2. SAFETY INFORMATION

- **Indoor Use Only:** This cat tree is designed for indoor use. Do not place it outdoors.
- **Stable Placement:** Place the cat tree on a flat, level surface to ensure stability.
- **Wall Anchor:** For added security, especially in multi-cat households or with active cats, use the included safety strap to attach the cat tree to a wall.
- **Regular Inspection:** Periodically check all screws and connections to ensure they are tight. Tighten if necessary.
- **Supervision:** Supervise your pets during initial use to ensure they adapt safely to the new structure.
- **Keep Away from Fire:** Do not place the cat tree near open flames or heat sources.

3. PACKAGE CONTENTS

Before assembly, please verify that all parts listed below are present and undamaged. If any parts are missing or damaged, please contact customer support.

General Assembly Tips:

- Lay out all components and hardware before starting.
- Follow the numbered steps in the printed instruction manual carefully.
- Do not overtighten screws during initial assembly; tighten fully once the structure is complete.
- Ensure all posts are securely attached to platforms for stability.
- Utilize the wall anchor strap for enhanced safety, especially if the tree will be used by multiple or larger cats.

5. FEATURES OVERVIEW

The Yaheetech 70.5-inch Multi-Level Cat Tree offers a variety of features designed for your cat's comfort and entertainment:

- **Carefully-selected Materials:** Constructed of CARB P2-compliant particle board, natural sisal, and pet-friendly soft plush fabric covering, ensuring a safe living space.
- **Comfortable & Practical:** Features two plush top perches with raised edges, two fluffy roomy condos, and a soft hammock for lounging.
- **Cozy to Lounge:** Skin-friendly and soft plush covering allows your feline friends to play and rest comfortably.
- **Safe And Stable:** A 24" L x 19" W baseboard stabilizes the whole cat tower. A safety strap is included to attach the cat tree to the wall.
- **Multi-Cat Friendly:** This multi-tiered tower can easily house 2-3 medium/large cats, expanding their vertical activity space.

6. OPERATING INSTRUCTIONS

Your Yaheetech Cat Tree is ready for use immediately after assembly. Here are some tips to encourage your cat to use it:

- **Strategic Placement:** Place the cat tree in a location where your cat enjoys spending time, such as near a window for bird watching or in a common living area.
- **Introduce Gradually:** Allow your cat to explore the tree at their own pace. Do not force them onto it.
- **Use Catnip:** Sprinkle a small amount of catnip on the scratching posts or inside the condos to attract your cat.
- **Interactive Play:** Use the dangling toys or other interactive toys to engage your cat with the tree.
- **Positive Reinforcement:** Reward your cat with treats or praise when they use the scratching posts or lounge on the perches.

7. MAINTENANCE

Regular maintenance will extend the life of your cat tree and keep it hygienic for your pets:

- **Cleaning:** The plush covering can be spot cleaned with a damp cloth and mild detergent. For deeper cleaning, a vacuum cleaner with a brush attachment can remove loose fur and debris.
- **Sisal Rope:** The natural sisal rope on the scratching posts is designed to withstand scratching. Over time, it may fray. While individual ropes are not typically replaceable, rotating the posts or adding sisal rope wraps can extend their life.
- **Structural Integrity:** Periodically check all connections and tighten any loose screws to maintain stability.
- **Dangling Toys:** Inspect dangling toys for wear and tear. Replace them if they become detached or damaged to prevent choking hazards.
- **Care Instructions:** Keep the cat tree indoors and away from excessive moisture.

8. TROUBLESHOOTING

Here are solutions to common issues you might encounter:

- **Tree Wobbles:** Ensure the tree is on a flat surface. Tighten all screws. Use the included wall anchor strap to secure the tree to a wall.
- **Cat Not Using Tree:** Try relocating the tree to a more appealing spot (e.g., near a window). Use catnip or treats to entice your cat. Engage in interactive play around the tree.
- **Worn Scratching Posts:** This is normal wear and tear. Continue to encourage use of the posts. Consider adding sisal rope wraps or replacing severely damaged posts if possible.
- **Dangling Toys Detached:** Reattach if possible, or replace with new cat-safe toys.
