# Taurus SEVILLA Countertop Blender Instruction Manual

Model: SEVILLA | Brand: Taurus

## INTRODUCTION

Thank you for choosing the Taurus SEVILLA Countertop Blender. This manual provides essential information for the safe and efficient operation, maintenance, and care of your new appliance. Please read it thoroughly before first use and keep it for future reference.

The Taurus SEVILLA Blender is designed for versatility and durability, featuring a robust 550-watt motor and a 1.5-liter (48 oz) diamond-shaped glass jar. Its modern membrane-type touch panel offers 7 functions, including 5 preset programs for various preparations like sauces, smoothies, purées, and dressings. You can also activate the TURBO function for uniform consistencies or the Pulse function for precise control over processing.

## SAFETY INSTRUCTIONS

- Read all instructions before using the appliance.
- Do not immerse the motor base in water or other liquids.
- Unplug from outlet when not in use, before assembling or disassembling parts, and before cleaning.
- Avoid contact with moving parts.
- Do not operate any appliance with a damaged cord or plug, or after the appliance malfunctions or has been dropped or damaged in any manner.
- The use of attachments not recommended or sold by the manufacturer may cause fire, electric shock, or injury.
- Do not use outdoors.

- Do not let cord hang over edge of table or counter.
- Keep hands and utensils out of container while blending to reduce the risk of severe injury to persons or damage to the blender. A scraper may be used but only when the blender is not running.
- Blades are sharp. Handle with care.
- Always operate blender with lid in place.
- Do not blend hot liquids.

## COMPONENTS

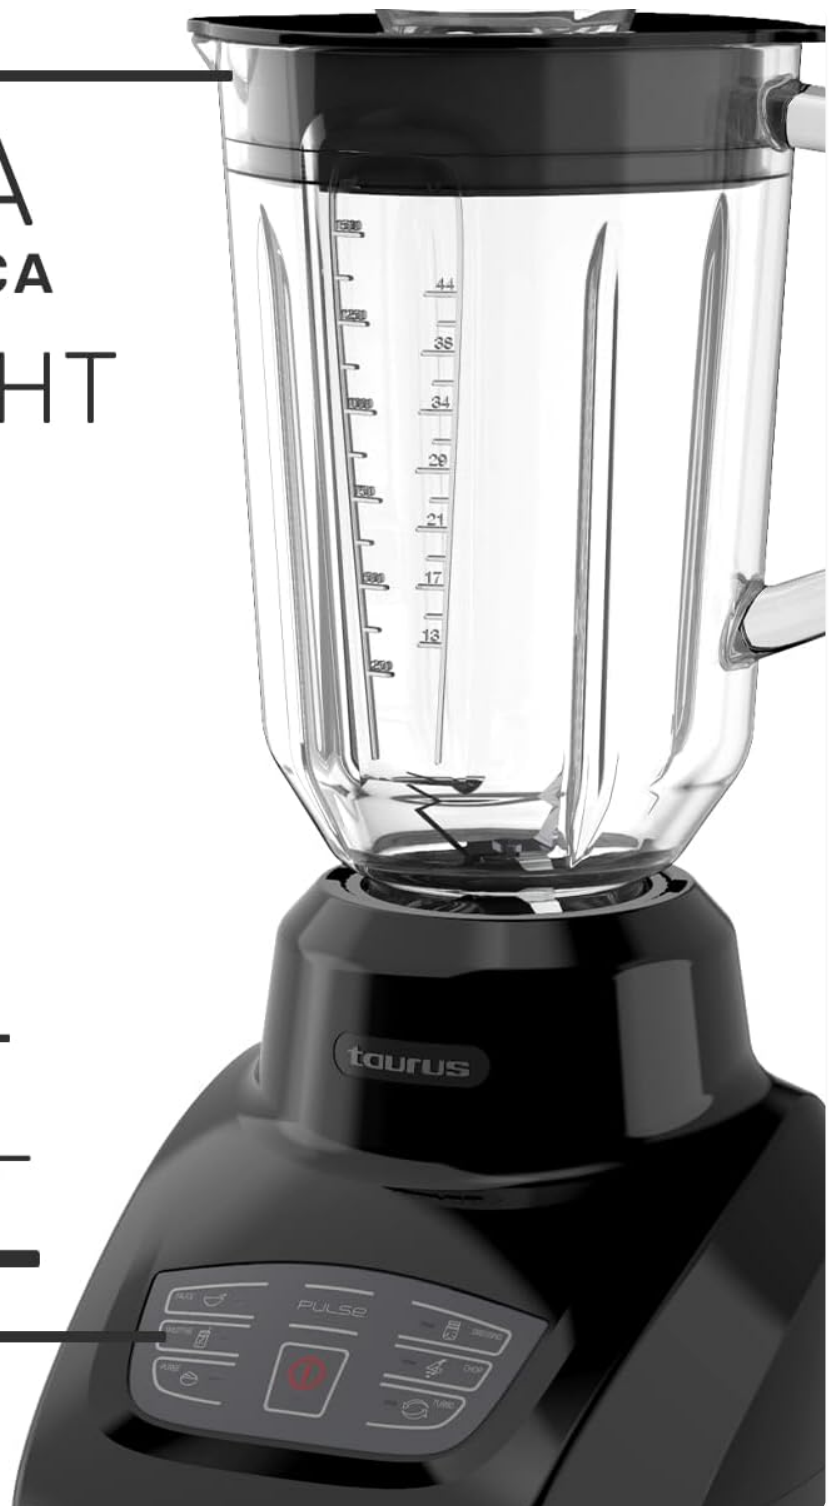

---

The Taurus SEVILLA Blender consists of the following main components:

- **Motor Base:** Houses the 550-watt motor and touch panel controls.
- **Glass Jar:** 1.5-liter (48 oz) diamond-shaped glass jar for blending.
- **Blade Assembly:** Stainless steel blades for efficient blending.
- **Lid:** Hermetic sealing lid with a dosing cap for adding ingredients during blending.
- **Rubber Pads:** Suction cup-shaped rubber pads on the base for stability.

## SETUP

1. Place the motor base on a clean, dry, and stable surface.
2. Ensure the blade assembly is securely attached to the bottom of the glass jar.
3. Place the glass jar onto the motor base. The unique Easy Fit system ensures the jug clicks into place when correctly positioned, extending the life of the drive.
4. Add your desired ingredients to the glass jar.
5. Securely place the hermetic sealing lid onto the glass jar. Ensure the dosing cap is also in place.
6. Plug the power cord into a suitable electrical outlet.

## OPERATING INSTRUCTIONS

The Taurus SEVILLA Blender features a modern touch panel with LED indicators for easy operation. It offers 8 speed controls, 5 preset programs, and dedicated Pulse and Turbo functions.

## Controls Overview

*Image: The touch panel displaying the 7 available functions and 5 preset programs.*

- **On/Off Button:** Powers the blender on or off.
- **Speed Control:** Adjusts blending speed from 1 to 8.
- **Preset Programs:** 5 dedicated buttons for specific preparations (e.g., Sauce, Smoothie, Purée, Dressing, Martajados).
- **Pulse Function:** Provides short bursts of power for controlled processing.
- **TURBO Function:** Activates maximum speed for uniform and delicious consistencies.

## Using Preset Programs

To use a preset program, simply select the corresponding button on the touch panel. The blender will automatically adjust speed and duration for optimal results.

## Select one of its 5 preset programs and get unique results

### General Blending Tips

- Always add liquids first, then soft ingredients, followed by harder ingredients and ice.
- Do not overfill the jar beyond the maximum fill line.
- For best results with thick mixtures, use the Pulse function or add more liquid.
- The diamond-shaped glass jar is designed to improve food circulation for better grinding.

## MAINTENANCE AND CLEANING

Proper cleaning and maintenance will ensure the longevity and optimal performance of your Taurus SEVILLA Blender.

### Cleaning the Glass Jar and Blades

- Unplug the blender from the power outlet before cleaning.

- The glass jar, lid, and blade assembly are removable for easy cleaning.
- Carefully unscrew the blade assembly from the bottom of the glass jar.
- Wash the glass jar, lid, and blade assembly with warm, soapy water. Rinse thoroughly.
- Alternatively, these parts are dishwasher safe.
- Handle blades with extreme care as they are sharp.

### Cleaning the Motor Base

- Wipe the motor base with a damp cloth. Do not immerse the motor base in water or any other liquid.
- Do not use abrasive cleaners or scouring pads, as they may scratch the surface.

## TROUBLESHOOTING

- **Blender does not turn on:** Ensure the power cord is securely plugged into a working outlet. Check that the glass jar is correctly seated and clicked into the motor base.
- **Ingredients are not blending smoothly:** Add more liquid. Use the Pulse function to break up larger pieces. Ensure ingredients are cut into appropriate sizes.
- **Motor smells or overheats:** Unplug the blender immediately and let it cool down for at least 15 minutes. Do not overload the blender with too many ingredients or blend for excessively long periods.
- **Lid is difficult to remove/attach:** Ensure the lid is aligned correctly. The hermetic seal is designed to be tight to prevent leaks during operation.

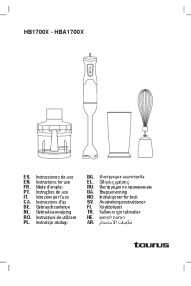

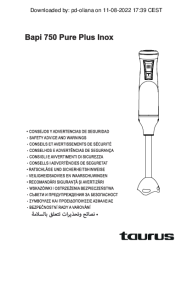

## SPECIFICATIONS

Brand	Taurus
Model Number	SEVILLA
Power Source	Corded Electric
Wattage	550 watts
Voltage	127V
Capacity	1.5 Liters (48 oz)
Container Material	Glass, Stainless Steel
Blade Material	Stainless Steel
Number of Speeds	8
Special Feature	Programmable
Product Dimensions	10"D x 7.48"W x 22.99"H
Item Weight	5.54 pounds
Material Type Free	BPA Free
