## Lamshaw EGQINR T32 34S

# Lamshaw TPU Screen Protector User Manual for EGQINR T32 34S Smart Watch

## INTRODUCTION

This manual provides detailed instructions for installing and maintaining your Lamshaw TPU Screen Protector, designed specifically for the EGQINR T32 34S 1.32 Smart Watch. Please read these instructions carefully to ensure proper application and optimal performance of your screen protector.

## PACKAGE CONTENTS

- Lamshaw TPU Screen Protectors (6 pack)
- Wet Wipes
- Dry Wipes
- Dust Absorbers
- Microfiber Cleaning Cloth

## INSTALLATION GUIDE

Follow these steps carefully for a bubble-free installation. Ensure your watch is clean and free of dust before beginning.

### Video Installation Guide

Official video demonstrating the TPU Screen Protector installation method.

## Step-by-Step Instructions

1. **Clean the Screen:** Use the wet wipe (labeled '1') to thoroughly clean the smart watch screen. Follow with the dry wipe (labeled '2') to remove any moisture. Finally, use the microfiber cleaning cloth to polish the screen and remove any remaining dust or smudges.
2. **Prepare the Protector:** The screen protector has three layers. Carefully peel off the red 'Back 1' layer. This exposes the adhesive side of the actual TPU screen protector.

3. **Apply the Protector:** Align the screen protector precisely with the edges of your smart watch screen. Once aligned, gently place it onto the screen, starting from one side and slowly laying it down to the other.
4. **Smooth and Remove Bubbles:** Use the provided card or your finger to gently push out any air bubbles from the center towards the edges. If a large bubble persists, you may need to carefully lift a corner of the protector and reapply it, smoothing it down again.
5. **Remove Top Layer:** Once the protector is smoothly applied, carefully peel off the black 'Front 2' layer. The middle layer is the actual screen protector that remains on your watch.

## Visual Installation Steps

### Installation Instructions

1: Clean the screen: use wet paper first,  
second use the dry paper,  
last clean the display use the fiber cloth

2: Remove Back stick 1

3: Align the edge of the screen and

| Package Dimensions | 3.94 x 1.97 x 0.39 inches |

## TROUBLESHOOTING

### Persistent Bubbles

If bubbles remain after initial application, gently use the provided card to push them towards the nearest edge. For stubborn or large bubbles, carefully lift the nearest edge of the screen protector and reapply it, smoothing it down with the card as you go. Small bubbles may self-heal and disappear within 24-48 hours.

## WARRANTY AND SUPPORT

If you receive defective items, please contact Lamshaw customer support immediately. We offer a replacement or refund for all quality-related issues within 30 days from the date of purchase. Your satisfaction is our priority.
