Fenge 42.5 Inch Dual Monitor Stand (Black)

Fenge Dual Monitor Stand Instruction Manual

Model: 42.5 Inch Dual Monitor Stand (Black)

Product Overview

The Fenge Dual Monitor Stand is designed to elevate your monitors to an ergonomic height, reducing neck and shoulder strain. It features a two-tier design with integrated storage compartments and cable management slots, helping to organize your workspace efficiently. Constructed from high-quality MDF and supported by sturdy aluminum feet, this stand offers durability and stability for up to two monitors.

Setup and Assembly

The Fenge Dual Monitor Stand requires minimal assembly. All necessary tools and a detailed installation manual are included in the packaging. Assembly typically takes approximately 5-8 minutes.

Assembly Steps:

1. Unpack all components and verify against the parts list in the included manual.
2. Attach the aluminum feet to the main shelf using the provided hardware. Ensure all screws are securely tightened for stability.
3. Place the assembled stand on your desk in the desired location.

Key Components:

- **Premium Durable Panel:** Made from high-quality thickened MDF (0.7 inch thickness). The surface is waterproof and resistant to scratches and fingerprints. Features a round corner design for safety.
- **Strong & Stable Design:** Solid aluminum footing provides robust support, capable of holding up to 88 lbs (40 kg). Includes 4 rubber pads to enhance stability and protect the desktop from scratches.

Operating Instructions

The Fenge Dual Monitor Stand is designed to optimize your workspace for comfort and organization.

Ergonomic Positioning:

- Place your monitors on the top surface of the stand. The 5.7-inch height elevates your screens to an optimal viewing level, promoting better posture and reducing cervical spine issues associated with prolonged desk work.

Workspace Organization:

- Utilize the spacious 42.5-inch wide top surface to accommodate two monitors comfortably.

- Store keyboards, mice, and other accessories in the space underneath the main shelf.
- The stand features 1 universal device holder slot and 3 high-capacity compartments for organizing office supplies, mobile devices, and other small items.
- Integrated cable management slots help keep your cords tidy and prevent clutter on your desktop.

Maintenance

To ensure the longevity and appearance of your Fenge Dual Monitor Stand, follow these simple maintenance guidelines:

- **Cleaning:** The MDF panel surface is waterproof and designed to prevent marks such as scratches and fingerprints. For general cleaning, wipe the surface with a soft, dry cloth. For more stubborn marks, a lightly damp cloth can be used, followed by drying the surface immediately.
- **Avoid Harsh Chemicals:** Do not use abrasive cleaners, strong solvents, or harsh chemicals, as these may damage the finish of the stand.
- **Load Capacity:** Do not exceed the maximum load capacity of 88 lbs (40 kg) to prevent damage to the stand and its contents.
- **Stability Check:** Periodically check that all assembly screws are tight to maintain the stand's stability.

Troubleshooting

If you encounter any issues with your Fenge Dual Monitor Stand, please consider the following:

- **Instability/Wobbling:** Ensure all assembly screws are fully tightened. Verify that the stand is placed on a flat, stable surface. Check that the rubber pads on the feet are properly positioned.
- **Damage upon Arrival:** If the product arrives with quality issues or transport damage, please refer to the warranty and support section for resolution.

For any problems not addressed here, please contact Fenge customer support for assistance.

Warranty and Support

Fenge is committed to customer satisfaction. Your Fenge Dual Monitor Stand comes with a satisfaction guarantee.

- **Return and Refund Service:** In case of quality issues or transport damage, you are eligible for unconditional return and refund service.
- **Customer Support:** If you have any questions, concerns, or require assistance with your product, please contact Fenge customer support directly. They are available to provide immediate solutions.
