Aanyhoh Battery Operated Wall Sconces

Model: 64672540

1. OVERVIEW

The Aanyhoh Battery Operated Wall Sconces offer a convenient and stylish lighting solution for your home. Designed for easy installation without the need for complex wiring, these USB rechargeable LED lights provide warm, eye-friendly illumination. Their modern design and rotatable head make them versatile for various indoor settings, from bedrooms to living rooms, enhancing both aesthetics and functionality.

2. FEATURES

- **Battery Operated & USB Rechargeable:** No wiring required, offering flexible placement. Features a built-in 8000mAh magnetic battery compartment.
- **Detachable Battery Compartment:** Easily remove the battery for charging, eliminating the need to remove the entire sconce from the wall. Full charge takes less than 5 hours and provides over 15 hours of continuous light at highest brightness.
- **Easy Installation:** All mounting hardware is included for quick and straightforward setup.
- **360° Rotatable:** Adjust the angle of the light to suit your preference and illuminate specific areas.
- **Eye-Friendly LED:** Provides soft, flicker-free 3000K warm white light to prevent eye fatigue and strain.
- **Modern Design & Wide Application:** Minimalist design suitable for various rooms including bedrooms,

living rooms, hallways, and offices.

3. WHAT'S IN THE BOX

- Wall Sconce (2 units)
- USB-C Charging Cable (80cm length)
- Mounting Hardware

4. SETUP

1. **Initial Charge:** Before first use, fully charge the battery. Batteries may lose power during prolonged transportation and storage.
2. **Mounting:** Use the included mounting hardware to securely attach the wall plate to your desired location on the wall. No electrical wiring is needed.
3. **Attach Sconce:** The sconce features a magnetic suction design. Once the wall plate is installed, simply attach the sconce to it.

Removable Battery Compartment

No need to remove the entire wall sconce

8000mAh

Charging time: 4h ~ 5h

Work Time: 15h.min ~ 20h.max

5. OPERATING INSTRUCTIONS

Power On/Off

- **Using the Remote Control:** Press the 'ON' button to turn the light on, and 'OFF' to turn it off.
- **Using the Sconce Switch:** A physical switch is located on the sconce itself for direct control.

Adjusting Brightness and Color Temperature

- **Brightness Adjustment:** Use the brightness control buttons on the remote to increase or decrease the light intensity.
- **Color Temperature Adjustment:** The remote control allows you to change the warmth of the light, from cooler tones to warmer 3000K warm white.

Adjusting Light Angle

- The sconce features a 360° rotatable design. Gently rotate the light bar to direct illumination as desired.

6. MAINTENANCE

Charging the Battery

- When the light dims or stops working, remove the magnetic battery compartment from the sconce.
- Connect the included USB-C cable to the charging port on the battery and plug the other end into a standard USB power adapter (not included).
- A red indicator light will show during charging, turning off when fully charged.
- **Important:** Do not use a fast charger over 5V to charge the wall light to prevent damage.

Cleaning

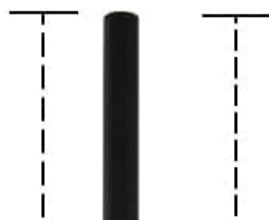

- Wipe the sconce with a soft, dry cloth. Avoid using abrasive cleaners or solvents.

7. TROUBLESHOOTING

- **Light not turning on:** Ensure the battery is fully charged. Check if the on/off switch on the sconce or the remote control is activated.
- **Battery charge doesn't last long:** Ensure the battery was fully charged (charging takes less than 5 hours). Prolonged transportation and storage can cause batteries to lose power; fully charge before first use. Avoid using fast chargers over 5V.
- **One sconce is noticeably dimmer:** This could indicate a battery issue. Try fully charging the dimmer sconce's battery. If the issue persists, contact customer support for assistance.
- **Missing parts:** If any parts are missing upon arrival, please contact customer support for replacement.

8. SPECIFICATIONS

| Attribute | Detail |
|----------------------|--------------------------------------------|
| Brand | Aanyhoh |
| Model Number | 64672540 |
| Color | Warm White (3000K) |
| Material | Aluminum, Acrylic |
| Style | Modern |
| Light Fixture Form | Sconce |
| Product Dimensions | 15"L x 10"W x 100"H |
