sensitive controls for various functions. These controls can be customized via the QCY dedicated app.

- **Play/Pause:** Single tap on either earbud.
- **Next Track:** Double tap on the right earbud.
- **Previous Track:** Double tap on the left earbud.
- **Answer/End Call:** Single tap on either earbud.
- **Reject Call:** Press and hold either earbud.
- **Activate Voice Assistant:** Triple tap on either earbud.

QCY Dedicated App

Enhance your experience by customizing settings through the QCY dedicated app. The app allows you to:

- Adjust equalizer settings for personalized sound profiles (Pop, Classic, etc.).
- Customize touch control functions.
- Use the earbud finding feature if they are misplaced.

Note: The QCY app supports Android 6.0 or higher and iOS 11 or higher. Screen display may vary depending on your smartphone.

Call Functionality

The earbuds are equipped with four omnidirectional microphones and ENC (Environmental Noise Cancellation) technology to reduce ambient noise, ensuring clear call quality.

Low Latency Game Mode

For an immersive audio-visual experience, especially during gaming or video playback, activate the low latency

game mode. This mode minimizes audio delay to as low as 65ms (0.068 seconds), ensuring synchronization between sound and visuals.

Maintenance

Cleaning

- Regularly clean the earbuds and charging case with a soft, dry, lint-free cloth.
- Do not use abrasive cleaners, alcohol, or chemical solvents.
- Ensure charging contacts on both earbuds and case are clean and dry.

Storage

When not in use, store the earbuds in their charging case to protect them and keep them charged. Avoid exposing the earbuds to extreme temperatures, humidity, or dust.

Water Resistance (IPX4)

The Aily Pods BK are IPX4 water-resistant, meaning they are protected against splashing water from any direction. This makes them suitable for daily use, including outdoor activities, commuting, gym workouts, and running. However, they are not designed for submersion in water.

IPX4生活防水

アウトドアやお出かけ、通勤の際に
天気を気にせずに使用できる防水機能。
生活スタイルに合った使い方ができます。

Troubleshooting

Problem	Possible Solution
Earbuds not pairing	Ensure earbuds are charged. Turn off and on Bluetooth on your device. Forget the device in your Bluetooth settings and re-pair. Place earbuds back in case, close, wait 5 seconds, then open again.
Only one earbud working	Ensure both earbuds are charged. Place both earbuds in the charging case, close the lid, and then open it again to reset the connection.
Low volume or poor sound quality	Adjust volume on both your device and the earbuds. Clean any debris from the earbud speakers. Ensure the earbuds are properly seated in your ears.
Charging issues	Check the charging cable and adapter. Ensure charging contacts on earbuds and case are clean. Try a different USB port or power source.

Specifications
