Rancilio Stile Grinder (Black) Instruction Manual

Model: 21-650-057-RACILIO

1. INTRODUCTION

The Rancilio Stile Grinder is an ultra-compact coffee grinder designed for precision grinding and serving. It offers ease of use and consistent performance for various coffee preparations, from fine espresso to coarse French Press.

2. SETUP

2.1 Unpacking

Carefully remove all components from the packaging. Ensure all parts are present before proceeding with assembly.

2.2 Placement

Place the grinder on a stable, flat surface. Its compact design (5.2 inches wide) allows it to fit under most kitchen counters.

2.3 Initial Cleaning

Before first use, wipe down the exterior with a damp cloth. Remove the hopper and grounds container and wash them with warm, soapy water. Rinse thoroughly and ensure all parts are completely dry before reassembly.

3. OPERATING INSTRUCTIONS

3.1 Filling the Hopper

Lift the hopper lid and pour whole coffee beans into the hopper. The hopper is designed to hold a sufficient quantity of beans for multiple grinding sessions.

3.2 Grind Adjustment

The grinder features micrometric adjustment for precise control over grind size. Rotate the ring nut located on the grinder-doser to select your desired grind setting. Settings range from very fine (suitable for espresso) to very coarse (suitable for French Press).

Figure 2: Side view illustrating the grind adjustment dial.

3.3 Dosing and Grinding

The Stile Grinder offers two programmable doses for single and double shots, with an additional option for a continuous grind via a third button. The touchscreen interface allows for easy activation of grinding. For hands-

free operation, utilize the height-adjustable fork to attach your portafilter, then initiate grinding with a single touch on the screen.

4. MAINTENANCE

4.1 Grounds Container

The grounds container is easily removable for emptying and cleaning. Regularly empty the container to prevent overflow and maintain hygiene.

Figure 4: Grounds container removed for cleaning.

4.2 Cleaning the Grinder

To ensure optimal performance and longevity, regularly clean the grinding chamber and burrs. Use a brush to

remove any residual coffee grounds. For deeper cleaning, consult the detailed cleaning instructions in the full product manual or contact Rancilio customer support.

5. TROUBLESHOOTING

If you encounter any issues with your Rancilio Stile Grinder, please refer to the following general troubleshooting tips:

- **Grinder not turning on:** Ensure the power cord is securely plugged into a working electrical outlet. Check the power switch on the side of the unit.
- **No beans grinding:** Verify that the hopper contains enough coffee beans and that the grind adjustment ring is not set to an extreme position that might obstruct bean flow.
- **Inconsistent grind:** Ensure the burrs are clean and free from old coffee residue. Adjust the micrometric setting gradually to find the optimal consistency for your brewing method.

For persistent issues or technical support, please contact Rancilio customer service.

6. SPECIFICATIONS

Feature	Detail
Color	Black
Brand	Rancilio
Style	Doserless
Recommended Uses	Grinding
Specific Uses	Grinding
Voltage	2.3E+2 Volts (AC)
Manufacturer	Rancilio North America Inc
UPC	749531648298, 074953164829
Package Dimensions	15 x 12.01 x 7.99 inches
Item Weight	8.43 pounds
Item Model Number	21-650-057-RACILIO
Date First Available	November 18, 2022

7. WARRANTY AND SUPPORT

For information regarding warranty coverage, product registration, or to access further support resources, please visit the official Rancilio website or contact their customer service department. Keep your purchase receipt as proof of purchase for warranty claims.
