SETUP AND ASSEMBLY

Assembly of the IRONCK Entryway Bench is designed to be straightforward. All necessary tools are typically included, and parts are clearly labeled. Follow the step-by-step instructions provided in the included assembly manual.

1. Unpack all components and verify against the parts list.
2. Assemble the metal frame according to the diagrams.
3. Attach the MDF panels to form the flip-top storage box and the drawer unit.
4. Install the two drawers into their respective slots.

5. Place the removable seat cushion on top of the flip-top storage box.
6. Ensure all screws and connections are securely tightened.

OPERATING INSTRUCTIONS

Using the Flip-Top Storage Box

The left section of the bench features a flip-top lid. Gently lift the lid to access the internal storage compartment. This space is suitable for larger items such as blankets, seasonal shoes, or toys. Close the lid securely after use.

MAINTENANCE

To maintain the appearance and longevity of your entryway bench, follow these care instructions:

- **Cleaning:** Wipe surfaces with a damp cloth. Avoid harsh chemicals or abrasive cleaners.
- **Inspection:** Periodically check all screws and connections to ensure they remain tight. Re-tighten if necessary.
- **Cushion Care:** The removable cushion can be spot cleaned with a mild detergent. Allow to air dry completely.

TROUBLESHOOTING

If you encounter any issues with your IRONCK Entryway Bench, refer to the following common solutions:

- **Wobbly Bench:** Ensure all assembly screws are fully tightened. Check that the bench is placed on a flat, even surface. Adjust foot pads if present.
- **Drawers Not Sliding Smoothly:** Verify that the drawer slides are correctly installed and free from obstructions. Ensure the drawers are not overloaded.

- **Missing Parts:** If any parts were missing upon delivery, contact customer service immediately for replacements.
