MAINTENANCE

- **Hair Care:** To maintain the doll's hair quality, gently comb it regularly. For minor tangles, use a wide-tooth comb and detangling spray. Avoid harsh chemicals or heat styling.
- **Cleaning:** Wipe the doll's body and plastic accessories with a soft, damp cloth. For clothing, hand wash gently with mild soap and air dry. Do not machine wash or tumble dry.
- **Storage:** Store the doll and accessories in a clean, dry place away from direct sunlight and extreme temperatures to

prevent discoloration or damage.

TROUBLESHOOTING

- **Tangled Hair:** If the doll's hair becomes severely tangled, apply a small amount of conditioner mixed with water, gently comb through from ends to roots, then rinse and air dry.
- **Loose Joints:** While rare, if a joint becomes loose, gentle manipulation may help. Avoid forcing joints beyond their natural range of motion.
- **Missing Accessories:** Check all packaging thoroughly. If an item is genuinely missing, refer to the Warranty & Support section.
