Kappesberg Ropero Closet Individual EX101

Instruction Manual

1. INTRODUCTION

This manual provides essential information for the assembly, operation, and maintenance of your Kappesberg Ropero Closet Individual EX101. Please read these instructions carefully before beginning assembly or use to ensure proper installation and safe operation. Keep this manual for future reference.

The Kappesberg Ropero Closet Individual EX101 is a versatile storage solution designed for organizing clothing and accessories. It features four doors, one drawer, and internal shelving, all constructed from high-quality MDP with a durable UV paint finish.

2. SAFETY INFORMATION

- Always follow the assembly instructions precisely. Incorrect assembly can lead to instability and potential injury.
- It is recommended that two adults assemble this product.
- Ensure all hardware is securely tightened before use. Periodically check and re-tighten screws as needed.
- Do not overload shelves or hanging rods. Refer to the 'Specifications' section for weight capacities.
- Keep small parts and packaging materials away from children to prevent choking hazards.
- Place the closet on a level, stable surface to prevent tipping.
- Do not climb on or hang from the closet doors or shelves.

3. PACKAGE CONTENTS

Before starting assembly, verify that all components listed below are present and undamaged. If any parts are missing or damaged, contact customer support immediately.

6. MAINTENANCE

Proper care will extend the life and appearance of your Kappesberg Ropero Closet.

- **Cleaning:** Wipe surfaces with a soft, damp cloth. Avoid using abrasive cleaners, harsh chemicals, or solvents, as these can damage the UV paint finish.
- **Dusting:** Regularly dust the closet with a dry, soft cloth.
- **Hardware:** Periodically check all screws and fittings to ensure they remain tight. Re-tighten if necessary to maintain stability.
- **Moisture:** Avoid prolonged exposure to excessive moisture or direct sunlight, which can cause warping or fading.

7. TROUBLESHOOTING

If you encounter any issues with your closet, refer to the following common problems and solutions:

- **Wobbly Closet:** Ensure the closet is on a level surface. Check and tighten all assembly screws. If the floor is uneven, use furniture glides or shims to stabilize.
- **Doors Not Closing Properly:** Check the hinge alignment. Adjust hinges as per the assembly manual if doors are misaligned. Ensure no items are obstructing the door's path.
- **Drawer Not Sliding Smoothly:** Verify that the metallic slides are correctly installed and free from obstructions. Ensure the drawer is not overloaded.
- **Damaged Surface:** For minor scratches, touch-up pens designed for furniture can be used. For significant damage, contact customer support.
