- Integrated desk with a drawer.
- Wardrobe with a hinged door, including a hanging rail and shelves.
- Additional storage shelves and a bedside table/shelf.
- Sturdy ladder with 4 steps for access.

3. SETUP AND ASSEMBLY

The Auckland Loft Bed requires self-assembly. All necessary components and hardware are included. It is recommended to assemble the bed in the room where it will be used.

3.1 Unpacking and Component Check

- Carefully unpack all boxes and lay out the components on a clean, soft surface to prevent scratches.
- Verify that all parts listed in the assembly instructions (provided separately with the product) are present and undamaged.
- Familiarize yourself with the hardware and tools required.

3.2 Assembly Steps

Refer to the detailed step-by-step assembly manual included in your product packaging for specific instructions and diagrams. General steps include:

1. Assemble the main bed frame structure.
2. Attach the ladder and safety barriers.
3. Install the integrated desk and its drawer.
4. Assemble and attach the wardrobe unit, including shelves and hanging rail.
5. Place the slatted base and mattress (90 x 200 cm) onto the bed frame.
6. Ensure all connections are secure and stable before use.

5. MAINTENANCE

Proper maintenance will ensure the longevity and safety of your Auckland Loft Bed.

- **Cleaning:** Wipe surfaces with a damp cloth. Avoid using harsh chemicals or abrasive cleaners, as these can damage the melamine finish.
- **Regular Inspection:** Periodically check all screws, bolts, and connections. Tighten any that have become loose to maintain structural integrity.
- **Avoid Overloading:** Do not exceed the specified weight limits for the bed, ladder, desk, or storage components.
- **Environmental Conditions:** Avoid exposing the furniture to extreme temperatures or humidity, which can cause warping or damage.

6. TROUBLESHOOTING

If you encounter any issues with your Auckland Loft Bed, refer to the following common problems and solutions:

- **Squeaking Noises:** Check all bolts and screws. Tighten any loose fasteners. Ensure the bed is on a level surface.
- **Wobbly Structure:** This usually indicates loose connections. Re-check all assembly points and tighten all hardware.
- **Drawer Sticking:** Ensure the drawer runners are clean and free of debris. Check if the drawer is properly

aligned on its tracks.

- **Door Misalignment:** Adjust the hinges on the wardrobe door if it is not closing properly or is misaligned.

If problems persist, consult the original assembly manual or contact customer support.
