Lindby Raisan Pendant Lamp Instruction Manual

1. INTRODUCTION

Thank you for choosing the Lindby Raisan Pendant Lamp. This manual provides essential information for the safe installation, operation, and maintenance of your new lighting fixture. Please read these instructions carefully before beginning installation and retain them for future reference.

2. SAFETY INSTRUCTIONS

- **Electrical Safety:** Always disconnect the main power supply at the fuse box or circuit breaker before performing any installation, maintenance, or bulb replacement.
- **Qualified Installation:** Installation should be carried out by a qualified electrician or a competent person if you are unsure about electrical wiring.
- **Voltage:** Ensure the voltage supply matches the lamp's requirements (230V).
- **Mounting Surface:** The ceiling or mounting surface must be capable of safely supporting the weight of the lamp.
- **Bulb Type:** Use only GU10 bulbs as specified. Do not exceed the maximum wattage of 8 watts.
- **Cleaning:** Do not use abrasive cleaners or solvents. Clean with a soft, dry cloth only.
- **Indoor Use Only:** This product is designed for indoor use in dry environments.

3. PACKAGE CONTENTS

Carefully unpack the box and ensure all components are present and undamaged. If any parts are missing or damaged, do not proceed with installation and contact your retailer.

- 1x Lindby Raisan Pendant Lamp unit (Model 9627452)
- 1x Ceiling rose with integrated wiring terminal
- 1x Mounting bracket
- 1x Set of screws and wall plugs
- 1x Instruction manual

Figure 1: Overview of Lindby Raisen Pendant Lamp components. This image shows the cylindrical gold-colored lamp body, the black ceiling rose, and the connecting black fabric cable. The lamp body is detached from the ceiling rose, illustrating the main parts of the fixture.

4. SETUP AND INSTALLATION

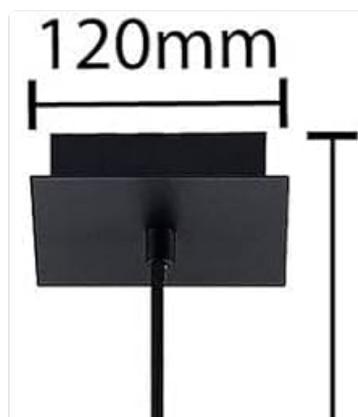

Follow these steps for safe installation. If you are not confident, consult a qualified electrician.

1. **Turn Off Power:** Before starting, ensure the electricity supply to the installation area is completely switched off at the main circuit breaker or fuse box.
2. **Prepare Mounting Location:** Position the mounting bracket against the ceiling at your desired location. Mark the drilling points with a pencil.
3. **Drill Holes:** Drill holes at the marked points. Insert the provided wall plugs into the drilled holes.
4. **Attach Mounting Bracket:** Secure the mounting bracket to the ceiling using the provided screws.
5. **Connect Wiring:** Carefully connect the electrical wires from your ceiling to the terminal block inside the lamp's ceiling rose. Ensure correct connections: Live (L), Neutral (N), and Earth (\sphericalangle). Refer to Figure 2 for wiring details.

Figure 2: Internal wiring of the ceiling rose. This image displays the black square ceiling rose with its internal components, including the white terminal block for electrical connections (Live, Neutral) and a yellow-green wire for the earth connection, attached to a metal mounting plate.

6. **Secure Ceiling Rose:** Once wiring is complete, carefully push the ceiling rose up against the ceiling and secure it to the mounting bracket using the provided screws.
7. **Install Bulb:** Insert a GU10 bulb (not included) into the lamp holder by pushing it in and twisting clockwise until secure. Ensure the bulb does not exceed 8 watts.
8. **Restore Power:** Once installation is complete and all connections are secure, restore power at the main circuit breaker.

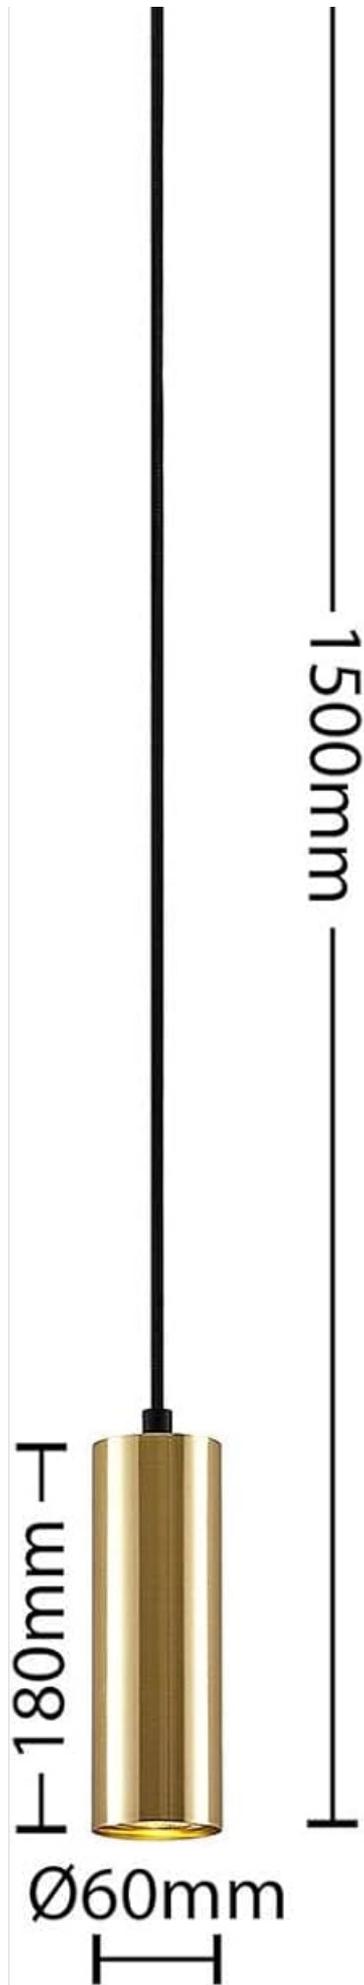

Figure 3: Dimensional diagram. This diagram illustrates the key measurements of the pendant lamp: the lamp body is 180mm high with a diameter of 60mm, the ceiling rose is 120mm wide, and the total suspension length is 1500mm.

5. OPERATING INSTRUCTIONS

The Lindby Raisan Pendant Lamp is designed for straightforward operation.

- **Switching On/Off:** The lamp is operated via your standard wall light switch.
- **Dimming Functionality:** This lamp is dimmable. To utilize the dimming feature, ensure you are using a compatible dimmer switch and a dimmable GU10 bulb.

6. MAINTENANCE

Regular maintenance ensures the longevity and optimal performance of your lamp.

- **Cleaning:** Disconnect power before cleaning. Wipe the lamp with a soft, dry, lint-free cloth. Do not use liquid or abrasive cleaners, as these can damage the finish.
- **Bulb Replacement:** Ensure the power is off and the bulb has cooled down before attempting to replace it. Gently push the GU10 bulb into its socket and twist counter-clockwise to remove. Insert the new GU10 bulb by pushing it in and twisting clockwise until it is securely seated.

7. TROUBLESHOOTING

If you encounter issues with your Lindby Raisan Pendant Lamp, refer to the following common problems and solutions:

Problem	Possible Cause	Solution
Lamp does not light up.	No power supply, faulty bulb, incorrect wiring.	Check circuit breaker/fuse. Replace bulb. Verify wiring connections (ensure power is off).
Lamp flickers.	Loose bulb, incompatible dimmer switch, faulty bulb.	Ensure bulb is securely seated. Use a compatible dimmer switch and dimmable GU10 bulb. Replace bulb.
Lamp is dim, but not dimmable.	Non-dimmable bulb used with a dimmer switch.	Replace with a dimmable GU10 bulb.

If the problem persists after attempting these solutions, please contact customer support.

8. SPECIFICATIONS

- **Brand:** Lindby
- **Model Number:** 9627452
- **Dimensions (Lamp Unit):** 12 cm (width) x 12 cm (length) x 18 cm (height)
- **Total Height (Suspended):** Approximately 150 cm (1500 mm)
- **Material:** Metal
- **Number of Lights:** 1
- **Voltage:** 230V
- **Bulb Type:** GU10 (not included)
- **Max Wattage:** 8 watts

- **Special Feature:** Dimmable (with compatible dimmer and bulb)
- **Power Source:** Mains powered
- **Installation Type:** Ceiling mounting
- **Intended Use:** Indoor (Dining room, Living room)
- **ASIN:** B0BMLBWLP7
