Vente-unique ELEVATIO

Vente-unique ELEVATIO IV Bunk Bed Instruction Manual

Model: ELEVATIO IV (Twin Over Full - 90x190 cm / 140x190 cm)

1. INTRODUCTION

Thank you for choosing the Vente-unique ELEVATIO IV Bunk Bed. This manual provides essential information for the safe assembly, use, and maintenance of your new bunk bed. Please read all instructions carefully before beginning assembly and retain this manual for future reference.

The ELEVATIO IV is a modern bunk bed designed with a steel frame, featuring an upper bunk of 90 x 190 cm and a lower bunk of 140 x 190 cm. It includes two metal slatted bases and a reversible ladder, offering a space-saving solution with a stylish black and red glossy finish.

2. SAFETY INFORMATION

WARNING: Failure to follow these safety instructions could result in serious injury.

- The upper bunk is not suitable for children under 6 years of age.
- This bunk bed **must be fixed to the wall** using the provided hardware to prevent tipping.
- Maximum user weight capacity: **120 kg for the upper bunk** and **240 kg for the lower bunk**. Do not exceed these limits.
- The maximum mattress height for the upper bunk is **15 cm**. Ensure the mattress does not exceed the safety barrier height.
- The safety barrier height for the upper bunk is **32.5 cm**.
- Regularly check all bolts and connections to ensure they are securely tightened.
- Do not allow children to play on or under the bunk bed without supervision.
- Use only mattresses of the specified size: 90 x 190 cm for the upper bunk and 140 x 190 cm for the lower bunk.

3. PACKAGE CONTENTS

The Vente-unique ELEVATIO IV Bunk Bed is delivered in two packages. Please verify that all components are present and undamaged before beginning assembly.

- **Package 1:** Approx. 196 cm (W) x 51 cm (D) x 13 cm (H), Weight 30 kg.
- **Package 2:** Approx. 148 cm (W) x 23 cm (D) x 8 cm (H), Weight 12 kg.
- Includes: Bunk bed frame components (steel), 2 metal slatted bases, reversible ladder, assembly hardware, and wall-fixing kit.
- Mattresses are not included.

4. SETUP AND ASSEMBLY INSTRUCTIONS

Assembly of the ELEVATIO IV Bunk Bed is required. It is recommended that two adults perform the assembly. Please follow the detailed assembly guide included in your package for step-by-step instructions.

1. **Unpack Components:** Carefully remove all parts from the packaging and lay them out on a clean, soft surface to prevent scratches. Verify all parts against the included parts list.
2. **Assemble Frame:** Follow the diagrams in the assembly guide to connect the main frame components using the provided hardware. Do not fully tighten bolts until the entire frame is assembled.
3. **Install Slatted Bases:** Secure the metal slatted bases into position for both the upper and lower bunks.
4. **Attach Ladder:** The ladder is reversible and can be attached to either side of the bunk bed. Choose your desired side and secure it firmly.
5. **Wall Fixing:** This is a critical safety step. Use the provided wall-fixing kit to securely attach the bunk bed to a solid wall. Ensure the wall material is suitable for the fixings. If unsure, consult a professional.
6. **Final Tightening:** Once the entire structure is assembled and fixed to the wall, go back and securely tighten all bolts and connections.

5. USAGE GUIDELINES

- Ensure mattresses are correctly sized (90 x 190 cm for upper, 140 x 190 cm for lower) and do not exceed the maximum height of 15 cm for the upper bunk.
- Always use the ladder for access to the upper bunk. Do not jump on or off the bunk bed.
- Do not attach or hang items from any part of the bunk bed that are not designed for use with the bed, such as ropes, belts, or other items that could pose a strangulation hazard.
- Periodically check the stability of the bed and the wall fixings.

6. MAINTENANCE

- **Cleaning:** Wipe the metal frame with a soft, damp cloth. Avoid using abrasive cleaners or harsh chemicals, as these can damage the glossy finish.
- **Inspections:** Regularly inspect all structural components, bolts, and connections for tightness. Retighten any loose hardware as needed.
- **Damage:** If any part of the bunk bed becomes damaged, discontinue use immediately and contact customer support for replacement parts or advice.

7. TROUBLESHOOTING

If you encounter any issues with your ELEVATIO IV Bunk Bed, please refer to the following common solutions:

- **Squeaking Noises:** Check all bolts and connections. Loose hardware is a common cause of squeaking. Tighten all fasteners securely.
- **Instability/Wobbling:** Ensure the bunk bed is properly fixed to the wall as per the assembly instructions. Verify all frame connections are tight. Ensure the bed is on a level surface.
- **Missing Parts:** If you find any parts missing during assembly, do not proceed. Contact Vente-unique customer service immediately.

8. SPECIFICATIONS
