## Merax MX01720

# Merax House Loft Bunk Bed Frames with Slide

Instruction Manual

## PRODUCT OVERVIEW

---

The Merax House Loft Bunk Bed with Slide is designed to provide a fun and functional sleeping solution for children and teens. Featuring a unique house-shaped frame and an integrated slide, this bed combines playful design with practical utility. Constructed from selected solid pine wood and MDF, it offers a sturdy and durable structure for long-term use. The bed includes guard rails on the top bunk for enhanced safety and a slat kit, eliminating the need for a box spring.

## SETUP AND ASSEMBLY

Assembly of the Merax House Loft Bunk Bed is required. It is recommended that two people undertake the assembly process to ensure ease and safety. The bed comes in two packages. Please ensure all components are present before beginning assembly.

### Key Assembly Considerations:

- **Ceiling Height:** The bed frame is notably tall (84.4 inches in height). Verify your room's floor-to-ceiling height to ensure adequate clearance, especially for attaching the house-shaped top frame.
- **Slide and Ladder Placement:** The sliding ladder and main ladder can be switched around to accommodate different room layouts.
- **Tools:** All necessary hardware is included.

## OPERATING INSTRUCTIONS

The Merax House Loft Bunk Bed is designed for safe and enjoyable use. The top bunk is accessible via the integrated ladder, and the slide provides a fun way to descend. Always ensure the bed is used according to safety guidelines.

### Usage Guidelines:

- **Mattress Recommendation:** For the upper bed, a mattress thickness of 4-6 inches is recommended.
- **Weight Capacity:** The bed structure supports up to 250 pounds. Do not exceed this weight limit.

- **Guard Rails:** The top bunk is equipped with guard rails for added security. Ensure they are properly installed and maintained.
- **Slide Use:** Use the slide only for its intended purpose. Ensure the area around the slide is clear before use.

## MAINTENANCE

Regular maintenance will help prolong the life and appearance of your Merax House Loft Bunk Bed.

### Care Instructions:

- **Cleaning:** Wipe down the wood surfaces with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners that could damage the finish.
- **Hardware Check:** Periodically check all bolts and screws to ensure they are tight and secure. Retighten as necessary to maintain stability and prevent wobbling.
- **Wood Care:** Protect the wood finish from excessive moisture and direct sunlight.

## TROUBLESHOOTING

---

If you encounter any issues with your Merax House Loft Bunk Bed, please refer to the following common solutions.

### Common Issues:

- **Wobbling:** If the bed feels unstable, check all assembly points and ensure all bolts and screws are securely tightened.
- **Pinch Points/Sharp Edges:** Exercise caution around potential pinch points or sharp edges during assembly and use. Inspect the bed regularly for any damage that could create such hazards.

## SAFETY INFORMATION

---

Your safety is paramount. Please adhere to the following safety guidelines:

- Be careful around potential pinch points or sharp edges.
- Do not load more than 250 pounds on the bed.
- Ensure children are supervised when using the slide and climbing the ladder.
- Regularly inspect the bed for any signs of wear or damage. Discontinue use if damage is found and contact customer support.

## SPECIFICATIONS

---

Feature	Detail
Brand	Merax
Model Number	MX01720
Size	Twin w/o Stairway
Product Dimensions	77.4"L x 42.5"W x 84.4"H
Item Weight	66.2 pounds
Color	White
Finish Type	Wood
Furniture Finish	Pine
Special Feature	Durability, Durable, Sturdy
Assembly Required	Yes
Compatible With Mattress Size	Twin
Included Components	Hardware, House Loft Bed, Instruction
