IKT U89-RED

IKT U89-RED Bluetooth Sport Earbuds

User Instruction Manual

1. PRODUCT OVERVIEW

The IKT U89-RED Bluetooth Sport Earbuds are designed for active lifestyles, offering a secure fit, high-fidelity stereo sound, and robust waterproof protection. Featuring advanced Bluetooth 5.3 technology, these earbuds ensure a stable and clear connection for music and calls. The innovative charging case includes a dual LED digital display to show battery levels, providing convenience and peace of mind.

2. WHAT'S IN THE BOX

Upon opening your IKT U89-RED Bluetooth Sport Earbuds package, you will find the following components:

- IKT U89-RED Bluetooth Sport Earbuds (Left and Right)
- Wireless Charging Case
- USB-C Charging Cable
- Multiple sizes of ear tips (S/M/L)
- User Manual

3. SETUP

3.1 Charging the Earbuds and Case

Before first use, fully charge the earbuds and the charging case. The charging case features a dual LED digital display that indicates the remaining power of the case and the charging status of each earbud.

- Connect the USB-C charging cable to the charging port on the case and a power source.
- The left side of the display shows the charging case's battery percentage.
- The right side displays the charging process for each earbud, with four grids indicating 25% increments of earbud power. The indicator light will flash during charging.

3.2 One-Step Auto Pairing

The IKT U89-RED earbuds feature a convenient one-step auto-pairing process:

1. Open the charging case and take out both earbuds. They will automatically power on and attempt to pair with each other.
2. On your device (smartphone, tablet, etc.), enable Bluetooth and search for available devices.
3. Select "U89" from the list of found devices to connect.
4. After the first successful connection, the earbuds will automatically reconnect to the last paired device when removed from the case.

You can also use a single earbud. Simply remove one earbud from the case, and it will connect. To switch to dual mode, remove the second earbud.

4.2 Wearing the Earbuds

For optimal sound quality and a secure fit, especially during sports activities, follow these steps to properly wear your earbuds:

1. **Choose the Best Size:** Select the ear tips (S/M/L) that provide the most comfortable and secure seal in your ear canal.
2. **Step 1:** Place the ear hook over your ear.
3. **Step 2:** Gently insert the ear tip into your ear canal.
4. **Step 3:** Adjust the flexible ear hook to a comfortable and secure position around your ear.

5. MAINTENANCE

Proper maintenance will extend the lifespan of your IKT U89-RED earbuds:

- **Cleaning:** After exercise, especially if exposed to sweat, use a dry cloth to wipe the metallic parts of the earbuds to prevent corrosion. Regularly clean the ear tips with a soft, damp cloth.
- **Storage:** When not in use, store the earbuds in their charging case to protect them from dust, dirt, and physical damage.
- **Water Resistance:** The earbuds are IP7X waterproof, meaning they can withstand splashes, sweat, and rain. However, they are not designed for swimming or submersion. Ensure the charging port is dry before charging.

IPX7 WATERPOOF

6. TROUBLESHOOTING

If you encounter issues with your IKT U89-RED earbuds, try the following solutions:

- **Earbuds not pairing with each other:** Place both earbuds back into the charging case, close the lid, wait a few seconds, then open the lid and remove them again. This should reset their connection.
- **Earbuds not connecting to device:** Ensure Bluetooth is enabled on your device and the earbuds are charged. Forget the device "U89" from your device's Bluetooth settings and try pairing again.
- **No sound from one earbud:** Check if both earbuds are charged. Try placing them back in the case and taking them out again. Ensure they are properly paired in stereo mode.
- **Charging issues:** Verify the USB-C cable is securely connected to both the case and the power source. Ensure the charging contacts on the earbuds and inside the case are clean and free of debris.
- **Poor sound quality:** Ensure the ear tips are the correct size and provide a good seal in your ear canal. Check your device's volume and equalizer settings.
