Setup

Assembly of the HOMCOM Folding Dining Table is required. Please ensure you have all components and tools as

specified in the separate assembly instructions included with your product. Follow the step-by-step guide carefully to ensure correct and secure construction. It is recommended to assemble the table on a soft, clean surface to prevent scratches.

- **Unpack Components:** Carefully remove all parts from the packaging and verify against the parts list in your assembly guide.
- **Prepare Workspace:** Ensure you have adequate space for assembly and that the area is clean and free of obstructions.
- **Follow Instructions:** Adhere strictly to the provided assembly manual for each step. Do not overtighten screws.

Operating Instructions

The HOMCOM Folding Dining Table features a convenient design where one side of the tabletop can be folded down to save space. This allows for flexible use, transforming from a compact console to a full dining surface.

Folding the Tabletop:

1. Ensure there are no items on the side of the tabletop you wish to fold.
2. Locate the red latches underneath the tabletop on the folding side.
3. Press the red buttons on the latches to release the tabletop support.
4. Gently lower the tabletop leaf downwards until it rests against the side of the table base. The robust hinges will guide the movement.

Unfolding the Tabletop:

1. Lift the folded tabletop leaf upwards until it is level with the fixed portion of the tabletop.
2. The support mechanism will automatically engage, securing the tabletop in its extended position. Ensure the red latches click into place for stability.

Maintenance

Proper care will help maintain the appearance and extend the life of your HOMCOM Folding Dining Table.

- **Cleaning:** The melamine-coated surface is easy to clean. Wipe regularly with a soft, damp cloth. Avoid using abrasive cleaners, harsh chemicals, or solvents, as these can damage the finish.
- **Spills:** Immediately wipe up any spills to prevent staining or moisture damage.
- **Heat and Moisture:** Use coasters or placemats to protect the surface from hot items and moisture.
- **Inspection:** Periodically check all screws and fittings to ensure they remain tight. Retighten if necessary.

Troubleshooting

If you encounter any issues with your HOMCOM Folding Dining Table, please refer to the following common solutions:

- **Table is Wobbly:** Ensure all assembly screws are securely tightened. Check that the table is placed on a flat, even surface.
- **Folding Mechanism Sticking:** Ensure the hinges are clean and free of debris. Do not force the mechanism; check for any obstructions.
- **Overloading:** Do not exceed the maximum weight capacity of 50 kg (110 lbs) to prevent damage and ensure stability.
