Vente-unique DIDDA II

Vente-unique DIDDA II Wardrobe Instruction Manual

3 Sliding Doors with Mirror - L205 cm - Natural and Beige

1. SAFETY INFORMATION

Please read all safety instructions carefully before assembly and use. Retain this manual for future reference.

- Assemble the product with care, strictly following the provided instructions.
- Do not overload the shelves and drawers. Each shelf and drawer supports a maximum load of **10 kg**.
- Ensure the wardrobe is placed on a flat, stable surface to prevent tipping.
- For added stability, consider securing the wardrobe to a wall using appropriate anti-tip hardware (not included, consult a professional if unsure).
- Keep small parts and packaging materials away from children during assembly.

2. PRODUCT OVERVIEW

The Vente-unique DIDDA II wardrobe is a spacious storage solution featuring three sliding doors, one of which includes a mirror. It is designed with a natural and beige finish, offering both functionality and aesthetic appeal for your bedroom or living space.

Key Features:

- **Structure:** Particle board panels with melamine finish.
- **Doors:** Three sliding doors, one with an integrated mirror.
- **Color:** Natural and beige.
- **Storage:** Includes shelves, hanging rails, and drawers for versatile organization.
- **Finish:** Lacquered.

3. SETUP AND ASSEMBLY

Assembly of the Vente-unique DIDDA II wardrobe is required. Please ensure you have all components and tools listed in the separate assembly instructions provided with your product. Follow the step-by-step guide carefully to ensure correct and safe construction.

Assembly Tips:

- Clear a spacious area for assembly.
- Identify all parts and hardware before starting.

- Work with at least two people for easier and safer assembly, especially when handling large panels.
- Use appropriate tools as specified in the assembly guide.
- Do not overtighten screws to avoid damaging the particle board.

4. OPERATING INSTRUCTIONS

Sliding Doors:

- To open or close a sliding door, gently push or pull the door along its track.
- Avoid forcing the doors, as this may damage the sliding mechanism.
- Ensure the tracks are clear of obstructions for smooth operation.

Drawers:

- Pull drawers out smoothly to access contents.
- Push drawers fully closed to ensure they are securely shut.
- Do not place excessive weight in drawers; adhere to the 10 kg weight limit per drawer.

Shelves and Hanging Rails:

- Distribute weight evenly on shelves to prevent warping or collapse.
- Do not exceed the 10 kg weight limit per shelf.

- Hang clothes on the rails without overcrowding to maintain their shape and prevent damage to the rail.

5. MAINTENANCE

Regular maintenance will help preserve the appearance and functionality of your Vente-unique DIDDA II wardrobe.

Cleaning:

- Wipe surfaces with a soft, damp cloth.
- Avoid using abrasive cleaners, harsh chemicals, or solvents, as these can damage the finish.
- For the mirror, use a glass cleaner and a lint-free cloth.
- Dry all surfaces immediately after cleaning to prevent moisture damage.

General Care:

- Periodically check all screws and fittings and tighten them if necessary.
- Keep the wardrobe away from direct sunlight and heat sources to prevent discoloration or warping.
- Ensure adequate ventilation to prevent moisture buildup inside the wardrobe.

6. TROUBLESHOOTING

If you encounter any issues with your wardrobe, refer to the following common troubleshooting tips:

- **Sliding Doors Sticking:** Check the tracks for any debris or obstructions. Clean the tracks with a soft brush or vacuum. Ensure the doors are properly aligned on their rollers.
- **Wobbly Structure:** Verify that all assembly screws are securely tightened. Ensure the wardrobe is on a level surface. If necessary, use shims under the base to stabilize it.
- **Drawers Not Closing Smoothly:** Check for obstructions in the drawer slides. Ensure the drawer contents are not interfering with its movement. Verify that the drawer slides are correctly installed and lubricated if needed.
- **Damaged Parts:** If any part is damaged during assembly or use, do not attempt to repair it if it compromises safety or structural integrity. Contact Vente-unique customer support for replacement parts.

7. SPECIFICATIONS
